OFFICIAL PAPER OF APACHE COUNTY

MAY 17, 1917.

**The Kaiser's Prayer: or the Lat-
est Ultimatum.**

(From the Gallup Independent.)

Oh! Lord! Dear Gott! Attention,
please, your partner Wilhelm's
here,

And has a word or two to say in-
to your ear:

So send away all others now, and
listen well to me,

For what I say concerns me much
—Mineself and Chermany!

You know, dear Gott, I was your
friend, and since mine hour of
birth

I always let you rule in Heaven
while I rules o'er the earth.

And when I told my soldiers of
bygone battle days

I always split the glory and gave
you half the praise.

In every way I tried to prove my
heart to you was true,

And only took my honest share
in great deeds what you do.

You could not have a better friend
in sky, by land or sea.

Than Kaiser Wilhelm Number
Two the Lord of Chermany.

Now what I say, dear Gott, is this
that we shall still be friends

And you should help me send mine
foes to meet their bitter ends.

If you, dear Gott will, this me
do, I'll never ask again.

And you and I will partners be
for ever more, Amen!

But listen, Gott, it must be quick,
your help to me to send,

For otherwise I'll have to quit
attack and play defend.

So four-and-twenty hours I give
to make the Allies run,

Und put me right into my place—
the middle of the Sun.

If you do this I'll do my part, and
tell the world the fact,

But if you don't, then I must
think it is an hostile act.

Then war at once I will declare
und in mine anger rise,

And send mine Zeppelin ships to
wage a war up in the skies.

This Ultimatum now, dear Gott,
is one of many more,

My mind is made up chust to wipe
the whole world off the floor.

Because you was my partner once
an extra chance is given

So help at once or I will be The
Emperor of Heaven.

O. E. Overson returned from
the special legislature. He has
been appointed a captain in the
National Guard and will go to his
post at the mobilization camp at
Albuquerque about the 20th of
the month. He was one of the
three captains appointed out side
of the National Guard.—Gallup
Independent.

There is a certain brand of
young men who are doing very
little talking these noisy days.
They are merely enlisting.

Proper Food For Weak Stomachs.

The proper food for one man
may be all wrong for another.
Every one should adopt a diet
suited to his age and occupation.
Those who have weak stomachs
need to be especially careful and
should eat slowly and masticate
their food thoroughly. It is also
important that they keep their
bowels regular. When they be-
come constipated or when they
feel dull and stupid after eating,
they should take Chamberlain's
Tablets to strengthen the stomach
and move the bowels. They are
easy to take and pleasant in ef-
fect.

GREETINGS FROM AN OLD FRIEND.

In truth I'm glad to see you all
To greet you short to greet you tall:
Your old time friend return'd once more
Though once cast hated from your door.

My name? I trow there millions born
Who cheer me as John Barleycorn,
Some scorn as the Demon Rum,
As good old Scotch I'm known by some.

Yet scorned or loved you all I greet
And being here 'tis only meet
I tell to you my secrets dear
To make to all my presence clear.

One nice bright day twixt four and five
While Magdaleen was full alive,
My weariness of cellars dark
Caused me to seek some little lark.

Scarce knowing where I wished to fly
I clambered in a bag close by
And crouched there trembling, sore at heart,
Till taken to a Ford Go-Cart.

The night grew dark so on we sped,
The sheriff slept, so safe we fled,
Till drawing near the rise of sun,
We halted here, our journey done.

To you dear Friends who know me well
My fiery soul I'll gladly sell.
Mourn not I pray the price I ask;
To scrape the law is quite some task.

Besides I ween you'll get from me
Wild visions still quite new to thee.
Cold rattle snakes and lizards green
No more to claim your boots will seem.

To-day the sky alone can hold
The Phantoms of my spirits bold.
Red aeroplanes and Zeppelins flare
As roaring visions through the air.

Gus Herman.

STOP THAT ACHE!

Don't worry and complain about
a bad back. Get rid of that pain
and lameness! Use Doan's Kid-
neys Pills. Thousands of kidney suf-
ferers have used them and know
how effective they are. Here's
a Prescott case. Chas. A. Mul-
venon, Gurley & Granite Sts.,
Prescott, Ariz., says: "I was a
railroad man for several years
and the continual shaking of the
trains put my kidneys out of or-
ders. My back was so lame I
could hardly go. Bending over
was nearly impossible but when
I tried it, sharp pains would catch
me in my back. My kidneys acted
irregularly and the secretions
were unnatural. I certainly felt
out of sorts when I began using
Doan's Kidney Pills, but they
soon fixed me up in good shape.
I always recommend Doan's be-
cause I know they are all right."
Price 50c, at all dealers. Don't
simply ask for kidney remedy—
get Doan's Kidney Pills—the same
that Mr. Mulvenon had. Foster-
Milburn Co., Props., Buffalo, N. Y.

"Yes, Willie dear, I will marry
you—after the war."

A cynic is a man who believes
nothing and knows less. We have
a few.

God loves people who don't
love themselves. What's his
opinion of you?

This business of confiscating
great incomes has got our goat.
We're worried stiff.

Hats off to the patriot who goes
into the field and raises twice as
many spuds this year as he did a
year ago. We need 'em.

Road to Happiness.

Be amiable, cheerful and good
natured and you are much more
likely to be happy. You will find
this difficult, if not impossible,
however, when you are constant-
ly troubled with constipation.
Take Chamberlain's Tablets and
get rid of that and it will be easy.
These tablets not only move the
bowels, but improve the appetite
and strengthen the digestion.

**CALLED HER FAMILY
TO HER BEDSIDE**

**Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now
She Is a Well, Strong Woman and Praises Cardui For
Her Recovery.**

Royse City, Tex.—Mrs. Mary Kil-
man, of this place, says: "After the
birth of my little girl...my side com-
menced to hurt me. I had to go back
to bed. We called the doctor. He
treated me...but I got no better. I
got worse and worse until the misery
was unbearable...I was in bed for
three months and suffered such agony
that I was just drawn up in a knot..."

I told my husband if he would get
me a bottle of Cardui I would try it...
I commenced taking it, however, that
evening I called my family about
me... for I knew I could not last
many days unless I had a change for

the better. That was six years ago
and I am still here and am a well,
strong woman, and I owe my life to
Cardui. I had only taken half the
bottle when I began to feel better.
The misery in my side got less... I
continued right on taking the Cardui
until I had taken three bottles and I
did not need any more for I was well
and never felt better in my life... I
have never had any trouble from that
day to this."

Do you suffer from headache, back-
ache, pains in sides, or other discom-
forts, each month? Or do you feel
weak, nervous and fagged-out? If so,
give Cardui, the woman's tonic, a
trial.

...from his money, it can be done
all right—ask...
But separating a man from his money for poor
Building Material is a different proposition.
When you see some of the stuff that masquerades
under the guise of Lumber and Building Material
we really wonder how some people can be separated
from their money so easily.
It's all very well to think of your dollars when
buying Lumber and Building Material, but it is also
mighty good judgement to consider the quality in
relation to the price.
When we sell you Lumber and Building Material
we first look to Quality—then to price—and finally
to the best and quickest way of giving both.
