(By Associated Press.)
NEITHER PRESIDENTIAL CANDIDATE HAS ENOUGH TO ELECT ON THE FACE OF COMPLETE RETURNS—BOTH SIDES CLAIM VICTORY—DOUBTFUL STATES ARE CALIFORNIA, MINNESOTA, NEW MEXICO, NORTH DAKOTA AND NEW HAMPSHIRE.

NEW YORK, Nov. 9.—If the results of incomplete returns were accepted as final in all but five states at noon today the electoral vote would give Wilson 251 and Hughes 243.

Five doubtful states with electoral votes are California thirteen; Minnesota thirteen; New Mexico three; North Dakota five; New Hampshire four. The sudden switch of New Hampshire from a small Hughes' plurality to a similar one for Wilson was a dramatic chance, and came in an announcement of the secretary of state that partial official count revealed election officials' errors.

In Minnesota, New Mexico Hughes is leading, while Wilson is ahead in California and North Dakota. Minnesota's race is most dramatic. Hour by hour yesterday Wilson's lead was reduced by the rural vote, until the Democratic lead of 10,000 was wiped out. Then the Wilson vote appeared ahead again, later to be offset by a Hughes' burst. So the contest whipsawed throughout the night until Hughes is leading with less than 1000 today.

NEW YORK, Nov. 9.—Henry Morgenthau, in charge of the Democratic headquarters here said a recount will be demanded in New Hampshire despite the figures showing that Wilson leads today. It is said Democratic figures showed Wilson's lead to be 500.

LONG BRANCH, Nov. 9.—President Wilson's first question when he arose was regarding California, Minnesota, North Dakota and New Mexico. It is taken for granted by officials that there will be recounts in several of the close states. The president will leave on the yacht Mayflower today for Rhinecliff, N. Y., where he will take the train for Williamstown, Mass., to be Godfather to his granddaughter.

NEW YORK, Nov. 9.—Charles E. Hughes, after studying the returns this morning went motoring and declined to comment on the returns.

NEW YORK, Nov. 8.—Democratic Chairman McCormick today declared: "It's all over, we have cleaned them up; we stick unflinchingly to the original figures, Wilson by 288 electoral votes."

NEW YORK, Nov. 9.—The congressional returns at noon today showed 212 Democrats and 203 Republicans were elected with sixteen districts unreported.

SENATOR ASHURST THANKS YUMA VOTERS FOR SUPPORT

(Special to the Yuma Daily Examiner.)
PRESCOTT, Nov. 8.—It is impossible for me personally to reply to the many hundreds of telegrams of congratulation I have received upon my re-election to the senate. May I not, therefore, through the columns of the Yuma Daily Examiner, thank the people of Arizona for the marked loyalty and fidelity they have so repeatedly exhibited toward myself in this hour of victory. I am very humble and very thankful. I reconsecrate myself to the service of our state and nation. The people of this state who have again called me into their honorable service will receive at all times the choicest and most constant efforts of my heart and brain.
HENRY F. ASHURST.

ANTI-SWEARING LEAGUE THE LATEST IN HOLLAND

(By Associated Press.)
AMSTERDAM, Netherlands, Nov. 9.—An anti-swearing league is the latest social phenomenon in Holland. If the speakers at its foundation meet are to be credited, the Dutchman is becoming badly addicted to transgressing the third commandment, both in the salons of the rich and in the cottages of the poor, while cursing is said to have spread to a "terrible" extent in the camps and barracks of the mobilized army.
Among the suggestions put forward for combatting the evil was that employers should be requested to hang up a prohibition of swearing in their factories and workshops, and that the government should be asked to forbid it in all branches of the public service.
