

**THE TRUE DEMOCRAT.**

PUBLISHED EVERY FRIDAY MORNING.

**DELICIOUS PERFORMANCES.**

The Tallahassee Dramatic Club gave their first play, entitled "A Country Kid," at the Opera House on Tuesday evening to an exceptionally large audience.

The play throughout was simply fine, and each member displayed to a great advantage their various talents. There was no hitch throughout the entire performance, and the audience was kept in an uproar all evening.

While the play contained much comedy, there was also several dramatic scenes, and the nerves of the audience were held at the finger tips moving at the will of the players. Now intense anxiety as to what the next move would be and again uproarious laughter at the comical actions of the players.

Each member deserves great credit for the work accomplished, and can consider their success due to their own efforts, and the excellent prompting of Mr. Guyte McCord.

Following is the admirably rendered cast:

- Reuben (The Country Kid)..... Bradford Byrd
- Frank Blandon, The Villain..... Edwin S. Blake
- Tom Cunningham, the Prodigal Son..... Harry Pearce
- Zebun Cunningham, The Farmer..... C. G. Puleston
- Bill Taylor, The Tramp..... P. G. Russell
- Jim Jones, The Tough..... Clyde R. Miller
- Sheriff, With badge..... Ethel O. Miller
- Mary Blandon, The Pacifier..... Ethel Biscoe
- Mariah Cunningham, The Farmer's Wife..... Cassie A. Sweeting
- Chick, The Farmer's Daughter..... Ethel Biscoe

The specialties were excellent. The members of the Club will give their next performance after the holidays.

After the play was over, the members were favored with a delightful supper at the home of Miss Ethel Miller.

**A Runaway.**

Wednesday the horse of Messrs. Gregory & Darr, which had been tied to a fence on West Clinton streets, became frightened and ran away, taking to the sidewalk and coming up the street until the vacant lot owned by W. D. Wilson was reached. Here his horsehip stopped bridgeless, and with only the shafts and two front wheels hanging to him. He was here caught but in attempting to place the bridle on him, he made another start, throwing the shafts and two wheels across Isaac Jenkins fence, fell himself, but regained his feet and made another dash, and was going at full speed the last the gathered crowd saw of him. The cement paving along the sidewalk he ran over stood the test well, and speaks volumes for the work done in that line by Childs Bros., scarcely a scratch being visible on it, and the horse with a piece of battered-up wagon was dealing it substantial licks all the way up. Besides a badly smashed wagon and some breaks in the harness, no damage was done.

B. Grimmer, one of the many vocalists of the company. Mr. Grimmer is this year winning many press encomiums for his good work, and his many friends are sure to be pleased to hear of his good progress.

G. W. Fouts, postmaster at River-ton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years."
