**Strikes Hidden Rocks.**

When your ship of health strikes the hidden rocks of consumption, pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with pneumonia, under the care of two doctors, but was getting no better, when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at all druggists, price 50c and \$1. Trial bottle free.

Miss Minna Alford has gone to Cuthbert, Ga., to enter as a student of Andrews Female College.

**Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.**

A little child of Michael Strauss, of Vernon, Conn., was recently in great pain from a burn on the hand, and as cold applications only increased the inflammation, Mr. Strauss came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself, and recommend it very often for cuts, burns, strains and lame back, and have never known it to disappoint." For sale by all druggists.

Cotton and hay are now being brought to the city and sold daily, and business is looking up some.

The True Democrat office finished last week the publication of the minutes of the Florida Baptist Association, held last fall.

**Chamberlain's Cough Remedy Acts on Nature's Plan.**

The most successful medicines are those that aid nature. Chamberlain's Cough Remedy acts on this plan. Take it when you have a cold and it will allay the cough, relieve the lungs, aid expectoration, open the secretions and aid nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. It counteracts any tendency of a cold to result in pneumonia. Price, 25 cents. Large size, 50 cents. For sale by all druggists.

**Not the Home Comfort Range Co.**

A recent issue of the Madison Recorder contained a strong caution addressed to its readers denouncing "stove and range peddlers," "now making their tours through the country," and advising the people to "let them severely alone."

We don't know just what "stove and range peddlers" the Recorder referred to as no name was called, but we do know that it could not possibly have meant the Wrought Iron Range Company of St. Louis, manufacturers of the "Home Comfort Range." This company received from the judges at the Louisiana Purchase Exposition at St. Louis the only grand prize awarded for the excellence of its ranges, and its representatives have sold large numbers of them in this vicinity. Tallahassee is the headquarters of the general agency, under the management of Mr. A. G. Reynolds, one of the nicest and most gentlemanly business men we have ever had dealings with.

The "Home Comfort" Range is all right, and so are its representatives here, and if some other concern is operating in Madison county, and has incurred the displeasure of the Recorder, it certainly, as we have said, can not be the Wrought Iron Range Company. That company stands high all over this country and invites all interested, to write any banking institution or commercial agency where they are known as to their reliability, etc. Every range is sold with a binding guarantee, and every range placed gives complete satisfaction.

**TESTIMONIALS.**

Havana, Fla., August 7, 1905. This is to certify that I purchased a Home Comfort Range 16 years ago and used it 12 or 14 years when my house was burned down on the range; but to my great surprise I found the body of the range damaged but very little. I used the Range on for a long time, everything in good order. A few months ago a Home Comfort Steel Range salesman drove up to my house and I bought one of the Improved Steel Ranges and it gives perfect satisfaction. Don't be afraid to buy a Home Comfort Steel Range. H. M. WOMACK AND WIFE.

Bingen, Ga., July 26, 1905. This is to certify that I have used the Home Comfort Range for 16 years. It cost me one joint of pipe. I think the Home Comfort Steel Range is the finest range made. It gives me perfect satisfaction and is in good order to-day. MRS. TAYLOR.

Concord, Fla., July 25, 1905. I can't say too much in favor of my Home Comfort Range. It gives me perfect satisfaction. I would not take one hundred dollars for it if I could not get another one. MRS. E. M. SANDERS

Tallahassee, Fla., Aug. 15, 1905. Wrought Iron Range Co.: I take pleasure in recommending your Home Comfort Range. I have used two of them and would not have any other range. They are worth twice what they sell for. MRS. L. J. JOHNSON.

Concord, Fla., July 25, 1905. Wrought Iron Range Co.: I am sure proud of my New Home Comfort Steel Range. It is the finest baker and fuel saver I ever saw. My daughter says she would not take one hundred for it, so you see the Comfort it gives to our family, and I am proud of it. J. H. GEAY.

Havana, Fla., Sept. 9, 1905. I am proud of Range. It surely is a Home Comfort. I don't see how I could

keep house without it. I would not take twice what I gave and go back to the old cast iron stove. It is some pleasure to cook on a Home Comfort. MRS. J. M. MILLER.

The laxative effect of Chamberlain's Stomach and Liver Tablets is so agreeable and so natural you can hardly realize that it is produced by a medicine. These tablets also cure indigestion. For sale by all druggists.
