Frantise of the Skin Cared

Ed, Venney, Brockville, Ontario, Canada, says:

"I have used BRANDRETH'S PILLS for the past fifteen years, and think them the best cathartic and anti bilious remedy known. For some fiv-years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but although gaining strength, the itching was unrelieved. I finally concluded to take a thorough course of BRANDBETH,s PILLS. I took six each night for four rights, then five, four, three, two, lessening each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since,"

The stimulating action when worn over the gastric region maerially aids in restoring strength and energy to digestion; and the consequent building up of tissue and restoring tone to the general system.
