Bowel Complaints in India

In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.
