**BISBEE NEWS.**  
Daily Happenings at the  
Great Copper Camp.

Budget of Interesting Items  
from our Regular Cor-  
respondent.

Bisbee, November 4, 1896,  
COPPERINGS.  
Everything in Bisbee today is as  
quiet as yesterday was alive and ex-  
citing. The people are still as inter-  
ested as ever but are holding back and  
waiting for some definite information.  
Fred Davy left this morning for  
Portland, Oregon, where he goes to  
look after important business. Fred  
does not know just how long he will  
be absent, and in fact has some doubts  
as to whether he will return at all.

Ben Williams, Prof. Douglas, and  
Walt r Douglas, together with Tom  
Wright and Will Scott, left today for  
an investigating trip into Mexico. We  
do not know whether they are going  
down to the coal fields or are investi-  
gating mining property, but they ex-  
pect to be gone several weeks and will  
evidently cover quite a little territory.

Well the great contest is over and  
the heavy jobbers who put an inde-  
pendent candidate up against us have  
learned one more point in regard to  
the Australian ballot. The game was  
well got up in every way but they  
were not quite onto themselves when  
they went to the polls and walked into  
the booths like a lot of wind-blown  
hay seeds, wrote in the name of the  
Right Hon. James Munnich on  
their ballots and then quietly for-  
got to put a cross before it. The poor  
suckers were running about this  
morning declaring that Jimmy had  
been counted out and threatening to  
have the election contested. It was  
not very long, however, before they had  
the little omission explained to them,  
upon which they each administered a  
hearty kicking to themselves and  
silently hunted their holes to appear  
no more until the incidents of the  
election were entirely forgotten.

**Marvelous Results.**  
From a letter written by Rev. J.  
Gunderman, of Diamond, Mich., we  
are permitted to make this extract:  
"I have no hesitation in recommend-  
ing Dr. King's New Discovery, as the  
results were almost marvelous in the  
case of my wife. While I was pastor  
of the Baptist Church at Rivers Junction  
she was brought down with  
Pneumonia succeeding La Grippe.  
Terrible paroxysms of coughing would  
last hours with little interruption and  
it seemed as if she could not survive  
them. A friend recommended Dr.  
King's New Discovery; it was quick in  
its work and highly satisfactory in re-  
sults." Trial bottles free at Tombstone  
and any Drug Store. Regular size  
50c. \$1.00

**The Tyranny of the Desk.**  
We will suppose that your occupation  
is sedentary—that you are chained, so to  
speak to the desk in some counting house  
or perhaps to the loom in some vast mill  
where you are compelled to labor from  
morning to night. Sunday is your only  
day of relaxation. You return home  
every evening wearied mentally and  
bodily. Your health and strength begin  
to fail. What will most effectually re-  
cuperate your vital energy? The weight  
of evidence points to no other conclusion  
than that Hostetter's Stomach Bitters is  
your safest, most reliable sheet anchor.  
Use it persistently, and your system will  
soon regain its pristine vigor. Every  
function will receive a healthful impulse.  
There is no remedy to equal the Bitters  
for nervousness and want of sleep,  
dyspepsia, constipation and biliousness.  
It averts and remedies all forms of mal-  
arial disease, and is a preventive of  
rheumatism and neuralgia.
