Postmaster, C. Scheele has received word from the Post office department at Washington that he is to continue as postmaster for St. Johns. Mr. Scheele immediately sent in an order for a complete equipment of boxes, etc. and they will arrive soon.

The appointing of a postmaster for St. Johns has been hanging fire for a long time, and the accommodations at the postoffice—since the burning of the Schuster store—have not been the best as Mr. Scheele did not feel like going to the expense of ordering new equipment until the matter of appointing a postmaster was settled, but now the public can expect better accommodations and better service.

ARIZONA STATE FAIR

The time for the annual Arizona State Fair is drawing near and the farmers of this valley, as well as women should not let any time slip by in preparing their exhibits that are to be sent to the State Fair from Apache County.

Many good exhibits can be made from the different sources.

Although St. Johns met with a very bad calamity last April in losing the Lyman reservoir, many good exhibits can be made from the different dry farm products raised here in St. Johns, and we know that our neighbors on the South can bring forth many fine exhibits of grain, potatoes, apples etc. So let us put forth our best efforts to make Apache county shine at the State Fair this year.

In our opinion the State Fair offers one of the best opportunities for the advertisement of our county and we also believe that it is the duty of everyone—who has raised anything—to make an effort to get it to the Fair and there have it exhibited, thus advertising the many good things that are raised in our County. The advertising that a county and state receives from its fairs cannot be estimated, it reaches into the thousands.

Farmers should get busy and make exhibits of their crops grown. The ladies should get together and make exhibits of fancy work, culinary and pantry work etc.

Fine exhibits can also be made of flowers as there are many fine varieties, and we know that there are some rare ones grown in Apache County.

Every one should try and help make the State Fair a success, both by sending in exhibits and also by attending same.

The Arizona State Fair will be held in Phoenix, November 15th to 20th. There is no time to lose, so, get busy.
