

# Rheumatic Pains

"My mother is a great sufferer from rheumatism, and Dr. Miles' Anti-Pain Pills is the only remedy that relieves her."

MRS. G. DAVENPORT,  
Roycefield, N. J.

The pains of rheumatism are almost invariably relieved with Dr. Miles' Anti-Pain Pills. They also overcome that nervous irritation which prevents sleep because they soothe the nerves. To chronic sufferers they are invaluable. When taken as directed, they relieve the distress and save the weakening influence of pain, which so frequently prostrates. Many sufferers use them whenever occasion requires with the greatest satisfaction, why not you? They do not derange the stomach nor create a habit. Why not try them? Get a package from your druggist. Take it according to directions, and if it does not benefit he will return your money.

## UNDER SURGEON'S KNIFE.

One of the Messrs. Culpeppers Must Go on the Operating Table.  
(Bradentown Journal.)

After nearly three weeks of labor, the two Culpeppers, father and son, leave Bradentown. They have preached fearlessly, yet lovingly, have told us of our meanness and how to get rid of it, and they have been the instruments in the hands of God of stirring this community as it has never been stirred. They have endeared themselves to every man, woman and child with whom they came in contact, and the influence of their work here will remain as long as Bradentown is a town and Manatee is a county. And now as they leave us, one for his home and the other for the operating table and surgeon's knife, we bid them God's speed. Our prayers will follow them and our hope will remain, that this, their first visit, is only the forerunner of many to come.

Miss Mary Cherry, of Seneca, S. C., who has been the guest for several months past of Governor Gilchrist and Mrs. Gibbes at the Executive Mansion, will accompany Mrs. Gibbes back to South Carolina.
