His bride is a native of South Carolina, but has at different times resided in this city, where she is admired by a large number of friends for the many womanly graces that make her a prize abundantly worthy of the wooing.

Are you taking SIMMONS' LIVER REGULATOR, the "KING OF LIVER MEDICINES?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith, and were never disappointed. But another good recommendation for it is, that it is **WARRANTED PURELY VEGETABLE**, never gripe, never weakens, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one feels new all over. It never fails. Everybody needs take a liver remedy, and everyone should take only Simmons' Liver Regulator.

The TELEGRAPH regrets that it omitted mention last week of the recent marriage of our estimable young friend, Mr. Appelles S. York, to Miss Nellie Miller, one of Macclenny's fair daughters. The happy event occurred at the home of the bride's grandparents on August 26th. Mr. York is a native of Bradford county, but moved to Macclenny about a year ago, where he engaged in the drug business and by honorable methods and strict attention is winning success. His many friends throughout Bradford county will join the TELEGRAPH in wishing he and his fair bride a long life and much happiness.

**The Discovery Saved His Life.**

Mr. G. Callouette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at the drug store of the Starke Drug Co., and John A. King, of Lake Butler.

**FORD'S FINE FITTING FOOT-WEAR** at Truby, Sternburg & Co's. For la grippe use Dr. Powell's Fever Cure. It "never fails" to cure it.

Mrs. J. F. Bell, Ocala, Fla., writes: "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; don't be misled until you see them if they will only give your medicine just one trial."
