

THE TRUE DEMOCRAT.

JOHN G. COLLINS, Publisher.

PUBLISHED EVERY FRIDAY MORNING.

A Blind Tiger Arrest.

On the 24th day of June Deputy Sheriff Poppell had an affidavit made against a negro woman, Catherine Robinson, on a charge of illicit sale of liquor, but deferred arrest, hoping to hold off other offenders. The act of sale was charged as having been committed on the day named. Just a week later, July 1, the woman was seen to repeat the offense, on the street, and was arrested by Chief of Police Langston. The woman was taken to the courthouse, and being arraigned before Judge Whitfield pleaded guilty and was bound over to the next term of the circuit court.

For Sale.

SECURITY MUTUAL LIFE INSURANCE COMPANY, Binghamton, New York. CHAS. M. TURNER, PRESIDENT.

FOUR GOOD REASONS WHY YOU SHOULD CARRY YOUR INSURANCE IN THIS COMPANY.

FIRST. Because of the past record, and present standing of this company. For eighteen years its growth has been steady. Each year since the first has chronicled a gain in assets, and insurance in force, over the preceding. Quietly, without blare of trumpet, or roll of drum, it has passed upward in the path of prosperity, and showed on the first of January passed, over \$3,000,000 of Assets, and over \$47,000,000 of Insurance in force.

SECOND. It is strongest at Home, where best known. In Binghamton, where it was founded, and has always lived, it has nearly \$2,500,000 in force. This in a city of 50,000 population is remarkable, and in the State of New York, where the older companies are well entrenched, it had on the first day of January, \$13,296,975 Insurance in force.

THIRD. Its Policies are among the best in the world, and have two special features that are the very best that can be found. The Security Mutual, alone among all the companies, limits its expense of management by special contracts with its Policy Holders. In its policies it expressly stipulates the maximum part of the premium that it can use for expenses.

THE SECURITY ALONE REGISTERS ITS POLICIES and deposits the reserve under the laws of New York State. This registration law is so strict that Reserve on Registered Policies pass out of the control of the com-

pany, into the possession of the State Treasurer, and so long as the policy registered is in force, whether by premium paying, paid up, or as an extended insurance, the reserve stays in the States possession; thus you clearly see the State is, in a special sense, a partner in Carrying this insurance.

FOURTH. SECURITY is a mutual company, it cannot be bought and sold in the market. It is made up of policy holders, and operated by policy holders, for policy holders. No Mutual LIFE INSURANCE COMPANY on the Legal Reserve basis has ever failed in the United States, and they stand, as light houses, pointing the way to safe harbor and sure anchorage.
