

WHAT NOT TO GIVE THE SMALL CHILDREN AT CHRISTMAS TIME

(Western Humane Press Committee.)

Whips, swords and guns to children. Unless we want the children to play whipping, duelling and fighting, whips swords and guns are not gifts for children.

Rubber toy animals for the baby to squeeze, and those which make a noise when pinched. Unless we want the baby to learn to squeeze the live kitten until it cries.

A kitten or puppy is most unsuitable for a very small child. Unless we want the child to enjoy hurting it, though ignorantly.

A live goldfish. Unless we like to see an animal slowly smother from lack of air, and think it will be good training for the child to see the fish gasp, and die a lingering death.

Any live animal that must depend upon a young child for food and water, should not be chosen for a gift.

A caged bird. Unless we think it a happy sight to have a bird prisoner. Unless we are sure it is a proper sight for a child.

Books on hunting, robbery, murdered and war. Unless we want the child accustomed early to thoughts of death and agony. Books can't be judged at a glance like toys and animals. Books must be read. Even the author's name is no guarantee. Stevenson's name appears on a most undesirable book, "Treasure Island." Even an approved school list is no guarantee. "Rab and his friends" appears on a dozen such lists, to the surprise of good judges.

Choose. Give. But think.

RUGS FOR EVERYBODY

The latest statistics available, those 1909 show that the carpet and rug factories of the United States, to the number of 139, employ 35,000 people. Of these 35,000, 14,000 are women and 1,500 are children under sixteen years of age. The capital invested in these factories is \$75,627,000. The total value of the output of these factories in 1909 amounted to \$67,500,000. The increase in the production of oriental rugs doubled in these factories between 1899 and 1909.

LOUIS TERRAZAS GLORY AND REWARD OF TOIL HELD BY THE REBELS

SON OF FAMOUS GENERAL NOW TO BE EXECUTED IF NOT RANSOMED PRONTO

FIVE MILLION DEMANDED

GENERAL VILLA ALSO DEMANDS FIVE MILLION FROM CHIHUAHUA MERCHANTS

A late telegram advises us that \$5,000,000 has been demanded of General Terrazas, now on Texas soil, as ransom to General Villa at Chihuahua, with the alternative of his son, Louis Terrazas, being executed pronto. Chihuahua is now completely in the hands of the rebels. It is also said that \$5,000,000 is also demanded by Villa from the merchants of that city.

BIG TIME AT VLALEY METHODIST BAZAAR

(From Saturday's Examiner) The Ladies' Aid Society of the Valley Methodist church held a very successful pie social, bazaar and candy pulling at the Valley church last night. The program rendered was excellent and the crowd was the largest seen in the church this year.

Somewhere in the Bible it reads: "In that day seven women shall take hold of one man." They must have held church fairs when that was written. And the bazaar last night was no exception, and, indeed, those who made purchases secured many useful articles for Christmas presents.

The funds raised from this sale will go to defray church expenses. Prominent among those present, observed by the Examiner, were Miss C. Louise Boehringer, county school superintendent and who was called upon for a few remarks; R. G. Stitt, A. Y. Greer, Ralph Jacobs, of the Yuma Heights Fruit ranch, and others too numerous to mention—but a big crowd was there.

The night, outside, was all that any one could wish for—cool and crisp, and the bright moonlight made the night bright as day. The auto from Yuma took just 20 minutes, with Warren Snyder at the wheel; the ride back took a little less time. A ride like that is a refresher, and good for the nerves—always remembering that "to get the best results wear enough clothes, for the valley air is a few degrees cooler than it is in town."

CURED OF LIVER COMPLAINT

"I was suffering with liver complaint," says Iva Smith of Point Blank, Texas, "and decided to try a 25 cent box of Chamberlain's Tablets, and am happy to say that I am completely cured and can recommend them to every one." For sale by all dealers.

Jesus was a carpenter. Cromwell was a farmer. Washington was a surveyor, Franklin was a printer. Lincoln was a backwoodsman. To get at great character and mighty achievement you are invariably led to the source of it all—honest toil. We are all toilers. And there is just as much dignity and honor back of the sweat of the man who digs with his shovel or wields with a hammer as there is behind the brain of the man whose thoughts, trained and organized, direct the energies of countless workers.

The glory and reward of toil lie in the working spirit that prompts the smallest effort of a man.

This earth does not belong to the people who inhabit it, but to those who, in honest toil, magnify its benefits. You owe more to every man than any man owes to you. We are all debtors—from the humblest to the greatest. Nor are any of us entirely independent. In honest toil, however, every man earns and pays for his heritage.

The most pitiful man on earth is the one with nothing to do. Whereas, the happiest man on earth is the one with the most to do.

So long as you have within you, sound and intact, the scores of marvelous instruments for labor and service in your hands, feet, eyes, ears, Mouth—each overlorded by a master creation—your brain—complain not that there is nothing for you in honest toil. There is everything in it. There is nothing for you outside of it.

TAMMANY LEADERSHIP IS UNCERTAIN NOW

Charles F. Murphy's leadership of Tammany Hall and of the Democratic organization of New York is threatened more seriously than his intimate friends are willing to admit. It has been suggested in the National Democratic club, where Mr. Murphy seldom goes, that the leader and those who are known to be his confidants are actually not aware of the details and the strength of the movement among the influential Democrats to force his retirement.

UNIVERSITY WEEK ATTENDED BY MANY

PHOENIX, Dec. 15.—About 125 students of the Phoenix high school are planning to go to Tucson for "University week" next spring. About 25 attended the festivities attendant upon university week last spring.

Other high school pupils will be there next time from Glendale, Mesa, Tempe, Prescott, Globe, Clifton, Yuma, Douglas and Bisbee.

HARVARD ELEVEN NOT DEFEATED THIS YEAR

Harvard went through its second season without a defeat. The eleven as it played against Yale was one of the strongest and most finished ever developed by Percy D. Houghton. It may have lacked the scoring punch by straight rushing, although that is an open question, but it did not lack power to march down the field three times and wind up with a goal from the field by Brickley. The players were of a kind to absorb a lot of football and to use this knowledge when most needed. The forward pass was not developed to the high point shown by the Army, but apart from this, it was a finished eleven and a brainy one.

CROSSES OCEAN TO WED; FIANCE IS ILL

GLOBE, Dec. 13.—Miss Beatrice Pasco arrived in Globe from her home in Lancastershire, England, with the expectation of becoming the bride of Samuel Garside, but when she arrived in this city she found the bridegroom-elect was seriously ill and about to undergo an operation. The ceremony had to be indefinitely postponed, and in the meantime the bride-to-be has taken up the task of nursing her future husband.

Mr. Garside was operated on Sunday. It was announced that his condition was very favorable.

Miss Pasco and Mr. Garside were sweethearts in England in their childhood days. When Mr. Garside departed for America 14 years ago the young people plighted their troth and since that time the courtship has been carried on through the mails.

When the bride-elect started for the United States the accident had not befallen Mr. Garside, and she received no word of it until after she had stepped from the train in Globe.

DIAMONDS TAKEN FROM LOMAX STORE

WELL-DRESSED THIEVES MAKE \$150 HAUL DURING RUSH AND DISAPPEAR

TWO MEXICANS CAUGHT

DIAMONDS HAVE NOT BEEN RECOVERED; THOSE CAUGHT COME UP TUESDAY

(From Monday's Examiner.) Robbers got away with \$150 worth of diamonds at the Lomax jewelry store this morning at about 10:00 o'clock. Two diamonds, the value of \$80.00 and \$70.00 were missed after three well-dressed Mexicans had been looking over a tray of diamonds. The alarm was quickly given by Mrs. Williams who was alone in the store at the time, and two of the three suspected robbers were arrested shortly afterward, while the third, who is supposed to have the diamonds, made good his escape—or at least had up to a late hour this afternoon.

Mrs. Williams, who had charge of the store and who was busy waiting on a number of customers when the theft took place, states that her husband went to Los Angeles on Saturday night on business, and that alone in the store, she was unable to take care of the trade, and thus it happened that the theft took place.

The hearing of the two captured robbers will probably take place before Judge Jones tomorrow morning.

By a strange coincidence, the Lomax store was robbed of jewelry about this time last year.

PAROLED FORGER REPEATS THE CRIME

E. T. COLLINS, JUST OUT OF JAIL, MAKES SIX FRAUDULENT CHECKS AT BISBEE

FACES A BIG SENTENCE

WILL SERVE INCOMPLETE TERM, AND THEN BE TRIED FOR NEW CHARGES

TOMBSTONE, Dec. 15.—Having violated a parole from the county jail at Tombstone, where he was serving a sentence for passing bogus checks in Bisbee and Lowell, the parole having been granted on the promise that he would be a law-abiding citizen and repay the men he had defrauded in Bisbee, E. T. Collins was last night landed in jail after having repeated the fraudulent check stunt in Douglas. After he shall have finished the term on which his term was violated the Douglas case will be brought up against him.

Collins is a young man of good family, and recently lived in Cananea, where he has an uncle. He arrived in Douglas day before yesterday, after having been paroled from the jail at Tombstone. Soon after his arrival here he commenced drinking, passing the checks at different places on the Merchant's Bank & Trust Co., of Bisbee, always for an amount which gave him some change. Six checks were thus passed.

AGAIN WE SAY 'YUMA'S CLIMATE IS THE BEST'

Mrs. Eugene A. Ingram, who recently returned to Yuma from Pangburn, Ark., where the real old Southern malaria had nearly gotten the best of her, has improved so much in the short time she has been here, that she cannot say enough in praise of Yuma's healthful climate, where the sun shines every day, leaving health and wealth in its path.

Back in Arkansas the sun shines only once in a while and to a Yumatite the air seems filled with rain at all times.

Five years residence in the East has caused Mrs. Ingram to conclude that Yuma is a good place to live.

TURKEYS FOR ANGEL CITY

George M. Bridge has sold 2,000 turkeys to Armour & Co., at Los Angeles. This is probably the largest number sold by any individual; the shipments contracted for in the San Pascual have been large, and also from Wellton and Antelope valley.

CATARRH OF THE PHARYNX.

Clearing out your throat every day, all day. That is what you have been doing for months. Possibly years. A little mucus covers the pharynx. If you were to go to a doctor he would tell you that you have pharyngitis. If you were to look into your own throat you would find just back of the soft palate a red, lumpy, granular appearance of the back part of the throat. Pharyngitis the doctors call it.

Perhaps he would call it, follicular pharyngitis. It causes you constant annoyance. You are always making slight disturbances when seated in an audience. Can't hold your throat still. Stringy mucus bothers you. Worse in the morning.

A-hem! A-hem! A-hem! That is the way you are going nearly all day. Sometimes in the night when you wake up. You ought to gargle your throat with salt water every morning. Cold salt water. That clears out the throat perfectly and makes it ready for treatment.

Peruna is the treatment. Begin with a teaspoonful before each meal and at bedtime. Try it for a week. You will be convinced. Of course, Peruna will not entirely relieve you in a week. That is too much to expect of any remedy. But it will benefit you so much you will be convinced. Yes, it will. It has done this many times.

Follicular pharyngitis. Big words. Almost as bad as the disease. But if you take Peruna for one month regularly, you may forget that you ever had such a disease. Then you will have a perfect right to forget the big words too.

People who object to liquid medicines can now obtain Peruna Tablets. Ask Your Druggist for Free Peruna Lucky Day Almanac for 1914
