

Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Do as he says, always.

The Exceptional Equipment
of the California Fig Syrup Co. and the scientific attainments of its chemists have rendered possible the production of Syrup of Figs and Elixir of Senna, in all of its excellence, by obtaining the pure medicinal principles of plants known to act most beneficially and combining them most skillfully, in the right proportions, with its wholesome and refreshing Syrup of California Figs.
As there is only one genuine Syrup of Figs and Elixir of Senna and as the genuine is manufactured by an original method known to the California Fig Syrup Co., only, it is always necessary to buy the genuine to get its beneficial effects.
A knowledge of the above facts enables one to decline imitations or to return them if, upon viewing the package, the full name of the California Fig Syrup Co. is not found printed on the front thereof.

All the Conveniences.
Mr. Stoplate had showed Miss Terstep all his imitations of famous actors, and she had made a bluff at applauding. Then he asked, "Do you think I ought to go on the stage?"
"Oh, you don't have to go on a stage, if you're thinking of going," she answered. "We are inside the city limits, and an owl car goes every half hour."
Shortly after that, he went.—Cleveland Leader

RECIPE FOR CATARRH.
The only logical treatment for catarrh is through the blood. A prescription, which has recently proved wonderfully effective in hospital work is the following. It is easily mixed:
"One ounce compound syrup of Sarsaparilla; one ounce Tonic compound; half pint first-class whiskey." These to be mixed by shaking well in a bottle, and used in tablespoon doses before each meal and at bedtime. The ingredients can be gotten from any well stocked druggist, or he will get them from his wholesale house.
