LEAVES SOON FOR NORTHWEST

Mr. Lazelle Smith who for sometime past has been connected with the Snowflake Herald was in Holbrook Tuesday. He was enroute to Winslow.

Mr. Smith informs us that instead of returning to finish his course at the University in Tucson this Fall he will start on a mission sometime in October. His field will be in the Northwest.

LEAVE DAUGHTER NINE MONTHS OLD SEE HER AT NINETEEN

Koury Family Happily Reunited

When Mr. and Mrs. Koury of our city left their home in Syria over eighteen years ago they left behind a baby daughter Rose who was nine months old to the care of Mr. Koury's parents.

Just this week the young lady, after a long journey lasting 28 days, from Peyruth, Syria, arrived in Holbrook, and the parents found themselves greeting a charming well grown young lady of nineteen. She was accompanied on her return trip by Mr. Amin who was a member of the firm of Amin and Koury when they first opened up for business up in Holbrook, but who later left for the home of his fathers. Mr. Amin is now returning to Holbrook accompanied by his wife and a small baby. They stopped off to visit with friends in South Carolina, but Miss Koury came on alone. She is unable to speak a word of English but will no doubt learn rapidly in the happily reunited family.

DRIVE TO HEBER

Last Sunday Mr. and Mrs. Joe Elledge, Mrs. Hancock and little daughter Emily, together with Mrs. W. W. Cadwell and Billy motored up to Heber and spent the day among the picturesque pinons. They had a delightful time and a little bird told us that the rabbits were the fewer for their sojourn.

Edgar H. Loveridge, Referee in Bankruptcy. Dated September 18th, 1922. It

Mrs. R. S. Teeple, who is just convalescing from a severe spell of illness, left last Saturday for Cooley where she will spend some time recuperating among the health giving pines. She is staying at the Apache Hotel but during her stay will also make a short visit at the Cooley ranch as the guest of her friend Mrs. Don Cooley.

LEAVES ON MISSION

Mr. Loral Shumway left Holbrook last Thursday evening for Chicago. He was sent by the L. D. S. Church on a mission with headquarters in that city. He will be absent for about two years, and on his return intends to take up his interrupted course in banking at the Flagstaff Normal School.

SCHOOL FOOTBALL SEASON TO OPEN SOON

Many Games Scheduled

The Holbrook Hi team is in the midst of practice. The old pig-skin is getting many a vicious wallop these days. Professor Brannigan informs us that he looks for many peppy contests this year.

The schedule for games for the ensuing months is as follows:

Sept. 30--at St. Johns
Oct. 7--at Winslow
Oct. 14--at Flag with Normal
Oct. 21--Flag Hi here
Oct. 28--Winslow here
Nov. 3--Mesa here
Nov. 11--at Prescott
Nov. 18--St. Johns here
Nov. 25--at Gallup
Nov. 30--Jerome Hi here

All football fans will be delighted to see that a game has been arranged for Thanksgiving day. Just as turkey has come to be the national dish on that day, so football is proving to be the national game for the season. We will not be behind the times.

The student body has elected its representatives for the school cabinet, and advisory committee which functions in all events given by the school. The members are as follows:

Sr. Class--Gladys Manley
Sr. Class--May Ellis
Soph. Class--Leola Hennessey
Fresh. Class--Bessie Hathorn
Jr. Hi--Lena Hathorn

MOVES TO NEW LOCATION

The H. H. Seorse Store has just finished moving its stock of merchandise to the new Seorse building on the north side of the tracks. This building is modern in every way, and when thoroughly finished will be one of the nicest looking stores in this part of the country.

A new stock of merchandise is being added, and the people of Holbrook will no doubt see some attractive window displays at an early date.

Manager Lyons has had a great deal of experience in his line and will give Holbrook shoppers the very best the markets afford.

A VALID EXCUSE

They say a poor excuse is better than none. Mr. W. B. Woods believes it. So do many others judging by the number who had "business" in Winslow last Wednesday. You had heard of course, that the famous Sells Floto Circus was in Winslow that day.

But for good? excuses Mr. Woods wins the silver plated ear muffs. He said that he had to take Roy to the circus. Now the truth is that Roy is almost as tall as his father and we are sure is perfectly conversant with the ordinary procedure of attending a circus. But that was the best excuse he could think up on the spur of the moment, and so we'll let it pass. Miss Olive Clark and Miss Sue Thomas also had business in the Railroad City that day. Kathryn Rees also journeyed westward on the early train--destination unknown, but we could guess.

BEEF COMING DOWN

We are not sure that this will have any permanent effect on the world wide price of beef steaks, but at least for a second or two this week beef destined for the Flake Market in Holbrook took a sudden tumble.

John Flake was bringing in a Ford-load of beef early this week when for some cause the Ford took a header into the ditch and turned over, spilling the beef promiscuously over the landscape. No one was hurt and he proceeded on his way and is due time delivered his consignment in Holbrook. But for a little while beef did come down!

A. AND T. CLUB

Mrs. Hookway was the hostess last week of the Ace and Thimble Club. A goodly number of the members were present and the afternoon was most enjoyably spent eating candy and playing cards.

The next meeting of the Club will be at the home of Mrs. Geo. Hennessey.

At St. Joseph a few days ago was announced the engagement of Miss Laverne Richards of that place to Prof. Rufus Crandall, the leading musician of Navajo County, and member of the Snowflake Academy faculty. The wedding will take place this fall. Miss Richards was a recent graduate from our Normal school and attended the summer school here. She has scores of Flagstaff friends. --Coconino Sun.

FINAL RETURNS ON NAVAJO COUNTY PRIMARY ELECTION

Good Sized Vote Recorded This Year

The largest vote recorded for the Primary Election on Sept. 12 was that for Governor, the total number of votes cast on the Democratic ticket was for that office, being 1035. The second in order was for the Clerk of the Court on the same ticket with a total of 1022. The vote for sheriff on the same ticket was 1015.

An amusing feature of the election was that when the votes for Holbrook Dem. precinct committeemen were counted it was found that no less than 21 men had been suggested for the three places. Judge Sapp, Mr. W. H. Chamberlin and Mr. R. S. Teeple were the ones receiving the highest number of votes.

The voting was heavy on all offices in which there was any contest. Below is reported the total of the poll in Navajo County. A tabulated form for the vote in all precincts will be printed in next week's issue of The News in the Minutes of the Board of Supervisors and this will be the official resume of the election.

Mr. Creswell of Winslow was in Holbrook Tuesday.

PAINFUL ACCIDENT

A. K. Miller met with a painful accident last week. While riding on a gravel plow the tug broke, letting the single tree fly back with great force and strike his foot across the instep.

The doctor advises that some of the small bones in his foot are more than likely broken. Mr. Miller is very lucky in not being more seriously hurt, but doesn't think that crutches are a good substitute for feet.

PICNIC AT PICTURE CANON SUNDAY

All the school teachers in Holbrook were present at a picnic Sunday in Picture Canyon, thirty miles southwest of Holbrook.

A delightful lunch was served, and followed up by a watermelon feast, swimming, climbing, and sight-seeing took up the balance of the day.

All present were delighted with Picture Canon, which is indeed a beautiful spot. There is a running stream of clear water in the Canon. The high Canon walls are covered with ancient Indian hieroglyphics which add a great imaginative interest to this picturesque spot.

WELL KNOWN WINSLOW CITIZEN DEAD

Mr. Thos. Dye, a prominent business man of the Railroad City died last Tuesday at his home in the city. His funeral was held Thursday. He has been a resident of the town for a good many years and leaves many friends to mourn his loss.

POET'S WIFE KILLED BY LIGHTNING

The news has just reached us of the death of Mrs. Bond wife of Josiah Bond of Alto, Ariz. Mrs. Bond was riding at the time of her death and was struck by a bolt of lightning, which killed her, but which merely stunned the horse upon which she was mounted.

Mr. Bond is a poet of some note. One of his poems last year was copied by The Literary Digest, and we have had the privilege of offering several of his best ones to the readers of these columns.

SPEND SUNDAY AT LAKE- SIDE AND COOLEY

A crowd of Holbrook people spent Sunday in Lakeside and Cooley, starting from Holbrook at five o'clock that morning. They had breakfast, which was cooked over the campfire, just the other side of Taylor, and then continued their drive to Lakeside. Between Taylor and Lakeside they experienced quite a bit of car trouble, and we'll leave it to Mr. Funk to judge whether or not he would like to own an aeroplane.

IT HELPS A LOT

A letter received just this week from Mr. F. Vernon Barber of Littlefield, Texas, contained as well as three silver cart wheels, a very encouraging paragraph. He said that "getting The Holbrook News is just the same as getting a letter from home, and I wouldn't be without it."

It is such words of appreciation that make an editor's busy life worth while, and it makes us want to work all the harder to keep on deserving it.

RETURNS FROM TEXAS

Mr. Tom Pickett returned last Saturday from a months visit with relatives in Decatur, Texas. Mr. Pickett had planned to visit in Louisiana for several months, but after leaving for that State, his sister became ill with typhoid fever, and he was forced to return. Anyway, Mr. Pickett says he is glad to be back to Arizona, and believes he will stay awhile this time.

FIRE AT TAYLOR

The Taylor Cash Store at Taylor had a rather serious blaze last week that threatened for a time to destroy the entire building. The gas tank in front of the building was being filled with gasoline from a barrel on a warm day. A casual stroller passing by struck a match to light a smoke, and the result was an explosion which wrecked the gas pump and set fire to the building. The entire front of the building was destroyed. Fortunately no one was injured.

Lloyd Henning was a visitor in Winslow on last Saturday.
