

State College for Women.

(Recital by Miss Clark Farrington.)
On Thursday evening, October 28th, Miss Clark Farrington, of New York, now of the music faculty of the State College for Women, will give the first of a series of violin recitals. Miss Farrington has had wide experience on the concert stage, and following are some opinions of her work by the press:

Miss Farrington is a young woman of exceptional gifts. She has a wonderfully developed technique, a big full tone, and blessed with what the world calls temperament, because there seems to be no better word to describe what is a combination of musical warmth and imagination. — Musical Courier, New York.

Miss Farrington is a violinist who is too seldom heard in local concert rooms. She produced a tone of such breadth, solidity and pure and fine quality, displayed a firmness and agility in bowing and employing a well-developed technique with such surety in the most involved passages that the artistic results she obtained greatly promoted the pleasure derived from her undertakings. — Newark Evening News.

Miss Farrington is a violinist of marked ability. — Philadelphia Bulletin.

The violinist, Miss Clara Farrington, had a very fine bow arm and a remarkable G string tone. Her playing was scholarly and in the Wienawski Polonaise Brilliante she mastered the passes in the romantic virtuosity with consummate ease. — Harford Telegram.

The violin solos gave intense pleasure and were played with concerted romantic passion. None but an artist could emulate the far-reaching brilliancy of timbre that convinced the ear and captivated the soul. Miss Farrington possesses that power for drawing from the audience a reflection of the emotions which her interpretation would suggest. — Oakland (Cal.) Tribune.

Miss Farrington will be assisted in this recital by Miss Sarah Yancey Cline, soprano.

The music lovers of Tallahassee are cordially invited. College Chapel 8:15 p. m.

Woodville Notes.

Woodville, Fla., Oct. 20, 1909.

Editor True Democrat.—Notes must not fail to mention the great commingling in one common brotherhood of the Beula Baptist Association here a few days ago. The differentiation of this people and the Missionaries are but little. They still wash feet and their preachers still work out in the week and preach on Sundays. Your scribe remembers with great pleasure the same meetings of the Hardshells of long ago—other churches have absorbed those people by now up in old Georgia. To say, in the old time, they were strictly honest would mean the truth. They were satisfied with little of riches and to love their neighbor as themselves was a cardinal virtue with them. They of today still lead a "simple life," but are more advanced and are better educated, therefore do not decry and belittle the efforts of other Christian workers. Here were delegates, preachers and members from fifteen churches; some coming a long distance, being much devoted to their church work sure I sure! The people here gave all a hearty welcome and lots to eat. Revs. Revells, Russell, Scarboro, Caraway and others preached some excellent old-fashioned sermons, dwelling on the moral as well as the spiritual nature of man, all edifying and helpful to everybody. Let all look joyfully ahead with praise and thanksgiving.

We rather thank you very much for your efforts in infusing some new life in this section for better railway facilities, for deepening old St. Marks harbor and other good movements whereby this glorious undeveloped and sunshiny country could be made to blossom as the rose.

Now, just say to everybody that we must have a great "boulevard," a trolley line, automobile track, in fact, a great roadway between Tallahassee and St. Marks. Your poor scribe will give the first ten dollars as a starter to aid in this great but easy work, via Woodville, Wakulla, Waneta, the great Northern Colony town, and on to St. Marks' deep water port. Sleepy heads get out of the way.

Mr. B. H. Daniels, of Mt. Pleasant, has moved here and will get busy in helping in a very much needed enterprise here—a grist mill and ginnyery. He occupies the Mrs. Williamson house.

Mesdames G. W. Rhodes, Wm. Langston, Ross Rhodes are visiting Mrs. J. L. Thomas today.

Uncle Ferd. Williamson, Mr. P. D. Lewis and Rev. Pace, who is on a visit here, went fishing at Mission Pond yesterday.

Young Mr. O'Neal is here at present, maybe to take a look at the girls.

Misses Sallie and Ida Russ, of Wakulla county, and Mary, Pearl and Gladys, daughters of Mr. G. E. Russ, are boarding with their aunt, Mrs. Leonard. They entered the high school yesterday. Miss Bessie Gibbs came a week ago.

Deacon J. W. Barrow and Miss Vada Horton were married recently. The ceremony being performed in the Capital City, whither they had gone to have the knot tied. At home to their friends here.

Mrs. Garner and daughter and Miss Page spent last week with Mrs. Bud Rhodes.

Rev. W. E. Dorsey, Rev. Sheppard, and Rev. Pace have just closed a week's meeting at the Methodist church here. All who heard them were helped by their good, earnest and inspiring preachings.

"Follies," the new and fascinating game, sold only at Nicholson's, \$1.50 per game.

FOR economy in the table expenses increase the amount of Quaker Oats; eat it at least twice a day. It does more than other foods and costs only a fraction as much.

Iamona and State Line News.

Messrs. Joe Blair and H. B. Strickland went to the "bay" last week.

Bethpage Epworth League had another regular meeting last Sunday afternoon: the president, James Dickey, led the service.

Mr. A. J. Strickland is confined to his rooms by sickness at his home. He is threatened with paralysis in the left side. He has to stay in bed. We hope he will soon get over the attack.

It is said that little Miss Gussie Strickland will be able to leave her room in a few days.

Mrs. Walter Wilson, of Thomasville, is visiting her father, Mr. A. J. Strickland, this week.

G. B. Strickland, only son of "Uncle Jack," was digging potatoes yesterday when we went to see latter. He was getting some nice ones.

Prince Comer is not a prince because royal blood runs in his veins, but he is a colored citizen of Hinson, Fla., and the prince of well diggers. Send for him when you have a well which no other man will go down. He cleaned out ours, and it is seventy feet deep.

ACTUAL STARVATION

The Hardee-Smith Drug Co. Give Facts Regarding Dyspepsia.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and how to obtain relief. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

Dieting cannot cure dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.

We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to every one who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one who is troubled with indigestion or dyspepsia in any form to come to our store and get a box of Rexall Dyspepsia Tablets. Take them home, and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, almost immediately relieve nausea and stomach irritation, produce healthy digestion and assimilation, and promote nutrition.

A 25-cent package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases this is sufficient to produce complete relief. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases we have two larger sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Tallahassee only at our store—The Rexall Store—The Hardee-Smith Drug Co.

Indigestion.

With its companions, heart burn, flatulence, torpidity of the liver, constipation, palpitation of the heart, poor blood, headaches and other nervous symptoms, sallow skin, foul tongue, offensive breath and a legion of other ailments, is at once the most widespread and destructive malady among the American people. The Herbine treatment will cure all these troubles. 50 cents bottle. Sold by Hardee-Smith Co.

FOLEY'S KIDNEY PILLS
FOR BACKACHE, KIDNEY AND BLADDER

Women Suffer Agonies from Diseased Kidneys
And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—no gritty, alcoholic, liquid pre-

parations are apt to do. E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail post-paid. Do it to-day.

The Starr Pianos are used and endorsed by such musical celebrities as Marie Cahill, Sylvia Hein, Rose Melville, Francis Macmillan, Sig. Vincenzo Stea, pianist, B. Zitzmann, Signor Creatore, Herr Richard H. geman.
