Crescent City News

CRESCENT CITY.

is one of the most beautiful locations in Florida. Tourists will find it an ideal spot to spend the winter, or pass a few days of keen delight.

The town is on Crescent Lake (an arm of the St. Johns River) and is 100 miles by water, and 77 miles by rail from Jacksonville.

The all day river ride on the steamer Crescent, from Jacksonville to Crescent City, is one of the delightful experiences of Florida travel. The steamer leaves Jacksonville at 9 a. m., every Tuesday, Thursday and Saturday, reaching Crescent City at 6 p. m. This trip is the only daylight ride up the broad and picturesque St. Johns.

The steamer has pretty cabins and offers a delightful outlook even in stormy weather.

Crescent City is the center of the orange growing industry in middle Florida, and beautiful groves surround the place. The fruit is at its best now.

Good boating, hunting and fishing will afford amusement for sportsmen.

Naptha launches can be secured cheaply for water trips. Crescent City has good hotels and boarding houses at moderate rates.

Beautiful shaded walks and bicycle paths.

Parties in Crescent City desiring to subscribe for this paper or wishing to renew their subscriptions thereto, may leave their names and money with Mr. E. D. Lounds at the postoffice who is our authorized agent.

Personal and Social.

Regular services will be resumed at the Presbyterian church next Sunday, with services both morning and evening.

R. B. Smith of Long Island, a guest for the winter at Crescent Inn, departed for home last Monday, much to the regret of a large circle of friends.

James Malcolm and daughter, Miss Sarah, are spending the week at Miami and Palm Beach, but expect to return to Grove Hall tomorrow for a short stay.

Now that the conference is over it has been discovered that some few people who neglected to attend the meetings have come in for a "blessing" just the same.

Mrs. Jno. F. Richardson of Belmont, Mass., who has been the guest of Mr. and Mrs. G. F. Morse for the past two weeks, left on Monday for a short stay in St. Augustine before returning to her home.

The deed conveying the auditorium and gas plant to the town of Crescent City, properly signed by both Hon. and Mrs. Edwin Gilbert, were received by Town Clerk Paul C. Smith last Saturday.

Mr. and Mrs. Smith Cobb of Albany, and Mrs. Reggs of the same city, who have been guests at Grove Hall for the past several months, left for their home last Monday. They will spend a week in Jacksonville on route.

E. S. Bunting of Salem, N. J., arrived at Grove Hall last week to spend a time with his friends. Mr. and Mrs. Frank Buck. Mr. Bunting was accompanied by his son-in-law W. H. Mitchell, but that gentleman returned after spending a day or two here.

Dr. Harry C. Welch of Palatka was called to Shell Bluff on Sunday last to attend a man whose case had been diagnosed as small pox. The patient is doing nicely and has been isolated. Dr. Welch says he is two miles from any human habitation and that there is no danger of a spread of the disease.

C. H. Cash has placed his claim for furnishing the town with water in the hands of E. N. Calhoun for collection, and the town, through its clerk, Paul C. Smith, has respectfully declined to pay, giving Mr. Calhoun at the same time the town's side of the case.

Ex-Congressman William Ryan of Port Chester, N. Y., has been here for a week, a guest at Grove Hall. Mr. Ryan is a large grove owner, and comes each year for only a short stay, as his vast commercial enterprises at home require his constant attention. Mr. Ryan is taking but a few weeks' vacation this year, part of which he will spend at Tampa and Bradenton. He seems well pleased with the progress of his grove property and states that it has every indication of a large crop the coming fall.

Rev. Father Bresnahan, a missionary-at-large of the Roman Catholic church, will arrive here tomorrow for the purpose of holding a week's mission. He will celebrate mass Sunday morning, probably in V. I. A. Hall, and lecture in the evening of that day and the following week day evenings up to Friday. Father Bresnahan comes by authority of the bishop of the diocese, and is a young man of scholarly attainments and fully equipped for presenting the claims of the mother church to the people. He will likely be accorded a good hearing.

Interchangeable Tickets.

In traveling you will find it very convenient to use Atlantic Coast Line interchangeable mileage tickets, good over approximately 100,000 miles of railroad. These tickets will be honored as far East as Washington and West to Cincinnati, Louisville, Evansville and St. Louis. Take advantage of this arrangement and avoid the inconvenience of purchasing additional mileage books.

Superior train service to all points East, West and South. W. B. LEAHY, D. P. A. W. J. CRAIG, G. P. A. Savannah, Ga. Wilmington, N. C.

Saturday's Ball Game.

The game of base ball last Saturday afternoon between the Nine Chums of Palatka and the Crescent City team attracted a large crowd of spectators, the great majority of whom were home people and partisan friends of the local team.

The game was spirited throughout, but from the beginning it was easy to see that the visiting club greatly outclassed the home players. They led from the first and increased their lead with every inning, though there was many brilliant plays made by members of the Crescent City club. Collins who was in the box for the Nine Chums, pitched a remarkably swift ball and the home boys, none of whom are heavy hitters, found it hard to hit him at all.

On the other hand, Carrier, for the home team was hit regularly, and when hit, the ball usually went to the field. One of the features of the game was the fine playing of Wilson, in left field for the home club. He had many put-outs to his credit from difficult fly catches. Another was the home run of Lowe of Palatka, who made the only home run, possible only through the fumbling of the ball in the field.

The score resulted in a victory for Palatka by 13 to 5. Good nature prevailed throughout the game, though the enthusiasm of the spectators was considerably dampened by the constant ill luck of their favorites. The line up of the teams was as follows:

Nine Chums—Thomas, 1st b; Merrill, c; Hayes, 2d b; R. Phillips 3d b; Calhoun, s. s.; L. Phillips, cf; Collins, p; Lowe, lf; Bruce, rf.

Crescent City—Miller, s.; Varnes, 2d b; Wilson, lf; Reed, cf and p; K. Norton, 1st b; Fanning 3d b; C. Norton, cf; Carrier, cf and p; Gautier, rf.

The local team goes to Federal Point today to play a return game with the club at that place.

A Nasty Case.

County Judge Cox has issued a warrant for the arrest of Rev. S. J. McLeod of Waycross, Ga., and the papers have been forwarded to Gov. Broward with request that he make a requisition on the governor of Georgia for his extradition.

The Rev. McLeod, who is a white man, came here some two weeks ago and intimated to the blind negro evangelist, David L. Williams, that he would like to see a home or grove in Crescent City, perhaps we have just the bargain you are looking for. Any way let us talk it over.

LAKE COMO.

Mr. and Mrs. Wm. Tracey of Syracuse, N. Y., are among our winter visitors.

Mrs. J. D. Cokeroff visited Palatka on Friday.

On Thursday afternoon last a large number of ladies and gentlemen were informally entertained at All View cottage. Whist and euchre were indulged in until about 5 o'clock. Dainty refreshments were served. Much to the dismay of the ladies and gentlemen they were compelled to return to their homes mid a constant falling rain, which marred the occasion. Despite all these "ups and downs" all report a pleasant time.

Mr. and Mrs. White of Wakefield, Mass., spent the day with Misses Carter and Tilton, while en route to Pinehurst, N. C.

Mr. and Mrs. Anderson, after spending several days with friends at Ponce Park, returned to Como last week and later left for Chattanooga, Tenn., where they expect to spend the remainder of the season before leaving for their home in Mt. Pleasant, Mich.

Ava Colingwood is on the sick list this week. Dr. H. C. Welch was called on Monday.

Mrs. Jas. Cokeroff of Northport, L. I., arrived last Friday. While here she will be the guest of Mrs. J. D. Cokeroff.

Mr. and Mrs. Seely of Cambridge Springs, who are Crescent City visitors this winter, called on friends here Friday.

Mr. and Mrs. Harry Harris, and the latter part of last week in Palatka and Daytona.

On Saturday afternoon about twenty people attended the ball at Ponce Park, returned to Como last week and later left for Chattanooga, Tenn., where they expect to spend the remainder of the season before leaving for their home in Mt. Pleasant, Mich.

Mrs. Bosworth and daughter, Miss Clara, left Monday for St. Augustine where they will spend several days before leaving for Daytona.

Rev. Mr. Youngs delivered an interesting sermon on Sunday morning in the M. E. church, subject being "Ye must be born again."
