

NEWS FROM PECK.

Peck, Fla., March 25.—The friends of Mr. E. R. Sills will regret very much to hear that he was quite ill several days last week.

Mr. and Mrs. J. S. Fleming, of Chaires, spent Thursday with their daughter, Mrs. E. L. Billingsley.

All of our farmers are busy planting corn. The heavy rains that we have been having lately have hindered them greatly.

Mrs. J. P. Baum planted her spring garden last week.

Miss Georgia C. Hanks and Miss Clifford Baum spent Thursday pleasantly with Mrs. L. S. Crump.

Mr. J. H. Humphress visited Tallahassee last Saturday.

Some of Mr. Lewis Simpson Crump's corn land is under water, and for that reason he will not be able to plant it for some time yet. He was breaking up cotton land last week.

Mr. J. S. Fleming, of Chaires, spent a few hours pleasantly with Postmaster J. P. Baum last Thursday forenoon.

We regret to say that Mr. J. R. Crump is still quite ill.

Frog ponds are getting to be very numerous in our part of the country. Every low place is filled with water. In front of Mr. L. S. Crump's house are two beautiful little streams of water running down the hill. The little streams generally last two for three weeks after a rainy spell.

Mrs. E. L. Billingsley's garden is growing very fast. She will soon have plenty of vegetables to eat.

Mrs. Homer J. Hanks is ahead of all in the neighborhood. She is eating radishes; had her first mess last week.

Mr. J. P. Baum has lost nearly all of his hogs with cholera. Before the disease struck them he had a fine bunch.

One of our many blessings that we have to be thankful for, this past winter and at the present time, is escaping the usually severe colds and ja grippe. Colds have been very uncommon the past winter. Only one or two in this neighborhood have had a cold.

Mr. Willie Powell was a pleasant caller at the home of Mr. J. P. Baum Sunday evening.

Mr. and Mrs. L. S. Crump visited relatives near Lloyd Saturday.

Mr. Wm. C. Jones passed through here Sunday on a visit to Miccosukie.

Mr. Herbert Smith, of Centerville, was in our vicinity Sunday. He had been visiting his sister in Chaires, and was en route home.

Mr. George and Miss Clifford Baum attended Sunday school at Oak Dale Sunday afternoon.

Mr. and Mrs. Homer Hanks and Miss Georgia C. Hanks spent Saturday with Mrs. Edmund Jones in Black Creek vicinity.

Postmaster J. P. Baum visited Miccosukie Sunday afternoon.

Mr. George J. Baum made a business trip to Lloyd Saturday.

Mr. E. R. Sills made a business trip to Lloyd Saturday.

Mr. Tom Hanks spent Sunday out here, with his brother, Mr. Homer J. Hanks.

Mrs. Martha Bean and her son Eugene passed through here Saturday en route to her daughter's, Mrs. Edmund Jones.

Mrs. H. E. Carmine and daughter, Miss Sadie, were on the sick list Saturday.

Mr. E. L. Billingsley visited Black Creek Saturday.

Spring is here in all of her beauty. The birds are singing the woods ring with their sweet music. It seems that they, too, are glad to welcome the merry spring with her flowers so rich and rare.

Mr. T. C. Branon is at his post at the turpentine still gain. He passes through here every day looking after the hands in the woods.

HOW TO CURE GRIP.

Remain quietly at home and take Chamberlain's Cough Remedy, as directed, and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia, which is really the only serious danger. Among the tens of thousands who have used it for the grip, not one case has ever been reported that did not recover. For sale by all druggists.

EVENTS AT CHAIRES.

Chaires, March 25.—Mr. Herbert Smith, a hustling young farmer of Centerville, spent Saturday night and Sunday with his sister, Mrs. S. A. Cox.

Mr. Smith is generally accompanied on his visits to Chaires by somebody, but he was alone this time. What's the matter?

Mr. Roscoe C. Snipes spent Sunday afternoon and a portion of the evening with his mother and sister.

Mrs. Junie Landrum Chaires, of Montbrook, is spending the week at the pleasant home of Mr. and Mrs. Ormond Chaires, on the hill.

An attorney of Syracuse, N. Y., was in Chaires last week on business of a legal nature.

Miss Myrtle Gramling spent a delightful two weeks' visit with Miss Annie English last week.

A gang of workmen are busily engaged in repairing the residences of Messrs. David and Ormond Chaires.

One young man in Chaires was wearing quite a disappointed look last week. A certain young lady postponed her intended last week's visit to friends here. Cheer up! She is coming this week.

The children can scarcely sleep at night for thinking of the royal good

Kodol Dyspepsia Cure Digests what you eat.

This preparation contains all of the digestants and digests all kinds of food. It gives instant relief and never fails to cure. It allows you to eat all the food you want. The most sensitive stomachs can take it. By its use many thousands of dyspeptics have been cured after everything else failed. It prevents formation of gas on the stomach, relieving all distress after eating. Dieting unnecessary. Pleasant to take. It can't help but do you good.

Prepared only by E. C. DEWITT & CO., Chicago. Each bottle contains 2 1/2 times the dose.

On Jellies preserves and pickles, spread a thin coating of PURE REFINED PARAFFINE. Will keep them absolutely moisture and acid proof. Pure Refined Paraffine is also useful in a dozen other ways about the house. Full directions in each package. Sold everywhere. STANDARD OIL CO.

time they are going to have at the annual Easter egg hunt which will take place Friday afternoon on the school grounds. It will be conducted by the L. M. of the Orange Blossom Society. Mrs. H. P. Woodbury, Mrs. James Colton Boylston intends to accompany her husband on a business trip to Jacksonville Wednesday, while in the Metropolis she will be the guest of Mrs. Irene Patterson.

Mr. Miller came over last week to visit his sons, Fred and Claude, at the hotel.

We regret to learn of the painful injury sustained by Mr. C. T. Hancock, of Tallahassee, last week, caused by a horse falling against him. This prevented his accustomed visit to Chaires last week.

Master David, the bright little son of Mr. and Mrs. David Chaires, celebrated his fifth birthday last Sunday. Among the features of the dinner was a large cake ornamented with five lighted candles.

A certain lady, whose name we have not the courage to mention, only to say she doesn't live a thousand miles from Mr. Sam Chaires, has become very much enthused over the idea of hunting by observing how successful one young lady is with her rifle, and is trying to coax her husband to buy her a rifle. We dare say she would be much younger in the cause than she is in years, but venture the assertion that she would supply the table with squirrel every day.

DANGERS OF COLDS AND LA GRIPPE.

The greatest danger from colds and lagrippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventative of that dangerous malady. It will cure a cold or an attack of la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by all druggists.

NEWS FROM ARRAN.

Arran, March 25.—Miss Siny Taff is visiting relatives and friends at Sopchoppy this week.

Bro. Clemmons filled his regular appointment here Saturday and Sunday.

Misses Hattie Oder and Fannie Cox and Messrs. Arthur Tully and Frank Duval, Jr. spent Sunday in our town.

The instruments for the Crawfordville band arrived by express this morning.

Mr. Mark Ready visited Carrabelle Saturday.

Mrs. Lawhon is very ill at the home of her daughter, Mrs. C. C. Pitt.

Mr. Orlando Caraway and brother, of Medart, spent Sunday here.

Messrs. Dan and W. J. Coleman, of Rosterville, spent several days with us last week.

Mrs. T. C. Lee, of Smith Creek, was a visitor here last week.

Mr. W. E. Edwards visited Carrabelle Saturday.

Mrs. W. H. Enbanks returned last Sunday from a visit to her daughter, Mrs. J. B. Lawhon, of Ashmore.

Mr. Hilton Gwaltney was here Sunday on a visit to his father, Mr. Lewis Gwaltney.

Messrs. J. B. Lawhon and Arthur Long, of Ashmore, came to Arran Friday.

Mr. A. P. Lee visited his brother, Mr. F. C. Lee, of Ashmore, Saturday.

Mr. Geo. Taff killed a fine wild turkey last week.

Mr. F. W. Duval spent part of Monday at Arran.

Mr. W. E. Edwards made a business trip to Medart last Tuesday.

LA GRIPPE QUICKLY CURED.

"In the winter of 1898 and 1899 I was taken down with a severe attack of what is called La Grippe," says F. L. Hewett, a prominent druggist, of Winfield, Ill. "The only medicine I used was two bottles of Chamberlain's Cough Remedy. It broke up the cold and stopped the coughing like magic, and I have never since been troubled with Grippe." Chamberlain's Cough Remedy can always be depended upon to break up a severe cold and ward off any threatened attack of pneumonia. It is pleasant to take, too, which makes it the most desirable and one of the most popular preparations in use for these ailments. For sale by all druggists.

IAMONIA LOCALS.

Iamonia, Fla., March 26.—Dr. Edgar Strickland has returned home from the Medical College in Atlanta, Ga.

A dozen or two people assembled here to see a sleight-of-hand show by Mr. Maddox last week, but for reasons unknown to us, he struck his tent and went on to Meridian, where he showed on Thursday night following.

Mr. Blount Strickland, Jr., had a glorious race after a fox last Saturday night, by moonlight. The race was near Dr. Anderson's again, and the last named gentleman, with his daughter, Miss Hester Anders, and Mr. Ansel Dekie, Jr., joined in the race. They caught the fox.

The Ocklockonee river has overflowed its banks, and has commenced to back water into Lake Iamonia, and, as a natural consequence, the Forshala

Slough is full, and the fish have commenced running up stream, as they usually do in times of high water. Some persons are taking advantage of this to shoot and strike fish in the running streams. Mr. Henry Hancock, as we heard, succeeded in shooting a string of fine trout on said slough last week.

A large area of corn will be planted this week if the weather be favorable.

Miss Nellie Costa, who has been visiting Mrs. T. P. Strickland, returned to Tallahassee last week.

Mrs. Henry Dickey also went with Miss Costa to visit Mr. W. E. Dickey, son of the former.

CANCER CURED BY BLOOD BALM.

All Skin and Blood Diseases Cured.

Mrs. M. L. Adams, Fredonia, Ala., took Botanic Blood Balm which effectually cured an eating cancer of the nose and face. The sores healed up perfectly. Many doctors had given up her case as hopeless. Hundreds of cases of cancer, eating sores, suppurating swellings, etc., have been cured by Blood Balm. Among others, Mrs. B. M. Cuerny, Warrior Stand, Ala. Her nose and lip were raw as beef, with offensive discharge from the eating sore. Doctors advised cutting, but it failed. Blood Balm healed the sores, and Mrs. Cuerny is as well as ever. Botanic Blood Balm also cures eczema, itching humors, scabs, and scales, bone pains, ulcers, offensive pimples, blood poison, skin eruptions, scrofula, risings and bumps on the skin and all blood troubles.

Druggists, \$1 per large bottle. Sample of Botanic Blood Balm free and prepaid by writing Blood Balm Co., Atlanta, Ga. Describe trouble and send medical advice sent in sealed letter. It is certainly worth while investigating such a remarkable remedy, as Blood Balm cures the most awful, worst and most deep-seated blood diseases.

For sale by Wight & Bro.

WOODVILLE NEWS NOTES.

Woodville, March 15.—There is not much news this week from this point. Everything is quiet. We had a great deal of rain during the past week. The farmers are busy planting.

There does not seem to be much traveling done in this direction for the past week. Woodville is unusually dull.

The saw mills are all running, cutting and shipping lumber. Our turpentine men are all in fine spirits as the spring opens.

Everybody is feeling good over the spring weather, and things are all moving on quietly.

Mrs. F. A. Whitley, J. L. Robinson, F. C. Williamson, Lonnie Williamson, Miss Clara Page and her brother Troupe visited Tallahassee Monday.

Master Leonard Lewis returned to Tallahassee Monday after a few days' visit to his parents at Woodville.

FOR THE COMPLEXION.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe thorough and gentle. The very best pills.

CARE OF MACHINERY.

How many farmers, now ready for their spring work, have found their farm implements in good condition? How many have not been compelled to waste considerable time in going over and getting their tools in shape? Too many of our farmers are in the habit of dropping their tools and implements wherever they use them last, and letting them remain there to take all kinds of weather. Through this carelessness the life and usefulness of a tool are greatly curtailed. The farmer suffers great loss, and instead of trying to stop the leak, goes along indifferently plodding the same old furrow.

The progressive farmer should have a place for everything, and keep everything in its place. As soon as he is done with wagon, plow, reaper, mower, or whatever implement he may be using, it should be put away under shelter. On rainy days everything should be gone over to see what needs repairs. The plows, hoes, axes and all edge tools should be carefully sharpened, the

THE HOME GOLD CURE.

An Ingenious Treatment by Which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liqueur Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES! CURE YOUR HUSBANDS! CHILDREN, CURE YOUR FATHERS! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be taken in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this precious remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in tea or coffee and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading improvement. Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more valuable than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid by any part of the world on receipt of One Dollar. Address Dept. C740, EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

All correspondence strictly confidential.

MOTHERS, DO YOU KNOW

the many so-called birth medicines, and most remedies for women in the treatment of her delicate organs, contain more or less opium, morphine and strychnine?

Do You Know that opium and morphine are stupifying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not take internally any medicine for the pain accompanying pregnancy?

Do You Know that Mother's Friend is a celebrated prescription and that it is in use over forty years, and that each bottle of the genuine bears the name of The Bradford Regulator Co.?

Do You Know that when you use this perfect remedy during childbirth or throughout the entire period of gestation that you will be free of pain and bear healthy, clever children?

Well, these things are worth knowing. They are facts. Of druggists, \$1.00. Accept no substitute. Our book "Motherhood" free.

THE BRADFORD REGULATOR CO.,

ATLANTA, GA.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

broken harness mended, fences repaired and replaced, and everything placed in readiness for use when required.

No tool, vehicle or implement can stand the ravages of the weather and retain its usefulness any length of time. A coat of paint on your wagon will not only add to its attractiveness, but will prolong its life. The same may be said about the farm house. Given a fresh coat of paint every two years, and little repairs as needed, the house will last for years, and will always present a fresh, attractive appearance. The loss occasioned by carelessness in the care of tools is a great item in the expense of farming. Yet it is one that could be largely reduced, if the farmer would devote the proper amount of time and attention to it.

Make it a rule to see that everything is under shelter when not in use. It does not pay to be careless in any line of business, especially farming. Franklin's motto can be twisted around to read: "If the farmer will take care of his farm (and this means everything on it), his farm will take care of him."

MANY WONDER.

Many wonder how it is that pin worms and stomach worms get into children, or how a tape worm, 300 feet long, can get in and exist and grow inside of a man, as it sometimes happens. They may well wonder, for it is a great mystery. However, many now know from experience that Mother's Worm Syrup will rid one of intestinal worms and greatly improve the health after the worms have been destroyed and expelled. It is absolutely a harmless remedy to take, and as it only costs 25 cents, all should try it who suspect worms to be the cause of their ill health.

HOW TO PREPARE MANUSCRIPT.

In preparing manuscripts use plain white paper and good black ink. Don't use paper that is flimsy or transparent or so spongy that the ink is likely to blur, nor sheets that are different sizes or that have been torn out of a notebook and left with the rough edges untrimmed. The two sizes of sheets that are most generally used are commercial note and letter paper. If you have to send out hand-written copy never write it in pale ink or in lead pencil, or in backhand, which as a rule is extremely difficult to make out. Cultivate a round, clear, good-sized, almost vertical hand, and form the habit of leaving a wide space between the lines. Write, of course, on only one side of the paper, and if you find, near the end, that you are going to run a few lines over what you thought would be the last sheet, don't squeeze the final lines together at the bottom of the page or write them on the back of it in order to save another sheet. In both handwritten and type-written copy leave a margin of at least an inch at both sides of the sheet as well as at the top and bottom.—April Ladies' Home Journal.
