BISBEE NEWS.
Daily Happenings at the Great Copper Camp.
Budget of Interesting Items from our Regular Correspondent.

BISBEE, Oct. 29, 1896.
COPPERINGS.
Wm. Shilliam of Benson came in on the train this evening for a short stay in our town.
Steve Upton also came in on the evening's train. He has been in Tombstone for several days past.
Geo. W. Taylor one of Bisbee old timers and well known miners left this morning for San Bernardino, Cal. where he has relatives. George has been quite unfortunate of late as he has been afflicted for some time past with acute attacks of rheumatism. These almost disabled him at times but he is of an industrious and persevering character and managed to work the greater part of his time. Lately these attacks have developed into a kind of progressive paralysis and George is now entirely disabled as far as working is concerned. He thinks a few months in Southern California may help him considerably and his many friends and acquaintances here sincerely hope to see him so much improved as to be able to return here in the near future.

In this column on October 28th appeared an article referring to certain misstatements made by the Daily Democrat. Owing to a typographical error the article was given an altogether different meaning from what was intended. The position briefly was this:—The Daily Democrat states in its columns that the Republican county convention had not endorsed either Doran or the Territorial platform and then added, to make it appear that the Republicans of the county had no use for Mr. Doran, that the county candidates and the county central committee had both passed resolutions that no money should be contributed to the Territorial campaign fund. This we declare to be absolutely untrue and without any foundation whatever as no such resolutions were ever brought up before either body and would not be entertained for a moment if they were. Both the candidates and the members of the central committee have subscribed liberally to that fund and are doing their utmost to insure Mr. Doran's election and we cannot for the life of us see on what the editor of the Democrat based his article.

HUGHES-LIGGETT
Last night two more of our young folks, forsook the ways of single blessedness and started down the alluring road of matrimony. The happy couple in this instance are Mr. William E. Hughes and Miss May Liggett, both old residents of Bisbee who enjoy the respect and good will of all their acquaintances. The many friends of the young couple unite in wishing them a happy and a prosperous life and we have no doubt but what they will enjoy it to the utmost.

The Tyranny of the Desk.
We will suppose that your occupation is sedentary—that you are chained, so to speak to the desk in some counting house or perhaps to the loom in some vast mill where you are compelled to labor from morning to night. Sunday is your only day of relaxation. You return home every evening wearied mentally and bodily. Your health and strength begin to fail. What will most effectively recuperate your vital energy. The weight of evidence points to no other conclusion than that Hostetter's Stomach Bitters is your sales, most reliable stout anchor. Use it persistently, and your system will soon regain its pristine vigor. Every function will receive a healthful impulse. There is no remedy to equal the Bitters for nervousness and want of sleep, dyspepsia, constipation and biliousness. It cures and remedies all forms of neural disease, and is a preventive of rheumatism and neuralgia.
