

THE STATE SAVINGS BANK OF TALLAHASSEE.

(Patent applied for)

IMPROVED POCKET SAVINGS BANK.

Don't you want to start a bank account? Would'nt you like to have one of these little improved pocket savings banks to help you to save your nickles and dimes? It is so arranged that you can deposit half a dollar or smaller coins. It is of a size convenient to carry in the vest pocket or a ladies hand bag. It is always ready to help you resist the temptation to spend money. We want an account with everybody in this vicinity.

We furnish one of these banks free to everyone who will deposit one dollar and promise to open an account with us within thirty days from receipt of bank. These banks are delivered to you locked and can only be opened by us.

You would be surprised to know how much money you can save in five years by taking care of your small change and depositing in a savings bank.

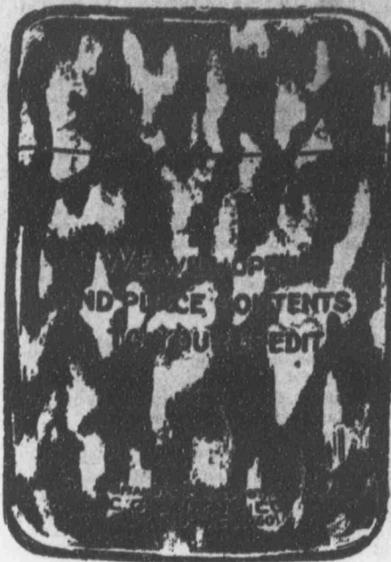

It is not wise to save money by keeping it in the house, because there is danger of loss by thieves and fire, and besides it is not making anything. But place it with us and it is earning something. We pay 3 per cent interest on all deposits of One Dollar and upwards. Interest periods are first days of April and October.

Below we give a table showing how savings will accumulate in five years, computed on a basis of 313 working days in the year, at 3 per cent interest.

	Am't deposited.	Interest earned.	Total am't
10c per day for 5 years	\$156.50	\$11.14	\$167.64
20c per day for 5 years	313.00	22.28	335.28
25c per day for 5 years	391.25	27.85	419.10
30c per day for 5 years	469.50	33.42	502.92
50c per day for 5 years	782.50	55.70	838.20
100c per day for 5 years	1,565.00	111.40	1,676.40

The capital stock of the savings bank is \$20,000.00 with individual deposits amounting to \$350,321.19

Your business with us will be held strictly confidential.

Iamonia News.

August 13.—Mr. and Mrs. G. W. Trice were pleasant and welcome visitors at Dogwood, the home of Mrs. Trice's parents, and also at Mr. and Mrs. J. M. Ferrell's, near Metcalfe, Ga., last week. Mr. Trice had been to Thomasville, looking for a place to establish a home.

On Friday, the 10th instant, Mr. and Mrs. G. T. Brown had the good luck to enjoy a genuine "fish fry" given by Dr. and Mrs. E. E. Strickland, with Mr. and Mrs. T. P. Strickland, in honor of Dr. Daniel McMullen, of Largo, Fla. Dr. McMullen was a room-mate of Dr. Strickland when he graduated in Atlanta about two years ago, and was visiting the latter. The spread took place at the Basin on Lake Iamonia, and the weather was quite favorable, the air being kept cool by gentle breezes. We had plenty of fish, even leaving some. Some of the men donned their bathing suits and took a bath in the lake at the "spring board." The names of the others who dined with us were Miss Louella Blair and Mr. and Mrs. T. P. Strickland's children, Master Willie and the wee Misses Mamie and Gussie.

There were three other distinct groups who picnicked at the Basin the same day. The majority of these came from "over the river," but, besides our crowd, we saw from the Bethpage neighborhood Messrs. Dick Doss, Blount Strickland and Alex Blair. All enjoyed themselves, as we believe, to the fullest extent.

Crops on the lake are looking very sorry and some cotton badly choked up with grass. Cotton is opening and some farmers have begun to pick.

The district conference of the Thomasville district, Rev. E. J. Cook, presiding elder, will meet at Metcalfe on tomorrow, the 14th instant.

The breeze of railway talk has sprung up again in our section, but we have been "fooled" so often that we pay very little attention to it.

Mr. Tom Whitfield has erected a saw mill on the land of Mr. Joe Blair, near Bethpage, and will saw up some of Mr. Blair's timber. He expected to begin sawing this week.

Miss Garland, from Whigham, will begin to teach the Bethpage public school on the 27th instant. This school is in Grady county, Ga.

Mr. J. H. Harvin is quite sick at his home near Meridian. We wish Henry a speedy recovery.

Mr. A. R. Sessions is troubled with rheumatism in one of his arms.

Mr. J. R. Jones has been visiting in our neighborhood during the past two weeks.

Mr. A. C. Dickey and two sons, Willie and David, went on an excursion to Savannah last week. Arthur says it was a "little warm" in Savannah while he stayed there. He took a "dip in the briny deep," and seems to have been very much impressed by the bathing suits, so-called. While these suits were "wide out" enough, they were not "high down" enough.

Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burned in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result: "a quick and perfect cure." Greatest healer on earth for burns, wounds, sores, eczema and piles. 25c at all druggists.

Mr. Eugene Duval is off in the Northern and Eastern markets laying in fall and winter goods for the mammoth Buval Bros.' business of this city. The True Democrat will go to him while absent.

The intense itching characteristic of salt rheum and eczema is instantly allayed by applying Chamberlain's Salve. As a cure for skin diseases this Salve is unequalled. For sale by druggists.
