SILVER'S LOW NOTCH

FAIRMONT, W. Va.—One hundred and ninety Montana campers were arrested today for marching, which Judge Jackson claims is in violation of his injunction. They were taken to the depot and guarded for five hours, when 24 of them were taken to Clarkburg.

New York.—A further decline in the price of silver occurred today. The quotations for Mexican dollars were only nominal at 41 cents. Before the market closed the price of bar silver fell to 51; closing price in London was 24d.

Mine Out.

FIRE IS EXTINGUISHED

New York.—The high water mark for the season was reached in the wheat market today not only on values but as to the volume of transactions as well. Prices advanced 4 1/2 to 5 cents for the day and sales reached the big total of 14,510,000 bushels.

Sreckos, Cal.—News from Angels that the Utica mine shaft will not be opened before tomorrow but it is believed the fire is out as no smoke or gas is coming up.

Depression of Spirits

so common in summer-time, accompanied by loss of energy, lack of thought-power, means a deficient supply of nourishment. The vital force is lost. It isn't a question of muscle and sinew, but of resistance and endurance. At any age, but especially in youth, it involves the risk of lung disease. Loss of flesh and a cough are threatening signs.

Scott's Emulsion

of Cod-liver Oil, with the hypophosphites, meets these cases perfectly. It tones up, fattens and strengthens.

In Scott's Emulsion the taste of the oil is fully disguised, making it almost as palatable as milk.

IN WANT

Families of Striking Miners

Destitute.

THEY APPEAL FOR AID.

The Expense of Carrying on

the Strike Estimated at

\$500 Per Day.

A PROLONGED SUFFERING

PITTSBURG.—Plans are being formed for the maintenance of the strikers and their families for a prolonged period. The expense of carry on the strike is placed at \$500 a day and appeals are coming in every mail for help for families in the mining villages.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. Va., and one of the most widely known men in the state was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me; and my friends were fully convinced that nothing but death would relieve me of my suffering. In June 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm, the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured. For sale by all dealers in Tombstone and Biabe.

NOTICE.

To Whom it May Concern:

Notice is hereby given that neither the mining property known as the McCormick Copper Claims, and consisting of the Humboldt, Highland, et al claims, situate near U. S. Locating Monument No. 2, in Turquoise Mining District, Cochise county, Arizona, or the owner thereof, shall in any manner be held responsible for any labor or debts contracted or incurred by any employee or employees engaged in the operation of said mining properties. That all operations engage in such service at their own risk, and that no debts are valid against any or all claims constituting this property, unless authorized by the owner or manager. Every operative is supposed to be a judge of the mines' condition and method of maintenance, and it deemed improper, service on their part shall be discontinued.
