BISBEE NEWS

Daily Happenings at the

from our Regular Cor-
respondent.

Bisbee, Dec. 9, 1896.
COPPERINGS.

Deputy U. S. Marshall Loomis took
his final departure from Tombstone
this morning. He is the last of the posse
that were quartered here for almost
a week past.

Mr. and Mrs. Martin O'Hare left on
the train this morning for Tombstone
in answer to a call from the court.
Wm. Campbell, I. W. Wallace and H.
Waters left on the same train and are
to serve as witnesses in the case.

Wm. Breckenridge, one of our old
deputy sheriffs, and Mr. Thatcher a
Wells Fargo express guard came in on
the train yesterday afternoon and left
again this morning. The cause of their
visit is not known but the rumor
current is that they are on a private
hunt for Black Jack.

The school entertainment which was
to have come off on Thanksgiving eve
but was postponed on account of the
inclement weather, will take place on
Friday evening at the rink. Most of
the children are taking quite a little
interest in this entertainment and it is
expected that the evening will pass off
very pleasantly. It was gotten up for
the children's benefit and the proceeds
will go toward the purchase of a new
flag for the school house. Don't forget
the date, Friday December 11th.

Mr. Fred Warburton, our popular
tailor, returned this evening from a
short business trip to San Francisco,
and he is now prepared to give even
better services than heretofore at the
same reasonable prices. Mr. Warburton
also visited a number of friends in
San Francisco and Los Angeles and
had a very pleasant time when not
occupied with his business interests.
He did not forget his promise made
to his manager Mr. Brandes
and brought him back one of the
finest silk plug hats to be found in the
Golden Gate. Charley says its just
what he needed, exactly, and he will
see that it does not go unused.

In making your selection of Christ-
mas and holiday presents there is
nothing more appropriate than a well
selected piece of jewelry. Our local
jeweler, Mr. Schmieding, has lately laid
in quite an assortment of articles in
this line, all of the latest and most ap-
proved patterns. His stock of gold-
quartz jewelry is especially attractive,
and a call on him may save you much
trouble and care in your Christmas
selections. His present assortment of
watches and diamonds can't be beat.

Last August while working in the har-
vest field became overworked, was sud-
denly attacked with cramps and was
nearly dead. Mr. Cummings, the drug-
gist, gave me a dose of Chamberlain's
Cough, Cholera and Diarrhoea Remedy
which completely relieved me. I now
keep a bottle of the remedy handy. A.

SUNSET LIMITED.

The Sunset Limited train which passes
Benson twice a week going east or
west is by far the finest and most mag-
nificent transcontinental passenger
train in existence. It is incomparable
unexcelled and unequalled. No ex-
pense has been spared to make it per-
fect in every respect, and all that
human skill or science could invent
and apply to it absolutely fault-
less has been applied. Luxury and
beauty have been combined with
strength and safety, and meteor like,
it spans the continent, annihilating
time and space in its marvelous flight.
All who have had the pleasure of a
trip on this train unhesitatingly pro-
nounce it the very finest in the land.
