Chas. J. Coates, a prominent contractor of New Brighton, Pa., is another of the guests of the Ponce Park. About 14 years ago Mr. Coates was a resident of Daytona and is well and favorably remembered by the older residents.

Among the later arrivals at this popular home are J. D. Parker and daughter, Mrs. Foster, and her two children, who arrived Monday. The party hails from Cincinnati. Mr. and Mrs. Price and daughter, and Mr. Wright, of Chicago, are also among the new-comers.

A meeting of the directors of the Central bridge was held Thursday and the following officers elected: President, Dr. Langworthy; vice-president, Horace F. Stewart; secretary, A. C. Corpe; treasurer, Geo. Beardsley. The old officers were all re-elected with the exception of J. M. Garland, whose place was filled by Mr. Stewart. The board voted Mr. Garland a resolution of thanks for his labors while he was vice-president.

George Tebo, of Dover, Del., a former resident of Daytona, is visiting old friends here. He expects to build a residence.

Sit up in bed.

When it becomes necessary to sit up in bed to get your breath; when the least exertion such as walking, sweeping, singing, talking or going up and down stairs, causes shortness of breath, fluttering or palpitation; then it is time to do something to brace up and strengthen your failing heart. Take Dr. Miles' Heart Cure. It is best of all.

"I had palpitation of heart, my left side became enlarged and I could not sleep at night. Had to sit up in bed and often walk the floor to get my breath. All of these troubles were cured by Dr. Miles' Heart Cure."

Mrs. E. V. TUBBS,

PORT ORANGE NEWS.

PORT ORANGE, Feb. 21.—We had a negro minstrel entertainment in Ridgewood Hall Thursday night by the Ocala Minstrel troupe. They were very funny and everyone laughed.

C. M. Roser and J. W. Lawhead, both from Ohio, went down to Oakhill last week on a duck shooting excursion and had great sport.

Saturday E. Brohm, landlord of the Port Orange House, in stepping into his launch, slipped and fell injuring his side. We are glad to report that he is able to be out again.

G. F. Lufbery and son, Robert, left Sunday for Sanford and Jacksonville. Miss Marie Lufbery left the same day for Patterson, N. J., where she will visit her brother's family. Mr. Lufbery and son returned Wednesday.

John Anderson, one of our old citizens, died at the home of his son on Ridgewood avenue Thursday, and was buried in the cemetery here Friday; he was a native of Sweden.

Two traveling tinnners were walking along side of the railroad near Savage Station when one of them was struck by a bar of iron which fell from the train striking him on the leg below the knee and breaking it very badly. He was cared for by our citizens and visitors and sent to a hospital on the next train.

We had a very pleasant card party Tuesday night Mrs. E. N. Carpenter was hostess.

Mr. and Mrs. Seipe and son of Allegheny City, Pa., arrived this week and are at the hotel.

Russel Hegman, of Detroit, and Mr. J. H. Niver and a friend drove down Wednesday and shook hands with his friends here; we were glad to see them.

THE H. R. Y. C. DANCE.

A large crowd attended the annual dance of the Halifax River Yacht Club given at the opera house last night. Music was furnished by the S. F. H. orchestra.

The hall was very neatly decorated and was brilliantly lighted by electricity. Refreshments consisting of chicken salad, bread and butter, ice cream and cake was served by the Desplands in the rooms of the Palmetto Club. The committee in charge of the affair Messrs. W. H. Peters, F. J. Niver and F. N. Conrad, did everything in their power to make the dance a success and very successfully succeeded.

Those who are in a position to know say that it was one of the largest gatherings that ever attended a dance in Daytona.

One of the unique features was the handsome electrical display arranged by J. C. Pettepher, the electrician. A stand was erected in the center of which the letters "H. R. Y. C." were set, and around the letters was a myriad of electric lights. The first of the four letters first appeared then the second letter, and so on. When all had appeared they suddenly went out, and then a chasing border light appeared. This was repeated all through the evening. The entire contrivance was arranged by Mr. Pettepher who is to be congratulated on the cleverness of the arrangement. It showed that he understands the mysteries of electricity.

Hon. S. C. Carr, of Milton Junction, Wis., favored our sanctum with a call yesterday. He is stopping at The Oaks and is accompanied by Mrs. Carr and his son, F. S. Carr, Mrs. Lyons and Mrs. Lovell, of Springfield, Mass.

NATHAN W. PITTS DEAD.

A number of the Masonic fraternity went up to Ormond last Saturday to attend the funeral of Nathan W. Pitts, who died at Palm Beach Friday morning. Mr. Pitts came to Ormond about twenty-five years ago and settled. Ten years later he removed to Palm Beach and purchased what is now known as Munyon's Island. He was for a number of years chairman of the board of county commissioners of Brevard county.

Cured Cancer.

Mr. W. W. Prickett, Smithfield, Ill., writes, Sept. 10th, 1901: "I had been suffering several years with a cancer on my face, which gave me great annoyance and unbearable itching. I was using Ballard's Snow Liniment for a sore leg, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief, I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it cannot be too highly recommended." 25c, 50c, and \$1.00. For sale by J. M. Jones.

We have received a very neat descriptive leaflet of the picturesque trips afforded by the Mallory Lines from Jacksonville to New York and other Northern cities. Weak And Low-Spirited.

A CORRESPONDENT THIS DESCRIBES HIS EXPERIENCE.

"I can strongly recommend Herbine as a medicine of remarkable efficacy for indigestion, loss of appetite, sour taste in the mouth, palpitation, headache, drowsiness after meals with distressing mental depressions and low spirits. Herbine must be a unique preparation for cases such as mine, for a few doses entirely removed my complaint. I wonder at people going on suffering or spending their money on worthless things, when Herbine is procurable, and so cheap." 25c a bottle at J. M. Jones.

An exchange says an old church member died, of whose goodness there was some question, but was regarded as a pillar by the pastor, who posted on the church window these words: "Bro. Smith departed for Heaven at 4:30 a. m., and announced the funeral. Under this some one tacked a telegram blank with these words: 'Heaven 9:40 p. m. Smith has not yet arrived. Great anxiety.'"

Cured Consumption

Mrs. B. W. Evans, Clearwater, Kan., writes: "My husband lay sick for three months; the doctors stated he had quick consumption. We procured a bottle of Ballard's Horehound Syrup and it cured him. That was six years ago, and since then we always keep a bottle in the house. We cannot do without it. For coughs and colds, it has no equal." 25c, 50c, and \$1.00 bottle at J. M. Jones.
