

Why Suffer?

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back — especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset."

CARDUI

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.

NEW IN RECORDS

Why should sport have a monopoly of "records"? A lawn mower meter may now be purchased in New York registering not mileage but footage. Already a suburbanite is boasting that he has exceeded the record of his nearest competitor by 10,000 feet. — Scientific American.

WOULD NOTIFY HER

Richard was visiting his aunt who was busily engaged making cookies. Richard had eaten several when aunty paused and asked, "Won't you have another?"

"Yes," replied Richard, "but you don't need to keep asking me. I'll tell you when I've had enough."

Lumbago.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches." Adv.

"To be sure, dear. Why do you ask such a question?"

"Because I never see any pictures of angels with whiskers."

"Well," said the mother reflectively, "some men do go to heaven, but they only get there by a close shave."
