FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With **Theford's Black-Draught.**

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of his place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day. N. C. 128

Remember Each Contestant Is Assured a Present Which Will Be Given Absolutely Free, as a Reward for Their Time and Trouble.

HOW AND WHY THIS IS DONE

All piano manufacturers and retail dealers have different ways of advertising, such as sending out canvassers to make a house to house canvass and pay commission and salary to these which run in the hundreds of dollars. We are not doing this, therefore, the money that we would have to spend in the above way we are spending in making this direct and unusual offer to the people.

By answering this advertisement you have become familiar with the name and address of this firm and we believe that we have reached into your home in a great deal shorter length of time than we could have done by canvassing, we have made it interesting to you and have given you an opportunity of securing one of our capital prizes, and you are assured, before answering, of a present that is given to every one as a reward for their time and trouble.
