Our old time friend, Sylvester Hale, came in from Greer last Saturday with a load of finest tubers, raised by him in the Lee Valley. These potatoes, of course, have the flavor peculiar to the White Mountain country, none better, and when one eats them he naturally drifts into the dreamy silence of the pines while his blood gathers fresh life from the zone in the vegetable.

The engagement of Miss Inez Ruiz and Mr. Ramon Martinez, to wed at an early date, is announced. These are two of the well known and highly respected young people of the County, both having been reared here, the bride-to-be in St. Johns, and the groom in Concho.

Isaac Barth, Esq., came over from Concho last Saturday on private business, and remained here until Sunday evening. The old habit of electioneering was squelched as far as possible while he was in our midst. Mr. Barth has an important case in the district court in Phoenix, the 11th inst.

Mr. Juan Candelaria of Springerville came over from Concho Monday and continued to his home in the Valley Town, after arduous labors electioneering for his favorites.

**Twenty Minutes
Time Enough?**

To Cure the Worst Headache From Any Cause—New Reduction Method.

Most headaches and pains yield instantly to the new Reduction Method—Dr. Shoop's Twenty Minute Headache Cure. The cause for these pains is congestion—a rushing of blood to the nerve centers—which distends the veins to nearly the bursting point. Swollen and enlarged, these veins and capillaries exert an irritating pressure on the myriads of nerve branches and fibres. Then there's a pain, and finally that excruciating, ceaseless ache. This new Reduction Method disperses the blood, distributes the overflow, and directs it to the proper channels. It frees the nerve centers from all pressure and irritation—the pains and aches disappear because their cause has been removed. You may try a thousand remedies—you may drug and stupefy the nerves—but the remedy which brings prompt relief and permanent cure will be successful because it reduces the congestion—it must embody the Reduction Method. Medicine has thus found a way—simple and sure, yet the only way—to thoroughly overcome these attacks of Headache and Neuralgia. The effect of Dr. Shoop's Twenty Minute Headache Cure is prompt—perfectly suited to all forms of Headache and absolutely positive in every temperament. For sale and recommended by
