Budget of Interesting Items  
from our Regular Cor-  
respondent:

Bisbee, September 16 1896.  
COPPERINGS.  
Rev. Roberts returned home today.  
Richard Rundle was an outgoing  
passenger on yesterday's train.  
A nice shower of rain fell yesterday  
which was exceedingly welcome.  
The usual consignment of drum-  
mers came in on last evening's train.  
Sam King returned yesterday from  
Tucson where he has been on court  
business.

Charley Jones has accepted a posi-  
tion in Duffy & Harrington's meat  
market.  
Two Mexican peddlers are canvass-  
ing our town selling curiosities from  
the land of Mayas.

Another Transfer Co. has put in its  
appearance. This time it looms up as  
the O. K. Transfer Co.  
New houses are going up in all parts  
of town, and from three to four car  
loads of lumber arrive each week.

Mr. Hanzelgreen was in town yester-  
day, he reports abundance of rain  
on the river and the country looking  
well.

Ben Hancock has returned from  
Smith's ranch in the Chiricahua  
where he has been recuperating for a  
few weeks.

Harry M. Mahon better known as  
"Handsome Harry" has returned to  
Bisbee after being away about two  
years. Harry looks fine and says he  
is glad to be back among us once  
more.

Two of our well known citizens  
whose names are omitted by request,  
became involved in a dispute on a  
horse trade which finally wound up in  
a rough and tumble fight. Both were  
arrested and matters settled by them  
paying their fines.

The special train brought home to-  
day Mr. Louis Williams who has been  
on an extended tour throughout the  
country going as far north as New  
Foundland on business pertaining to  
the company. Mr. Williams says  
McKinley is his favorite in the east  
and predicts his election.

The hoodlum club continues to in-  
crease in numbers and a new member  
is initiated most every night. The  
degree of this order are somewhat  
severe but there is lots of fun in it  
after you have been through and can  
help the other victims as they progress  
in each course.

People sending their children to  
school or on errands should caution  
them to be more careful in crossing  
the streets in front of wagons or trying  
to jump on them. A small Mexican  
boy was seen over in front of the  
Library building yesterday, but as  
luck was in his favor he escaped un-  
injured. This should be a lesson to  
the boys and also to parents.

Charley Bradley, ex-deputy sheriff  
had a very narrow escape yesterday  
from being severely injured. He with  
others was herding horses on the hill  
back of the roundhouse, and in some  
manner Bradley's horse missed his  
footing and fell, luckily not on the  
rider, and rolled some twenty or thirty  
feet. Saved a few scratches, Bradley  
escaped uninjured.

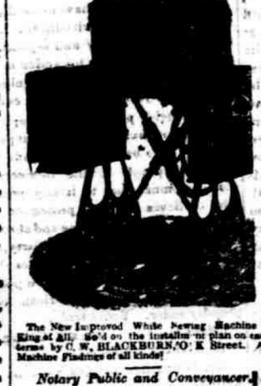

**Two Women Saved.**  
Mrs. Phoebe Thomas of Junction City  
Ill. was told by her doctors she had con-  
sumption and that there was no hope for  
her, but two bottles of Dr. King's New  
Discovery cured her, and she says it  
saved her life. This lady lives in the  
Florida St. San Francisco, and she  
a dreadful attack of consumption,  
tried without result. She says she  
bought one bottle of Dr. King's  
New Discovery and in two weeks was  
cured. She is very grateful. It is  
rich results, of which there are samples  
that prove the wonderful efficacy of the  
medicine in coughs and colds. Free  
trial bottles at Tombstone and Bisbee
