BISBEE NEWS.

Daily Happenings at the Great Copper Camp.

Budget of Interesting Items from our Regular Correspondent.

Bisbee, July 6 1896.

COPPERINGS.

Mrs. J. F. Buckley and Mrs. Ed. Cain have left on a few months visit to friends in Minnesota.

Mr. Danforth was up from Nacosari on the 4th and went out this morning on a short business trip.

Another rock drilling contest is being arranged for next Sunday. We have not as yet learned who will enter.

Dr. W. J. Davis, late of Omaha, Nebraska is in town looking over the field with a view of locating here to engage in the practice of medicine.

The charter of the Woodmen has closed with sixty four names. The camp starts out with a good membership and will no doubt be a prosperous camp.

There were no fires in town, the fire department had made all preparations to be ready for a call at any time but fortunately their services were not called for.

Miss Beatrice Crouch left Bisbee this morning for San Francisco, at which place she will in future reside. Miss Crouch has a host of friends in Bisbee who regret her departure.

Now that the Fourth is over we expect that a number of political booms which have been lying dormant for several weeks will break forth with renewed energy.

Dr. E. V. Rowe is in Benson to take the practice of Dr. J. V. Gaff for a couple of months. Dr. Rowe has made many friends in Bisbee who will be sorry to lose him but nevertheless wish him prosperity and lots of "cases."

Supervisor John S. Williams went to Tombstone this morning. The board is at work equalizing taxes and Mr. Williams expects to be away a few weeks, and during his absence Mr. Brockman is filling his position as Mayor.

A horse race was run yesterday between the sorrel that won the quarter race on the fourth and a black from the river. The sorrel won and quite a sum of money changed hands on the result. Our friend "Paek" is a gem at picking winners and he went out this morning with a few shining eagles more than he arrived with.

Taking into consideration, the number of visitors in Bisbee during the past few days and the fact that all the men employed here have given unrestricted liberty the town was very orderly during the festivities, we have not heard of a single arrest and beyond one or two minor fights nothing occurred to mar the pleasure of anyone.

Nearly all of our visitors returned to their homes this morning. Everyone expressed themselves as having had a thoroughly enjoyable time, and all sang praises of Bisbee's hospitality. Among the outgoing passengers we noticed Mr. and Mrs. Joe McPherson, W. F. Bradley, Miss Nellie Clark and M. Doyle who are returning to Tombstone; Mark Smith returned to Tucson via the county seat, and B. A. Packard returned to his ranch.

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very severe cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy. Chas. M. Gutfield of Reedley, Fresno Co., Cal." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure at once and prevent it from extending to the lungs. For Sale by Tombstone Drug Store.

The World's Fair Tests showed no better powder so pure or so great in heating power as the Royal
