The Other Side.

To the Editor of the GAZETTE-NEWS:

While reading the last issue of the Halifax Journal, we saw some remarks made by some of the Ormond critics concerning the excursion from Daytona to Ormond last Saturday night, and guessing at the behavior of some of the excursionists. We will refer them to 2nd Peter, 2nd chapter, 12th verse: "But these, as natural brute beasts, made to be taken and destroyed, speak of the things that they understandeth not, and shall utterly perish in their own corruption."
