THE MAINE REPORT.
Will Be Sent to Congress Monday.
MAYBE ON TUESDAY.
Interview and Conference
The Gravity of the Situation.
ARE READY TO ACT.
WASHINGTON—Senator Davis, chairman of the committee on foreign relations, had a brief interview with assistant secretary Roosevelt today, but had no information to impart at its conclusion. Senator Davis said that it was his understanding that the Maine report would be sent to congress on next Monday, but its transmission might be delayed until Tuesday.
Yellow Jaundice Cured.
Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following:—This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters, and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering with this terrible malady. I am glad to say, M. A. Hagan, Lexington, Ky. Sold by Tombstone Druggist.
For good coffee. Call on the Mason Boree.

MORE BOATS.
The Navy Department Buys Another.
GERMAN TORPEDO BOAT.
A Valuable Addition to the Navy Purchased in England.
IS ALL READY FOR SEA.
WASHINGTON.—The navy department was informed by cablegram from Lieutenant Colwell, naval attaché of the United States embassy at London, that the agents of this government had purchased a torpedo boat that had been constructed for the German government. It is the type of German torpedo boat, and is regarded as a valuable addition to our navy. She is now ready for sea.

OUTSIDE EXPLOSION
The Maine Blown Up By Submarine Mine.
SPAIN IS DULY NOTIFIED.
The Situation now very Critical and War Preparations Being Hurried.
ON A WAR FOOTING.
WASHINGTON.—The court of inquiry appointed to investigate the cause of the Maine disaster has reported that the loss of the battleship was due to an outside explosion.
The state department, by direction of the president, has cabled United States Minister Woodford, at Madrid to notify the Spanish government of this conclusion. The president and his cabinet advisers held two extended sessions today, the discussion was of a grave character, and that never since the wrecking of the Maine has the situation seemed so critical. War preparations of an unprecedented scale are being hurried to completion by the war and navy departments, and the country practically is on a war footing. The court does not express an opinion as to the character of the explosion but the testimony goes to show that it was a powerful submarine mine, the exact character of which is not determined by the testimony, though the belief was expressed that it was a floating submarine mine.

Discovered By a Woman.
Another great discovery has been made and that too, by a lady in this country. It was discovered by a child upon her and for seven years she withstood its severest tests, but her organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz, Shelby, N. C. Trial bottles free. Tombstone Drug Store. Regular 50c and \$1.00 every bottle guaranteed.
