AND YUMA WEEKLY EXAMINER

A Live, Republican Weekly With All the News All The Time.

VOL. 41. NO. 56

YUMA, ARIZONA, THURSDAY, NOVEMBER 23, 1911

Pioneer Paper of Arizona

## Clement H. Colman For County Attorney

There is one candidate on the Republican ticket at the coming election for which too much cannot be said. That man is Clement H. Colman, candidate for county attorney. He is a young man of ability; he is an able and fearless lawyer; he can plead and he has the natural ability

CLEMENT H. COLMAN

to size up his jury and make a plea for law and facts that appeals to the hearts as well as the minds of all who hear him.

He has been a practicing attorney in Yuma for several years. There is not a spot upon his record. He has been a life long Republican, and above all, he is the kind of a man, the PEOPLE want in office.

Opposed to him is Fred L. Ingraham, a life long, and acknowledged Socialist. A man who has run on the Socialist ticket many times, and a man who only placed his name on the Democratic ticket this year, SIMPLY BECAUSE HE WANTED OFFICE.

He thought there was a better chance with the Democrats than there was with the Socialists, and consequently for the time being, he dropped the Socialist party like a hot potato, and took up with the Democrats.

But Colman is the choice of the people.

He is everything that the candidate for this office should be, and his worst enemy if he had one, could not point to a flaw in his record.

That he will be the choice of the people, there is not a doubt.

### NOTICE OF FORFEITURE

Yuma, Ariz., Nov. 2, 1911.  
To J. C. Lanham, his heirs or assigns: You are hereby notified that I, the undersigned, during the year 1910, expended the sum of \$100.00 each on four mining claims in the Fortuna mining district, Arizona, and that the said claims are: "Amazon," recorded in Book G, of Mines, Page 444; "Shanty Boy," recorded in Book H, Page 363; "Cable," recorded in book Q, page 367; and "Anchor" recorded in Book Q, page 368, of Yuma county, Arizona.

Said claims are located about 15 miles from Blaisdell, Arizona.

If, within (90) ninety days from personal service of this notice, or within 90 days after the first publication thereof, you fail or refuse to contribute your half of such expenditure as co-owner, your interest in the property will become the property of subscriber, your co-owner, who made the required expenditures in compliance with the terms of section 2324, Revised statutes of the U. S. statutes, and the amendment thereto, approved January 22, 1880, concerning manual labor upon mining claims, and that the amount of work done by me has been the amount required to hold such claims during the period ending Dec. 31, 1910.

(Signed) JAMES PHELAN.  
First publication Nov. 4, 1910.

## Doing Good Work

Supervisors Shanssey, Kent and Marvin are fixing up the stretch of road from Eight street out to the Orange Grove in fine shape.

This is the stretch of road along in front of Dr. E. B. Ketcherside's and in front of the health camp.

This part of this road has always been sandy and heavy and has needed fixing for a long time, and the work being done is a good move.

The heavy boulders are being broken up on another part of the road, and the city council is filling in the holes and bad places on Orange and First avenues.

When the work is completed it will mean a beautiful drive all the way out to the Orange grove.

## Grand Matron Here

Mrs. Jennie E. Capo, Grand Matron of the Order of Eastern Star, of Tucson, was in Yuma yesterday, and last night.

A reception was tendered her yesterday afternoon at the home of Mrs. June Brown.

At Eagle's hall last night Mrs. Capo exemplified the work of the order before a large number of the members of the chapter.

After the work Mrs. Capo was presented with a silver water tray by the local chapter.

The presentation speech was made by Past Patron Miller.

Mrs. Capo assisted in the institution of the Yuma chapter in 1906.

## New Rock Crusher

The Pioneer Livery and Transfer company, Messrs. Donkersley & Rockwood, have purchased a new rock crusher.

It is a new and up-to-date model and is being set up and placed in condition to help out on the large orders being furnished by that company.

The demand was simply larger than the equipment of the company would care for, and the new machine was a necessity.

## Leases the Imperial

The Imperial Hotel has been leased from Mrs. S. E. Empey by Mr. and Mrs. Fred Moser. They will take possession on December 1 and will make the Imperial second to none in the city. Mr. Moser is a brother of Milo Moser, of the Yuma stables.

Mrs. Thompson, who has been in charge of the Imperial, will shortly leave for California where she expects to make her future home.

## New Goods to Arrive

E. A. Erickson, who has been in charge of the big bankrupt sale of the stock of the Yuma Mercantile company, has returned from Los Angeles and announces that within a few days he expects a car load of new goods, and he will then put on another big sale.

### RUNNING CHAIN GANG

Harry McPhaul has a chain gang digging out road material from the hill on Eighth street for the road work being done out toward the Orange grove and on Orange avenue.

Mr. and Mrs. Ike Leposky have gone to housekeeping in one of the Harris cottages on Second avenue.

J. J. Waddell is expected in Yuma from Minnesota Sunday night.

O. F. TOWNSEND, Yuma County's Next State Senator.

## Miss Ruby Livingston Leads in Examiner's Great \$1,000 Contest

|                      |        |
|----------------------|--------|
| Miss Ruby Livingston | 90,100 |
| Miss Sue Whitmore    | 85,000 |
| Miss Ethel Lynch     | 77,500 |
| Miss Eva Levy        | 68,000 |
| Miss Clara Jones     | 31,000 |

Carlisle said: "Genius is simply another name for hard work." Thomas A. Edison, student and inventor is the best living example of this definition.

From the time Edison was 15 until he was 35 he worked eighteen hours a day. Since that time he has used two and three shifts of men all the time and has worked part of the time with each shift. Thus Edison does practically three days work in one—at least three times as much work in one day as the average man does.

Edison's ability to work is one of the wonders of the age. It is the secret of his success! It has made him a genius.

Now let's talk contest. The first prize is \$200 in gold. The contest ends next week. The amount and the kind of work you do before then determines whether or not you win the \$200.

The \$200 prize is not going to be won by a wizard, nor by a shark, nor by some foxy scheme. The winner will be a genius simply because she will be the hardest worker.

The principal difference between Edison and the average man or woman is Edison's unusual ability for hard work. The only difference between the girl who will win the \$200 in gold and the girls who will lose, will be her ability to work and work hard.

To win the \$200 you must secure a lot of subscribers to the Yuma Daily Examiner, the Arizona Sentinel or the Bard Inter-Ocean or some other paper or magazines handled by the Yuma News company.

Everybody in Yuma reads these papers and all you have to do is to call on all your friends. If you don't do it, you won't win the prize, and the girl who does, will.

Your friends will help you if they see you are determined to win. You should make a showing of increased votes every day, or some other girl may win the confidence of the people and they may decide to help her.

The girl who works every other day will not win the \$200 prize, because the time is too short. Just this week

and next. In fact, the candidate who does not work and plan all her spare time will very likely not win a prize.

It will require not less than 100,000 votes to secure a prize. This is a small number, but it will require work to reach that figure.

The splendid prizes offered by the Yuma News company are given for honest effort and no candidate could ask for more or expect a prize without honest, earnest effort to win.

The leaders are all hard at work.

Miss Ruby Livingston who leads the list to-day is hitting the high places and does not intend to wait until next week.

Miss Sue Whitmore, the Bard candidate, who led yesterday is busy with a horse and buggy on the outside and may not report before to-morrow evening.

Miss Ethel Lynch is busy in the Yuma Valley. Miss Eva Levy may be seen working among her friends in Yuma, and the same may be said of the fifth real leader in this race.

Perseverance will win the \$200.

The young ladies in this race will please bring in their photographs as the contest manager desires them at once.

## Deputy Grand President

Robt. L. Bechtel was notified last night that he has been appointed Deputy Grand President of the Fraternal Order of Eagles for the counties of Yuma, Maricopa, Gila, Pinal and Graham.

The appointment comes direct from Frank E. Herring, Grand Worthy President, at South Bend, Ind., and it will be Mr. Bechtel's duty to see that the laws governing subordinate aeries are uniformly adhered to, install new lodges, etc.

Mr. Bechtel is being congratulated by his friends, as the appointment is a decided honor.

### LADIES' GUILD

The Ladies' Guild of the Episcopal church will meet to-morrow afternoon at 2:30 with Mrs. Withal.

New Magazines at Shorey's.

## Sportsmen Want a New Hunting Lodge

A subscription paper was being circulated on the streets this afternoon with a view of raising \$120 for the location and establishment of a permanent hunting camp or lodge at Laguna dam, for the benefit of local sportsmen as well as any visiting sportsmen that may come to Yuma.

It will be remembered that about two years ago some wild rice was sown at Laguna, and this spring this came up in spots, but not as well as had been expected.

It is the intention of the sportsmen to erect a permanent cabin or building and to maintain the same at all times for the benefit of any and all parties who wish to go to the dam for duck, quail or other game.

They will also sow barley, wild rice and other stuff, and seek to maintain a really good hunting preserve.

At the time the Examiner saw the paper to-day at noon, it had been numerously signed.

It is a good move and should be helped along.

## Railroad Men Are Planning Big Show

The Federated Shop Employees of the Harriman lines, now on strike in Yuma, are planning a vaudeville and home talent show at the Yuma theatre on the night of December 7th, or about that date.

It is their intention to get up a really first-class show at a reasonable price of admission, and to add many new features and new and up-to-date songs.

The best of the local talent will be asked to participate.

## Loyal Order of Moose Organized Last Night

The Loyal Order of Moose was organized last night at the A. O. U. W. hall and started off with a charter membership of over 125.

Deputy Grand Dictator Robinson, of Santa Barbara, assisted by H. S. Boyer and others were in charge of the initiation work and conferred the degrees and unwritten work.

The following officers were duly installed:

- Dr. R. R. Knotts, Dictator.
- Dr. Henri ApJohn, Past Junior Dictator.
- L. J. Friedell, Vice Dictator.
- A. J. Jessen, Secretary.
- John E. Wietcher, Prelate.
- D. J. Barnes, Inner Guard.
- A. A. Langford, Outer Guard.
- J. Flores, Sim Freund and William Baird, Trustees and Thos. F. Fisher, Sergeant at Arms.

Organizer Robinson will have an office at Eagle's hall for several days yet and more members are expected to join the new lodge.

The installation of the new lodge last night was characterized by good fellowship and a grand good time, and was much enjoyed. The crowd is made up of the liveliest bunch up and down the streets.

Joe Cook, Jack Dean and T. F. Fisher, were the victims selected last night as the first three to be initiated, and according to the crowd they got all that was coming to them.

Next Saturday night the new lodge will give a smoker and a fine time is promised to all.

### FOUND IT OUT

Well, anyhow, Grandma Sun has found out that W. E. Marvin is a candidate for superior court clerk against ex-boss DeVane.

It took Brother Westover a long time to find it out, but he sorrowfully announces it this morning.
