

BEAUTIFUL BUILDING

Pythians of Tallahassee Propose to Erect Castle Hall.

A COMMENDABLE SCHEME

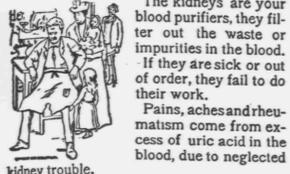

Better Class of Buildings Are Needed in Tallahassee.

Tallahassee is a growing city, and any inclination to erect a better class of business blocks will be heartily commended by every one.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

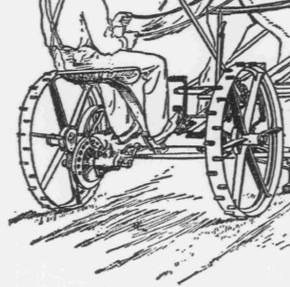

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmor's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmor & Co., Binghamton, N. Y.

FOR THE STATE FAIR.

Farmers of Leon Should Have a Creditable Exhibit.

The Tallahasseean has heard several Leon county farmers express the determination to have exhibits at the State Fair in Jacksonville. It is to be regretted that the County Commissioners cannot see their way clear to make an appropriation for a county exhibit. It would be money well spent, and no one would regret it.

A splendid opportunity to advertise the resources of Leon county will be lost if we do not have an exhibit. Since, however, the county can do nothing in the matter, we would suggest that the farmers who intend having exhibits get together and make as creditable a display as possible. Such a showing of enterprise would be very commendable and result in some good to Leon county by attracting attention to the possibilities of this section.

Leon county has some of the best farms and farmers in Florida. Many of them use modern methods and up-to-date implements, and they produce crops equal to any in the State. These men could easily get up a fine exhibit. There is little time to spare, however, if they wish to make a good showing, and the sooner they get to work the better it will be.

TOT CAUSES A NIGHT ALARM. "One night my brother's baby was wailing with croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would struggle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from croup and whooping cough. It cured me of a chronic bronchial trouble that no other remedy would relieve. Infallible for coughs, colds, throat and lung troubles. 50c. and \$1.00. Trial bottles free at all druggists.

HAS A MODEL SCHOOL. County Superintendent Pays a High Compliment to Chaires School. County Superintendent C. W. Bannerman is making his first round of visits to the schools of Leon county for this term.

He finds the schools in every district he has visited in a fairly prosperous condition. In some instances the attendance is not as large as it might be. This is accounted for by the fact that there has been considerable sickness in those localities, and that the farmers have been too busy to start their children. In a short time the attendance will be largely increased.

Mr. Bannerman speaks in very complimentary terms of the school at Chaires Station, which he designated as a model institution of learning, in fact, the best school in the county, outside of Tallahassee.

The principal, Prof. H. E. Woodberry, is a very popular instructor, and has the hearty co-operation of the patrons of his school. He has an average attendance of fifty pupils, and everyone shows evidence of conscientious work and deep study. Prof. Woodberry must feel greatly encouraged over the standing of his school, and the patrons certainly should congratulate themselves over the employment of such an able instructor.

OLD SOLDIER'S EXPERIENCE. M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c. at all druggists.

BY-THE-WAY. A current number of an Atlanta magazine contains a sketch of the late Maurice Thompson, and with genuine Georgia nerve, claims him as her own. Although most of his life was spent in Indiana, we Tallahasseans can lay a claim to him to the extent of having had him reside here and absorb some of the local color of this city, which he had given the world in "A Tallahassee Girl." The charming word pictures of the scenery of this city and its surrounding country are well set forth in this volume, and delineated as only a lover of nature in all her various moods could have done. As for the merits of "A Tallahassee Girl," as a novel, opinions differ, but it is not up to the standard of the author's later works, noticeably "Alice of Old Vincennes."

"For five weeks I lived on cold water, so to speak," writes a man who suffered terribly from indigestion. He could hardly keep anything on his stomach. What stayed, wasn't properly digested and gave him terrible pangs.

This is not an uncommon case. Dyspeptics don't get enough nourishment. They are generally thin and weak. They may eat enough, but they don't digest enough. Much of what they eat turns into poison. If this keeps on there's no telling what disease they may get next.

That's why it is best to take Shaker Digestive Cordial as soon as the symptoms of indigestion appear. It cures all the evils of indigestion, and prevents the evils which indigestion causes.

Sold by druggists, price 10 cents to \$1.00 per bottle.

GOVERNOR'S APPOINTMENTS. There has been little of importance transacted in the Governor's office during the past week. The following gentlemen have been appointed by Governor Jennings:

George M. Weeks, Glen St. Marys, notary public for the State at large. Henry D. Webster, Tampa, notary public for the State at large.

W. W. Ciyart, of Ocala, notary public for the State at large. A. B. Chitty, of Micanopy, notary public for the State at large.

SHE DIDN'T WEAR A MASK. But her beauty was completely hidden by sores, blotches and pimples which she used Bucklen's Arnica Salve. Then they vanished as will all eruptions, fever-sores, boils, ulcers, carbuncles and felons from its use. Infallible for cuts, corns, burns, scalds and piles. Cure guaranteed. 25c. at all druggists.

What this Boy's Mother Says

has been said by the mothers of many other boys and girls, regarding the wonderful curative and strengthening qualities of

Dr. Miles' Nervine

"Our little boy, Harry, had spasms for 3 years and we feared the disease would affect his mind. Though he doctored continually he grew worse and had ten spasms in one week. Our attention was directed to Dr. Miles' Nervine and we began its use. When he had taken the fourth bottle the spasms ceased and he has had none for five years. His health now is perfect." Mrs. B. M. TINDALL.

Dr. Miles' Remedies are sold by all druggists on guarantee to benefit or money refunded. Dr. Miles Medical Co., Elkhart, Ind.

BETTER MAIL FACILITIES.
