Quite a number of our town people went to Springerville to spend the 4th, but St. Johns had a good celebration just the same.

Mr. and Mrs. Ward Heap and baby and also Parley Heap arrived home from Los Angeles, Cal., last Friday.

The Board of Supervisors met in regular session Monday, but adjourned the same evening until after the celebration of Independence day.

The editor went to Springerville yesterday to take in the last day of the big celebration at that place and the 'devil' is just recovering from a 'high lonesome.' O well, the Fourth only come once a year any way.

## BIG CELEBRATION.

The Fourth of July was celebrated in grand style in St Johns this year.

As the sun rose over the eastern horizon the peaceful slumbers of the inhabitants of St. Johns were disturbed by the terrible cannonading that thundered over the valley. At nine o'clock a parade was formed headed by the St. Johns Band and the main streets of the city were paraded.

At ten o'clock a beautiful program was rendered at the academy and greatly appreciated by the large audience present. Every number was rendered in an excellent manner and the spirit of true patriotism prevailed.

The afternoon was given over to sports of various kinds, races, boxing bouts, wrestling, etc. In the evening a big dance at the Overson Hall was the closing event of one of the most successful fourth of July celebrations that has ever been pulled off in Apache county.

## Constipation and Indigestion.

"I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere. Adv.

## Will Lecture on Prohibition.

President Andrew Kimball of the St. Joseph Stake will by appointment speak upon the interest of the Amendment to the Constitution, Prohibition, on the dates and the places named below:

St. Johns, Sunday July 9th, Monday evening at Eagar, Tuesday at Springerville, Thursday at Holbrook, Taylor Friday and Sunday at Snowflake.

This is one of the most important things confronting the people of the state at the present time and should be of vital interest to every person in the state. Show your interest by being present when he speaks upon this all important subject.

Mr. Orville Martin of Adamana was in the city this week. He was returning from Springerville where he attended the Fourth of July celebration.

Mr. Geo. A. Olney, candidate for governor of Arizona together with W. W. Pace and W. T. Webb were in the city this week holding meetings and talking with the people of St. Johns and Apache county. The meetings were largely attended and no doubt the many good things said had their weight with the people of our town, for we find that there are quite a number that think that perhaps Mr. Olney is the proper man for the place. The gentlemen who are with Mr. Olney are very enthusiastic in the work of trying to get Mr. Olney nominated for Arizona's next governor and in our opinion they are in a fair way to make good at their work. Mr. Olney stands for equal taxation, economy in all public institutions, the extension of public roads, the enacting of laws for the protection of the Live Stock Industry, a good efficient National Guard, and that the lands not actually needed by the Indians be opened for entry, also in favor of the laboring man realizing to the fullest extent the rewards of his labor.

## Taking Big Chances.

It is a great risk to travel without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as this preparation cannot be obtained on the trains or steamships. Attacks of bowel complaints are often sudden and very severe, and everyone should go prepared for them. Obtainable everywhere. Adv.

Father Derichemont spent the first part of the week at Springerville.

FOR SALE—A good milch cow. For further particulars call or write, H. C. Overson, St. Johns, Arizona.

James L. Hubbell, representing the Frank A. Hubbell Co. was in the city this week, and states that he is now taking salt out of the Salt Lake and is ready to furnish the public with any amounts. See their ad in another column.

## Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. Obtainable everywhere. Adv.
