

Slain By Robbers

Former Toledo Official Killed by Robbers in His Cafe.

New York, Feb. 2.—Patrick Burns, once chief of police in Toledo and Findlay, Ohio, was shot through the heart and instantly killed today in his New York Cafe. His bartender, Frank Newberger, was beaten into unconsciousness and \$40 was stolen from the cash drawer.

According to Newberger, the robbery was committed by two men, who entered through the side door and ordered drinks from Burns. As the saloonkeeper started toward the bar, one of the men placed a pistol at the bartender's head, while the other covered his employer. Burns attempted to wrest the pistol from the robber's hand and was shot.

Both In Jail

Santa Monica, Feb. 12.—Frank De-Mar of Venice was arrested this afternoon by Officer Benton charged with disturbing the peace. At the time of his arrest De-Mar had a pet monkey with him, and as the monkey created a disturbance when the police started to lock De-Mar in jail, leaving it behind, they also locked the animal up with its master.

De-Mar has had the monkey several years and it is so tame it follows him everywhere.

Manila Official Dead

Ellis Cromwell, Internal Revenue Collector, Victim of Heart Disease.

Manila, Feb. 12.—Ellis Cromwell, collector of internal revenue, died unexpectedly today while returning to Manila from a trip to the provinces. His death, it is believed, was due to heart disease.

Mr. Cromwell was a native of Mississippi and came to the islands as a captain of volunteers. He served for a time as deputy collector of internal revenue, succeeding John S. Hord, as collector in December, 1909.

Yuma to Have Roosevelt Club

The following letter is self-explanatory and has been received by Court Clerk Charles H. Utting. It is very likely that a Roosevelt Club will be organized here in the near future:

Phoenix, Ariz., Feb. 7, 1912.

Mr. Charles H. Utting,
Yuma, Arizona.

My Dear Mr. Utting:—

You will be glad to know that the mass meeting which we held Monday night for the purpose of formal organization of the Maricopa County Roosevelt Club, was a thorough success, over three hundred and fifty were in attendance, the meeting was most enthusiastic and said to be one of the liveliest political meetings held here for a long time. At the time of the meeting we actually had 443 registered voters enrolled as members of our local club and since then many more have been added, and "Roosevelt and Win" buttons are now seen nearly everywhere. I am sending you a few of these buttons under separate cover and if desired will arrange shortly to send you a good supply.

It may interest you to know that Gila county already has 200 enrolled in the Roosevelt Club and that many members are joining in Yavapai, and Pima counties and that we are promised strong support from Cochise.

One of the most convincing indications of the tremendous popularity of Col. Roosevelt is in the poll being taken by the Kansas City Star as to the preference of its 270,000 subscribers. Post Cards have been forwarded including the names of all candidates alphabetically arranged with not the slightest indication of a preference in any manner. They wired me on February 5th that out of 104,886 votes there were 53,713 for Roosevelt and 6,439 for Taft.

I assume that you have already taken up the matter of joining the Roosevelt club with Dr. H. Vance Clymer, chairman of your Yuma county committee, as well as with the other members of your committee as follows: Mr. W. W. Woodman and Mr. P. O. Spittler. If this has not been done I think it will be highly desirable to get as many of them enrolled as possible without delay.

I leave tonight for Chicago for a conference with the executive committee of the National Roosevelt committee and if there is any information or assistance which can be rendered you from here please write to Mr. J. S. Jenckes, the secretary of the Maricopa County Roosevelt Club. Regular offices will be opened in the next day or so and a thorough organization perfected.

Your very truly,
DWIGHT B. HEARD

Formal Opening A Grand Success

(From Tuesday's Examiner)

The new Zeller theatre was formally opened last night to road shows, and the occasion was one of the largest audiences of representative people ever seen in Yuma.

The play was "The Barrier," a dramatization of Rex Beach's famous novel, and certainly the play and players were all that could be desired. Undoubtedly it was the strongest and best dramatic organization that has ever stopped in Yuma, and from the time of the opening until the close of the fourth act, the interest never abated, so individually good was each member of the cast.

The company also carries a wealth of scenery for its own production, and even the minutest detail has been so well covered by the strong organization that there was not a flaw to be found in the play or in the superb acting of each and every member of the cast.

And the audience was representative of all that is best in Yuma. All were there and all went away well satisfied not only with the show, but with the new theatre as well.

And in passing it is only fair to toss an oratorical bouquet at the house orchestra under the management of Prof. Y. C. Escobar.

The music was not the least of the enjoyments of the evening, and Mgr. Zeller is certainly to be congratulated on his new theatre.

Next Monday night the Zeller will offer Busby's famous negro minstrels.

Another Petition

Councilman A. L. Verdugo has prepared and is having circulated a petition to be signed by the resident of Bard and the California side of the river, addressed to congress and praying for that body to make an appropriation for a bridge across the Colorado river at Yuma as per the bill introduced in the house by Delegate Cameron. It is estimated that about 200 signatures will be placed on the document by near-by residents of California.
