CITY AND COUNTY OFFICIAL PAPER

FREE COINAGE 16 TO 1

For President and Silver:
W. J. BRYAN, of Nebraska.
For Vice-President:
ARTHUR SEWALL, Maine.

We demand the immediate restoration of the free and unlimited coinage of gold and silver at the present legal ratio of 16 to 1, without waiting for the aid or consent of any other nation. We demand that the standard silver dollar shall be a full legal tender, equally with gold, for all debts, public and private and favor such legislation as will prevent the demonetization of any kind of legal tender money by private contract.—Democratic National Silver Platform.

UNDER WHICH FLAG?

"We are unalterably opposed to the single gold standard. We demand the immediate restoration of the free and unlimited coinage of gold and silver at the present legal ratio of 16 to 1, without waiting for the aid or consent of any other nation. We demand that the standard silver dollar shall be a full legal tender, equally with gold, for all debts, public and private and favor such legislation as will prevent the demonetization of any kind of legal tender money by private contract.—Democratic National Silver Platform, Chicago.

No one has yet found out where Cleveland stands on the issues made at Chicago. When a theory instead of a condition was before him, his voice was for war, but now that the condition and not the theory is in evidence he is as silent as a petrified clam. As a fighter for principle Mr. Cleveland is in sad need of another substitute.—Albuquerque Citizen.

An analysis of 2000 accident policies on which beneficiaries were paid shows 631 persons injured by falls on pavements, 243 by carriages or wagons, 75 by horse kicks or bites, 47 by riding, 117 were cut with edged tools or glass, 96 were hurt by having weights fall upon them, 76 were hurt in bicycle accidents and 72 were hurt by falling down stairs, from which we might infer that there is not much difference as to danger between riding a bicycle and going down stairs.

The Democratic territorial convention for the nomination of delegate to congress, will be held at Williams on Sept. 17th, and the Republican convention for the same purpose will be held at Phoenix on the 22nd day of September. In the Democratic convention, Cochise county is allowed 7 delegates, and in the Republican convention 10 delegates are apportioned to Cochise. The total number of delegates is 96 and 112 respectively for the Democrats and republicans.

Dr. Price's Cream Baking Powder
World's Fair Highest Award

The hand of fate hovers over the ankle, the foot who in error has dashed the cup of life to the floor. It is a fearful horror to be as strong as an ox to-day, to be as weak as a kitten to-morrow. It is a solemn warning; it should be heeded. Catch yourself in the nick of time if you can help yourself be

GREAT MUDYAN

will help you. Mudyan is a purely vegetable preparation, but is a powerful one. Mudyan restores, rebuilds, renews the frame of life. It is for men. It is man's best friend. If you suffer from weakness, from impaired or lost manhood, if you have used up your kidneys or injured your liver you should write and learn all about the Great Mudyan. Circulars and the formulae free. **MUDYAN MEDICAL INSTITUTE, UTE.** 1100 Broadway, New York, N. Y.

For your Protection.—Catarrh "Cure" or Tonic for Catarrh in liquid form to be taken internally, usually contains either Mercury or Iodine of Potassa, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Gold in the head causes excessive flow of mucus, and, if repeatedly neglected, the results of catarrh will follow: severe pain in the head, a roaring sound in the ears, bad breath, and sometimes an offensive discharge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.

The National Matte Smelter.

A practical and simple method of smelting sulphide ores, such as nickel, copper, gold and silver ores. In localities where lead ores and fuels are scarce and almost unobtainable, our pyritic, water jacket Matte Smelter has been recognized with highly satisfactory results, and has been thoroughly tested on various pyritic sulphide and arsenide ores, in capacity of a ton to 20 tons per day. It is the most practical, cheapest and simplest method of gold and silver ore smelting and concentrating that is known today. It requires no extraordinary skill, no lead ores, no fluxing material, and no fuel of any kind for the smelter after it is started. The sulphur in the ore is its natural fuel only, and its cost has no comparison with any other process of concentrating. We are prepared to furnish any size or capacity plant complete to substantial mining people, set it up and furnish our men to run it for them on easy payments. Price and specifications furnished with references and testimonials on application.
