### LOCAL NEWS

It is easy finding reasons why others should be patient.

Isn't it aggravating to go to the movie when it doesn't move?

C. C. Naegle is in the city for a few days visit with his family.

J. L. Danley left yesterday for Holbrook for the purpose shipping his lambs.

Fred Nielson and wife were in from their ranch at Richville Tuesday, with a fine load of spuds.

Thomas Campbell, republican candidate for Governor of Arizona speaks today at the academy.

A couple of carloads of republicans left for the south end of the county Tuesday. Mostly vote seekers.

A. S. Gibbons and others of the democrats were at Concho Tuesday returning during the night. Politics of course.

Judge George H. Crosby is again in the city after an absence of several days spent in the south end of the county.

Attorney T. G. Norris of Prescott is in the city. He is here attending to matters pertaining to Lyman Reservoir, etc.

E. Michelson the Monumental workman is in the city doing and getting work to do. He is quite a frequent visitor to the cemetery.

Mrs. May Wilson returned last Friday from Adamana where she has been attending her father F. D. Rudd, who has been seriously ill.

Fred T. Colter, candidate for State Senator spent the latter part of last week here, attending to matters of business and doing a little canvassing for votes.

A. E. Johnson, Dr. Bouldin, Hyrum Jones, M. O. Poulson, W. C. Nichols and J. W. Johnson returned from their hunting trip. They report an unsuccessful hunt.

Art Saunders spent a day or so in town this week. He is a very busy man just now, what with his running for supervisor of the county and his big stock interests to look after.

James N. Overson and Lyman M. have returned from Gallup, New Mexico where they went to visit with their brother, Ove E. Overson of that city, they say that Ove E. is getting along fine and that his chances seem to be very good to be elected State Representative.

Chas. Crosby son of the late George H. Crosby, Sr., passed through St. Johns Saturday en route to his home at Eagar, Charley was returning from St. George, Utah, where he had been to attend the funeral of his father. He reports that he was the only one of his children that arrived in time to attend the funeral.

Dr. Frank Brown received a letter Monday from the State Medical Board informing him that he had been successful in his examination before that board some two or three weeks ago and that his Diploma, granting him license to practice in the state of Arizona would soon be forwarded to him. Dr. Brown's many friends are pleased to learn that he has been successful and all are now wishing him continued success in his practice.

Just a word about a new court house. A county that hasn't faith enough in itself to build a creditable building can hardly expect other people to have faith in it. The HERALD has always had all kinds of faith in Apache County and in its future. It believes that it could support twenty times the present population with just the agricultural and timber resources alone, to say nothing of its coal beds. We sincerely hope that the people will not vote against the bond issue for building the new court house, for it would be a verdict that we ourselves do not believe in the county's future enough to add sixty-five cents per thousand dollars to our annual taxes for erecting a building that we need so badly.

Messrs W. H. Gibbons, Isaac Isaacson and John T. Patterson members of the committee who were appointed to look after the matter of the bond issue for a new court house just returned from a trip to the north end of the county and report that the people out in that section are quite enthusiastic over the proposition, all thinking and knowing that we need a court house. From all appearances the bonds will carry throughout the county.

The Hot Springs Herald is the most recent affair in the newspaper line that has reached our exchange table. It is a neat four column and consists of eight pages and is published at Hot Springs, N. M., by Reamer Ling, former Superior Judge of Apache County. Success brother.

### Springerville News.

Guy B. Rencher, Forest Ranger was here the first of the week. It is reported that he has purchased a "fiver"—what's doing Guy?

Only 14 Republicans registered as "Republicans" in Springerville—that's not saying how many are going to vote that way and the Independent ticket is going to get a bunch of votes also.

### How Catarrh is Contracted

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere. Adv.
