

KIDNEY TROUBLE DUE TO CATARRH.

The Curative Power of PE-RU-NA
in Kidney Disease the Talk
of the Continent.

Nicholas J. Hertz, Member of Ancient
Order of Workmen, Capitol Lodge, No.
140, Pearl Street Hotel, Albany, N. Y.,
writes:

"A few months ago I contracted a heavy
cold which settled in my kidneys, and each
time I was exposed to inclement weather
the trouble was aggravated until finally I
was unable to work.

"After trying many of the advertised
remedies for kidney trouble, I finally
took Peruna.

"In a week the intense pains in my
back were much relieved and in four
weeks I was able to take up my work
again.

"I still continued to use Peruna for an-
other month and at the end of that time
I was perfectly well.

"I now take a dose or two when I have
been exposed and find that it is splendid
to keep me well."

Hundreds of Cures.

Dr. Hartman is constantly in receipt of
testimonials from people who have been
cured of chronic and complicated kidney
disease by Peruna. For free medical ad-
vice, address Dr. Hartman, President of

The Igorrotes having learned to
read English, no long time could
elapse until they should have encoun-
tered these words:

"It was a soft, clinging stuff, that
accentuated rather than concealed
her charms."

A young maid of the tribe saw them
first.

"Mother," said she, "what was the
stuff the young lady was clothed in?"

The elder woman confessed herself
perplexed.

"Possibly it was coal soot," she
ventured, recalling the wonderful
tales told by those adventurers who
had gone out to St. Louis many, many

BABY ONE SOLID SORE

Could Not Shut Her Eyes to Sleep—Forty
Boils on Head—Spent \$100 on Doctors
—Baby Grew Worse—Cured by
Cuticura For \$5.

"A scab formed on my baby's face,
spreading until it completely covered her
from head to foot, followed by boils, hav-
ing forty on her head at one time, and
more on her body. Then her skin started
to dry up and it became so bad she could
not shut her eyes to sleep. One month's
treatment with Cuticura Soap and Oint-
ment made a complete cure. Doctors and
medicines had cost over \$100, with baby
growing worse. Then we spent less than
\$5 for Cuticura and cured her. (Signed)

LIBERTY DEAD SAYS GOMEZ

Cuban Liberal Candidate for Presi-
dent Scores Palma Regime.

IS WORSE THAN WEYLER

Says Political Coercion and Oppression
is Rampant in Islands—President
Palma Denies Allegations.

"Liberty is dead in Cuba, and the
condition of affairs there is worse
than it ever was under Spanish rule,
even in the most ferocious periods
of the Weyler government. Financial
ruin and dishonor face the people, if
things continue as they are and the
nation will be converted into one her-
editary rule."

That declaration was made in New
York Tuesday night by General Jose
Miguel Gomez, governor of the prov-
ince of Santa Clara and candidate of
the liberal party for the presidency
of Cuba, at the New Amsterdam hotel,
where he is stopping.

"I am here to rest for some days,"
he continued, "and to breathe the
air of liberty that is lacking in my
own country, and for which I have
fought so long.

"On false charges the government
assassinates the liberals, the jails are
filled with political prisoners, and we
have no hope of justice from judges
and magistrates who recognize no law
but the will of the government. We
are hindered in casting our votes and
Cuba is now suffering a reign of ter-
ror never equaled under Spanish tyr-
anny. It was such things as these
that made us withdraw from the elec-
tions. Public funds are used for elec-
toral purposes. The sanitary condi-
tion of the island is a disgrace. The
Cuban government has employed thou-
sands of men in the sanitary depart-
ment, but for voting, not working
purposes.

"It has become impossible to dare
to oppose the government without
risk of one's life and liberty. For what
is happening in Cuba the United
States government has a direct re-
sponsibility. Palma is enabled to do
as he is doing only by telling the
people every day that in case of revo-
lution or disorder the United States
would send troops to punish them
and to sustain the Palma govern-
ment.

"I believe that if the Platt amend-
ment holds the United States govern-
ment responsible for order in Cuba, it
should never be taken for supporting
the unlawful acts of the present gov-
ernment and to serve as a screen
for the commission of such acts as
have been committed against the op-
ponents of that government. It is the
duty of the United States to send
troops to punish them and to sus-
tain the Palma government.

"If the United States should in-
tervene in the matter of the elections
and insist that these elections should
be carried on it would be proved that
80 per cent of the population are lib-
eral. That proportion of the people
hate Palma and his oppression worse
than they hated Weyler, for the con-
ditions enacted and enforced are
worse than ever existed under Span-
ish dominion."

Before leaving Cuba, Gomez ten-
dered his resignation as candidate for
president in order, as he said, to give
the convention full liberty in its pro-
ceedings. Upon his arrival in New
York he was informed that the con-
vention was held last Sunday and it
decided not to accept the resig-
nation.

Untrue Says Palma.

A special from Havana says: When
shown the statements made by Gen-
eral Jose Miguel Gomez, who was a
candidate of the liberal party for the
presidency of Cuba upon his arrival
in New York, President Palma read
them carefully and returned them
with the laconic remark:

"You know very well that these
things are not true."

WILL BE SIGNED IN WASHINGTON.

Peace Treaty Will Be Ratified by Jap and
Russian Representatives at Capital.

Ratifications of the treaty of Ports-
mouth will be exchanged at Wash-
ington between Baron Rosen, the Rus-
sian ambassador, and Mr. Takahira,
the Japanese minister, as soon as
these important documents are re-
ceived from St. Petersburg and To-
kio.

The ratifications will contain the
French and English texts of the trea-
ty. This was decided at a confer-
ence Wednesday between Baron Ro-
sen and Mr. Takahira.

PORTLY TAFT CANAL BOSS

War Secretary to Have Full Control
In the Digging of Big Ditch.

TO BE THE WHOLE PUSH

Will Report to No One Save President
Roosevelt—Goes to Isthmus in
November to Make Inspection.

A Washington special says: Secre-
tary Taft will sail on a naval vessel
from New Orleans for Panama about
November 1. It is not his intention
to remain very long on the isthmus,
his main object being to talk with
Governor Magoon and Engineer Ste-
vens and to look over the situation
as it now exists in the way of con-
struction and preparation.

At the conference with the resi-
dent engineer when it was decided
to leave the administration of the can-
nel in the war department, Secretary
Taft made it plain that if he was to
have the responsibility for the canal
he would be supreme in its man-
agement, and there would be no in-
termediary between himself and the
president.

The secretary will take absolute
charge of all the important business
transactions regarding the construc-
tion and its management, operating
through the isthmian commission.

A dispatch from Colon says: The
members of the advisory board of the
consulting engineers of the Panama
canal devoted the whole of Monday
to an examination of the Empire-
Culebra cut, going over the ground
and inspecting the dumps and the
work already accomplished and now
in progress.

The party of engineers, at the same
time, went to Panama to re-examine
the district around LaBoca and other
matters at the Pacific terminus of the
canal. Later in the afternoon the party
went to the canal offices at Pana-
ma, where they examined the canal
papers, charts and plans, more espe-
cially those bearing on the localities
recently visited.

All the visitors are in good health
except that they have been annoyed
by the bites of grass lice.
