## EASY RELIEF FROM CONSTIPATION

The Remedy That Replaces Calomel—Causes No Restriction of Habit Or Diet.

It is a mistake to take calomel when your liver is lazy and needs toning up. Hundreds of people in this section have discovered that Dodson's Liver Tone is a thousand times better and safer and its action is just as sure. There are none of the bad after-effects of calomel to Dodson's Liver Tone and no danger of salivation.

For attacks of constipation or biliousness one or two teaspoonfuls of this mild, pleasant tasting vegetable liquid are enough and the Seminole Pharmacy gives a personal guarantee that every bottle will do all that is claimed for it. Money back in any case where it fails.

Dodson's Liver Tone costs only 50c for a large bottle. Remember the name because there are any number of remedies sold in imitation of Dodson's. Some of them have names very similar to Dodson's Liver Tone—and are in same color package. These imitations are not guaranteed and may be very harmful. Go to the Seminole Pharmacy and you will surely get the genuine.
