### LOCAL NEWS

Snow.

Real Christmas weather.

A bright baby girl arrived in the home of Mr. and Mrs. Jos. Burgess last week.

Mr. and Mrs. Lloyd Tyler are the happy parents of a sweet little Miss. She came to their house last Friday.

Attorney J. E. Crosby was up from Holbrook on Tuesday on legal business before the superior court here.

Mr. and Mrs. Alma Davis are the proud parents of a great big (11 pound) boy, who arrived at their home one day last week.

The Merchants & Stock Growers Bank, of Holbrook, was appointed special administrator of the Nasif Tamer estate by Judge Crosby sitting in chambers Tuesday. The bail was set at \$40,000 which was quickly given. Rumor has it that there are quite a number of claimants to the estate, and some litigation in settling it up is being predicted.

Rosabelle Helm was granted a divorce from her husband, Joe Davis Helm, in the superior court Wednesday. Mrs. Helm was formerly Miss Bell Hall of Eagar, and she met and married her husband in Vernal, Utah while on a visit there ten years ago. Mrs. Helm was granted the custody of the couple's only child, a daughter.

The local dramatic people playing under the leadership of Frank M. Whiting are at Eagar this week presenting three of the plays that were recently presented here; as follows: "Isabel" The Pearl of Cuba. A Texas Ranger, and The Sale of God's Cathedral.

Miss Eudora Miller, principal of the school at Lakeside, Navajo county, is a holiday guest at the home of her sister, Mrs. George H. Crosby, Jr. Judge and Mrs. Crosby met her at Snowflake Saturday evening last and brought her to St. Johns on Sunday.

The superior court of this county was recently reversed in the case of the State vs D. B. Baca who was convicted last December of attempting to import an automobile load of whiskey into Arizona. Mr. Baca was intercepted in New Mexico before he got across the line by Sheriff Hamblin and Deputy Trammell. The reversal was because of a defective indictment and because the evidence did not show that any part of the offense was committed in Apache county. The cause was not permanently dismissed, but was remanded for further proceedings in the local courts.

### GRIM REAPER. Henry Butler, Aged Pioneer, Passes to the Great Beyond.

Sunday evening, December 24th Henry Butler, an aged pioneer, died at his home in Eagar. He was born June 15th, 1844, at Redburn, Herefordshire, England. Mr. Butler spent the larger and best part of his life in Arizona, coming to St. Johns about the year 1880, where he remained until some fifteen years ago, when he moved with his family to Round Valley. He has always been a man who tilled the soil for a livelihood and many has been the battle he has had with the elements and the many reverses that he met with were endured with patience and with a heart that was willing to try it again.

He leaves a wife and ten children to mourn for him. All of the children are married except the youngest—a girl—the children are all well respected and good men and women. Mr. Butler was always a minute man in the L. D. S. Church—in which his standing is counted among the best—ever ready to go and to do what was asked of him. He was a quiet, unassuming man, a friend to all and was ever ready to do a friendly act. His memory will long be revered by the people of St. Johns and Eagar and his family will always remember him as a kind and loving husband and father.

The funeral services were held yesterday at 11 o'clock a. m., at the Eagar Assembly hall where a large audience gathered to pay their last respect to the deceased. Many fitting remarks were made by the speakers. The remains were interred in the Hillside cemetery.

### Springerville News.

Last Saturday evening the Sunday School gave a Christmas entertainment at the Church which was largely attended and presents presented to the prominent populace. The singing was very good and was under the directed of Mrs. Winn.

Guy Rencher forgot to keep the head of his "Studie" up Christmas day and the "gol-darn-thing" bolted. None of the occupants were injured to any great extent, but we would give several thousand for the "movie" rights of the scramble to get out of the car.

If Springerville citizens live through Christmas, New Years and Fourth of July, they are safe for the balance of the year.

Rev. Miller of Presbyterian Church in Springerville has received a letter from Dr. Dixon, Secretary of the Board of Home Missions congratulating him upon his good work for righteousness. Dr. Dixon was at one time in favor of abandoning the Church here, but owing to the efforts of Mr. Miller the Church will remain in this field and Mr. Miller will be retained in the pulpit, until such time as he desires to leave.

Upon arriving at a corner west of Stansell Greer's residence about two miles from St. Johns his car was running to fast to take the sharp turn and it plunged over the embankment and turned over. #### Danger Signal

If the fire bell should ring would you run and stop it or go help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind. writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere. Adv.
