Wm. Hattich, Editor and Proprietor.

CITY AND COUNTY OFFICIAL PAPER

FREE COINAGE 16 to

For President and Silver: W. J. BRYAN; of Nebraska. For Vice-President.

ARTHUR SEWALL, Maine.

We demand the immediate restoration of the free and unlimited coinage of gold and sliver at the present legal ratio of it to I, without waiting for the aid or consent of any other nation. We demand that the clandard sliver deliar shall be a full legal tender, equally with gold, for all debis, public and private and favor such legislation as will prevent the demonetization of any kint of legal tender money by private contract.—Democratic National Sliver Platform.

A Bryan Sewall club has been formed in Phenix with a startoff of 75 members. The only qualification is to favor Bryan and Sewall and free coinage.

"The Kansas plan is for the Populists in state convention Angust 5 to endorse the Bryan and Sewall electors whom the Democrats will name on the preceeding day at Hutchison. We will nominate our candidates for state officers and telegraph the democrate the result. They will endorse our nominees," says ex-Congressman Harris "and we will endorse theirs."

WE are all ready and anxious to get back to the period of 1892, when this country was enjoying its highest properity.—Wm. McKinley. Business failures in 1892 one hun-

dred and fourteen millions of dellors.

#### The National Matte Smelter.

A practical and simple method of matting sulphide orer, such as nickle, copper, gold and silver ores. In localities where lead ores and fuels are scarce and almost unattainable, our pyritic, water jacket Matte Smelter has been recognized with highly satisfactory results, and has been thoroughly tested on various pyratic, sulphide and arsenide ores, in capacity of 2 to 80 tons per day. It is the most practical, cheapest and simplest method of gold and silver ore matting and concentrating that is known today.

ore matting and concentrating that is known today. It requires no extrao dinary skill, no lead ores, no fluxing material, and no fuel of any kind for the smelter after it is started. The sulphur in the ore is its natural fuel only, and its cost has no comparison with any other process of con-

no comparison with any other process of concentrating

We are prepared to furnish any size or capacity plant complete to substantial mining people, set it up and furnish our men to run it for them on easy payments. Price and specifications furnished with references and testimonials on

NATIONAL ORE & REDUCTION Co. 5736 Cheltenham Avenue, St. Louis, Mo Manufacturers of Furnaces for Nickle, Copper, Gold, Silver and Lead Ores, jat-ry

For your Protection.—Catarrh "Cures" or Tonios for Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodide of Potassa, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, caus and threat. Cold in the head causes excessive flow of mucus, and, if repeatedly neglected, the results of catarrh will follow; severe pain in the head, a roaring sound in the ears, bad breath, and oftentimes an offensive discharge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.

Notice to Creditors.
