The National Matte Smelter.

A practical and simple method of smelting

silicified ores, such as nickel, copper, gold and

silver ores. In localities where lead ores and

fuels are scarce and almost unobtainable, our

pyritic water jacket Matte Smelter has been re-

commended with highly satisfactory results, and

has been thoroughly tested on various pyritic,

sulphide and arsenide ores, in capacity of a ton

to 20 tons per day. It is the most practical,

cheapest and simplest method of gold and silver

ore matting and concentrating that is known

today.

It requires no extraordinary skill, no lead ores,

no fluxing material, and no fuel of any kind for

the smelter after it is started. The sulphur in

the ore is its natural fuel only, and its cost has

no comparison with any other process of con-

centrating.

We are prepared to furnish any size or capacity

plant complete to substantial mining people,

set it up and furnish our men to run it for them

on easy payments. Price and specifications

furnished with references and testimonials on

application.

itual sick headache yield to its influ-

ence. We urge all who are afflicted

to procure a bottle and give this reme-

dy a fair trial. In cases of habitual

constipation Electric Bitters cures by

giving the needed tone to the bowels

and few cases long resist the use of

this medicine. Try it once. Fifty

Dr. Price's Cream Baking Powder

Most Perfect Made

Gladness Comes

With a better understanding of the

transient nature of the many physical

ills, which vanish before proper ef-

forts—gentle efforts—pleasant efforts—

rightly directed. There is comfort in

the knowledge, that so many forms of

sickness are not due to any actual dis-

ease, but simply to a congested condi-

tion of the system, which the pleasant

family laxative, Syrup of Figs, prompt-

ly removes. That is why it is the only

remedy with millions of families, and is

everywhere esteemed so highly by all

who value good health. Its beneficial

effects are due to the fact, that it is the

one remedy which promotes internal

cleansing without debilitating the

organs on which it acts. It is therefore

all important, in order to get its bene-

ficial effects, to note when you pur-

chase, that you have the genuine arti-

cle, which is manufactured by the Cali-

fornia Fig Syrup Co. only and sold by

all reputable druggists.

If in the enjoyment of good health

and the system is regular, laxatives or

other remedies are then not needed. If

afflicted with any actual disease, one

may be commended to the most skillful

physicians, but if in need of a laxative,

one should have the best, and with the

well-informed everywhere, Syrup of

Figs acts highest and is most largely

used and gives most general satisfaction.
