

COCHISE COUNTY'S MATCHLESS RESOURCES

The coming territorial fair advertised as the "last territorial fair to be held in the United States," promises to be a record breaker for attendance.

Cochise County's exhibit at the fair promises to be a creditable one, although by no means as great as it could have been if concerted action by all the towns of the county had been taken.

There is no other section of the territory, or for that matter, not many on earth, that can match Cochise county in the greatness and variety of its resources. Scarcely a mineral known but that is found within its borders, and great as has been its production of the precious metals, mining in Cochise county has scarcely yet reached the infantile stage.

But great as has been and yet will be the mineral industry of the county, our agricultural and horticultural future teems with wonderful possibilities. With its fertile lands, the richness of which are but becoming realized, an abundance of water, which the construction of dams and the drilling of artesian wells will supply, the valleys of Cochise will bloom like a garden and thousands of happy homes occupy the land that now is virtually desert.

In the coming future Cochise county will hold an annual fair, devoted to an exhibition of its own products, and it does not require the eye of prophecy to foretell the wonderful exhibits that will there be shown. This county holds within its borders possibilities for the future, the equal of which no other section in this rich and broad and fertile domain of ours possesses.

The District Court Doings

MONDAY
After a record breaking session lasting about five days, the territorial grand jury of Cochise county took its final adjournment late Saturday afternoon.

The grand jury during its brief session considered 52 cases, of which number it ignored 23 and returned 29, which are given below.

There were also included in the final report seven secret indictments which cannot be given publicity owing to the indicted persons not being in custody.

One case was referred to the action of the next grand jury, called to convene next April, entitled the Territory vs. Quong Hop—a charge of "embezzlement alleged to have been committed at Douglas."

The committees appointed by Foreman Cull to investigate county offices and institutions and report on them, commended highly the manner in which the offices of County Treasurer, Supervisors, Probate Judge, Assessor, Clerk of the District Court, Recorder and Sheriff were conducted, and also commended the efficient management of the jail and hospital.

The following indictments were returned:

Mark Wells and Policarpo Mendoza, grand larceny.
Francisco Arviz, burglary.
Leopold Mesa, grand larceny.
Manuel Soto, grand larceny.
Mortino Hackney, grand larceny.
Margarito Garcia, assault with a deadly weapon.
Thomas Turner, burglary.
Wm Hart, murder.
Marcario Jaso, murder.
Annie Murphy, assault with deadly weapon.
C H Armstrong, two indictments forger.
E H Eckert, assault with a deadly weapon.

Earl W Sands, murder.
Joe Walker, embezzlement.
A Gustave Gantz, obtaining money under false pretenses—2.
M A Gallardo, Guadalupe Gonzales and Luis Minier, grand larceny.
R Andrada and Manuel Andrada, grand larceny.
Manuel Garcia and Jose Rodriguez, burglary.
Jose Rivera, an attempt to assist prisoners to escape.
All of the above prisoners indicted, with the exception of those out on bond awaiting trial, were arraigned before the district court on Saturday afternoon, during which time they were given an opportunity to enter their pleas to the indictments found against them.

The sheriff's return on the original venire of 50 names shows that 31 were subpoenaed as follows:

Homer Fike	Patrick Carmody
E P A Larrieu	A G Curry
Carson Ritter	Olaf Olson
Sam Campbell	J G Erickson
Seth Merrill	Wm Bashore
Chas F Moss	S A Peckenpaugh

The following jurors were excused by the court upon proper representations being made:

E P A Larrieu	Patrick Carmody
A G Curry	J Erickson
S A Peckenpaugh	J W Van Horn
J D Davis	Lewis Birdno
R L Lockie	

A special venire of 30 jurors was called returnable 1 p. m. tomorrow. Upon arraignment of prisoners this morning, eight entered pleas of guilty, as follows: Joe Walker, Francisco Avilez, Joe Rivera, Jose Rodriguez, Ramon Andrada, Morton Hackney, M Garcia and C H Armstrong. Each will be sentenced at 9:30 a m tomorrow.

A paroled prisoner named Raecoon, on charge of drunkenness, was given a hearing and lecture by the court and permitted to go on his good behavior.

TUESDAY
Nine prisoners who plead guilty yesterday received their sentences this morning. Each drew the following sentences:
Francisco Avilez, one year in territorial prison, burglary.

Jose Rivera, fine of \$100 and three months in county jail for attempting to assist prisoners to escape from county jail.

C H Armstrong, forger, a year and a day in territorial prison.

Morton Hackney, grand larceny, a year and a day in territorial prison.

Joe Walker, grand larceny, a year and a day in territorial prison.

Manuel Garcia and Jose Rodriguez, burglary, a year in the territorial prison.

Ramon Andrada, grand larceny, a year in the territorial prison.

Mrs Annie Murphy, assault with deadly weapon, three months in county jail.

The following is the special venire of 30 jurors called for this p. m.

L C Clover	C M McCormick

C A Fick	Archie Chisholm
J A Stone	O K Goll

E H Eckert plead not guilty to a charge of assault to commit murder; case set for Nov. 14.

Lee O Woley vs J M Kelly; action for debt; judgment for plaintiff.

The panel of jurymen was examined and sworn in with 46 jurors on the panel to answer roll call daily.

WEDNESDAY
District court convened at the usual hour this morning with Judge Doan on the bench.

The first matter considered was the sentencing of Leopold Mesa, yesterday found guilty of the crime of grand larceny, alleged to have been committed at Bisbee. He was given three years in the territorial prison.

The first jury case called this morning was the Territory of Arizona vs Margarito Garcia, indicted for assault with a deadly weapon, alleged to have been made upon a Mexican woman at Lowell with a beer bottle. The jury returned a verdict of guilty.

Territory vs Macilio Mrez, indicted for burglary; alleged to have entered the Bonanza house at Lowell with intent to burglarize it. Jury rendered a verdict of guilty.

It is expected that the five cases still remaining on the criminal docket against John P. Casey the well known mining engineer of Douglas and El Paso, will be tried at this term of court. One charge, libel, and the balance embezzlement. Casey was tried at the last term of court on a charge of making false corporate reports on the Carmen Consolidated Copper company, but was acquitted by the jury.

The prisoners who were sentenced yesterday will be taken to Florence the latter part of this week to start serving out their sentences.

Carson C Ritter was excused for the term as a trial juror.

Herbert Fike was excused from jury service until Nov. 14.

There is only one case for tomorrow a murder case—the territory vs J. e.

The final setting of cases will be held Saturday morning at 9:30, when all jury and non-jury cases will be set for the balance of the term and it is important that all attorneys be on hand at that time. They are making a record in clearing matters up at the court this term and Judge Doan expects to clear the docket of a great many cases this term and relieve the congested condition that prevailed last term.

THURSDAY
When court opened this morning the first business was the pronouncing of sentence on Macilio Garcia, found guilty of burglary. Garcia was given three years in the territorial prison.

Margarito Garcia, whom a jury yesterday afternoon, found guilty of assault with a deadly weapon, was given eight years in the penitentiary. The defendant is an old offender. He was recently released from the Yuma penitentiary after serving a sentence for burglary committed in this coun-

ty. He has also served considerable time for minor offenses.

The case of the Territory vs. Marcario Jaso, indicted for murder, was called. Jaso is charged with killing a fellow countryman, who was working on the section with him, at Bowie. A jury was empaneled and the case called for trial at 1 o'clock p. m. The case was submitted at 3:20 o'clock and within a short time returned a verdict of guilty of murder in the second degree.

There are still upon the criminal docket, to be tried at this term of court if possible, six murder cases.

A total of 45 cases are pending on the criminal docket of the United States court, which convenes here on the 28th inst. The following are held to await the action of the Federal grand jury which meets on the above named day:

Rafael de la Vara, smuggling.
Jose M Escayras, smuggling.
Cornelius Vecaras, smuggling.
W G Tice, smuggling.
O L Edgar, shipping diseased cattle.

The following cases are pending upon the United States court civil docket:

U. S. vs Wong Lee, appeal from the U. S. Commissioner's court.
U. S. vs Kwang Lee, petition to cancel certificate of naturalization.

U. S. vs The Warren Ranch Company, three cases to quiet title to property in the Warren district.

U. S. vs Michael Kohler, action to cancel certificate of naturalization.

So far this term of the district court Judge Doan has sentenced in the neighborhood of a dozen prisoners to the penitentiary.

FRIDAY

In court this morning Marcario Jaso who was found guilty yesterday of murder of a countryman at Bowie, was given thirty years in the penitentiary.

Manuel Soto withdrew his plea of guilty and entered a plea of guilty to charge of horse stealing in Bisbee. His sentence will be pronounced tomorrow.

The case of the Territory against Mark Wells and Policarpo Mendoza occupied the day. The defendants are charged with stealing a horse belonging to Aleck G Adams of Dragon. The jury returned a verdict of not guilty. Lyman Hays of Wilcox was counsel for the defense.

The trial jury has been excused until 1 p. m., November 14th.

Tomorrow will be final setting date of calendar and all attorneys in the county are expected to be on hand.

Mining Revival In the Quijotoas

Alderman Shelton G. Dowell of the First ward returned last evening from the Quijotoas mountains, where he with several other Douglasites is interested in a placer property which they are working with a Quinner crushing machine, says the Douglas International. Mr Dowell has been on the ground for several weeks past, and will return after a short visit to this city, during which he will attend the meeting of the city council.

Mr. Dowell states that the Quijotoas field is attracting considerable attention and that a number of claims are being located, while others are being obtained by purchase by new comers.

As to the property in which the Douglas people are interested, Mr Dowell states that they have not started work in full as yet, but expect to get going in reality in a short time. As to results thus far obtained, he said he would rather wait until they were actually going before he talked for publication.

Want Returns of Cochise Election

At the request of George U Young Secretary of Arizona, the official count of the election returns in Cochise county from the election of delegates to the constitutional convention will be sent to Phoenix today by Clerk H E Berner of the board of supervisors. The report will show the vote polled by each candidate in each precinct and the totals in each precinct.

Secretary Young stated in the telegram received from him by the board of supervisors that the vote was desired by the constitutional convention, but did not state its ultimate purpose.

Near Jerome a few days ago a dog was bitten on the nose by a rattlesnake, but soon entirely recovered from the effects of the bite.

From Thursday's Daily

Martin Costello left this afternoon for Tucson, where he goes to look after his real estate holdings.

Thomas Steele, the well known Cochise county pioneer, is serving in the capacity of a trial juror.

R B Webster, the Bisbee insurance agent, is among those serving on the jury panel.

Fair Commissioner E R Partle and Mrs Partle left Douglas yesterday in Mr Partle's Cadillac to attend the territorial fair at Phoenix. They passed through Tombstone enroute.

John Cook has returned from a week's visit to his ranch on the Barbacomar, where he has been looking after the building of new ditches for irrigation purposes.

C S Phillips of Tucson, representing the New York Life Insurance Co., spent the day in Tombstone in the interests of his company and departed this afternoon for Bisbee.

J J Wyatt general manager of the Arizona Gold Mines operating at Patagonia and South Pass in this county, was a Tombstone visitor today on business connected with his company.

Official Court Reporter Walker was in Bisbee yesterday reporting an important land case in a hearing before U S Commissioner Tylor, and during his absence the efficient stenographer of the district attorney's office, Miss Ory Cantrell, officiated.

An influx of attorneys is looked for on Friday night when they will drop in for the final setting of the court calendar.

Patrick Walsh aged 65 was ordered committed to the asylum yesterday by Probate Judge Goodbody after examination by the lunacy commissioner. Walsh was a resident of Paradise and for some time has acted queerly. He speaks of imaginary enemies and lives in constant dread of fancied foes. It is thought treatment at the asylum will effect his cure.

Cochise Member In Lime Light

Today one of the warmest debates during the entire session of the constitutional convention is on. The referendum and initiative comes up discussion in committee of the whole.

The light is over whether the word county is to be drafted into the constitution.

In response to the invitation extended by Mrs Frances Monds, a large number of women went to the capitol where they attended the public meeting of the election and suffrage committee.

As it looks now, the question of the rights of Arizona women is to be studied at an election some time in the future and many of the women and some of the men are doing everything in their power to influence the members of the convention in favor of the movement.

The following dispatches, addressed to the father of the bill, were read before the convention and are self explanatory:

Douglas, Ariz., Nov. 1.
Hon. Mr. Connelly—Your constituents of Cochise county thank you for your introduction of the woman's suffrage proposition. Do not come back to Douglas. You ought to be shot. We are very sorry that the result is not in operation.

DEMOCRATS THAT SUPPORTED YOU.
Bisbee, Arizona, Nov. 1.

P. F. Connelly—Your supporters in Bisbee are proud of your nerve in the matter of the introduction of the woman's suffrage proposition. Move up to Apache county and stay there. You are a hum.

HENRY SULLIVAN AND 200 OTHERS.
Lowell, Arizona, Nov. 1.

Pat Connelly—Go to England and tie up with Lady Warwick, Maxim Gorky and Emma Goldman. On your return from your idiotic efforts in the constitutional convention we will give you a banquet and present you with an improved ill model hobble skirt and a peach basket hat. When you run for the first state legislature kindly see us first.

H. JENNINGS AND THE BUNCH.
Sombre silence followed the reading of the telegrams, broken by a delegate who, in a facetious vein, moved that they be referred to the committee on military and public defense.

Four large and handsome Angora cats were recent arrivals at Kirkland from Oregon. They were consigned to D Davis.

From Friday's Daily

Los Angeles has done an unprecedented thing they have a lawyer in jail.

Tombstone will have a full representation at the territorial fair at Phoenix this month. The management is making preparations for bigger doings than ever this year.

Many Cattle Inspected By Porter McDonald

Cattle Inspector Porter McDonald has just completed the task of inspecting 32 cars of cattle at Turner in this county which are to be shipped to California. Mr McDonald, who is an expert cattleman and can tell a brand at long range as easy as within rope's distance, states over 1000 head were inspected by him in this shipment.

The cattle come from various owners on the Barbacomar and on the Huachuca ranges belonging principally to Parker Bros., Aston estate, Larrieu Bros, L Roth, Bert Sarrols, Frank Yager, Henry Pyster, John Cook and several others. The cattle were purchased by Ed Collins in the interest of Ventura California buyers to whom they were shipped. The prices paid were not learned. Mr McDonald states the cattle were in good condition considering the present shape of the ranges and scarcity of rain in that section the past season.

The executive committee of the A. O. U. W. will recommend to the lodges of the two territories that they accept the proposition of the Fraternal Mystic Circle on the condition that the present rates of insurance being paid by the members of the A. O. U. W. will be preserved in the other organization.

Proceedings of the Statehood Convention

The Arizona constitutional convention held Friday morning set the time for hearing the report of the legislative committee on direct legislation, which will be based upon proposition No. 1, introduced by A C Baker, of Maricopa county. The proposition has been amended in three different forms.

This will precipitate the big fight of the convention.

With the view of making the constitution easy of amendment, the committee on the mode of amendment has decided to report an article providing for an election for the purpose of amending the constitution may be called by a two thirds vote of the legislature or an initiative petition signed by 18 per cent of the voters at the last election, and only a majority will be required to carry the amendment.

Burned to Death In a Pullman

H L Travers, who left Bisbee Tuesday morning for his home in Huron S D, was burned to death in a Pullman sleeper at Texicoma, Oklahoma, Thursday morning. He had been in Bisbee to visit his brother Frank Travers who is ill at the Copper Queen hospital.

A special dispatch to the Review says:

H L Travers, of Huron, S D, lost his life by the burning of a Pullman car near Texicoma on the Rock Island early Thursday morning. Besides Travers the car contained but one passenger a woman named Alice Holland, of Bisbee Arizona. It appears that both the conductor and porter were absent from the car at the time the fire broke out and that the flames were first discovered by a passenger in the car ahead. The woman was rescued with difficulty while the man was suffocated and burned.

Removal to Douglas of County Patients

When the board of supervisors meet here on the 21st inst, the matter of transferring the county patients to the poor farm at Douglas will be taken up, and the presumption is that an order to that effect will be made and the removal take place Dec 1. There are in the neighborhood of 100 patients in the hospital at present, but it is presumed some of those will remain here. It has been suggested that some of the buildings here be retained for use as an auxiliary hospital, as there are some patients that will undoubtedly suffer by removal.

The excellent water and salubrious climate of Tombstone has resulted in great improvement in many tuberculosis cases and a sanatorium for those thus afflicted could be conducted in conjunction with a branch hospital.

Drs Hughart and Bishop who have had charge of the hospital for several years past, have conducted the institution in a manner that has elicited the commendation of the people of the

A Pleasing Bill Was Presented

The first show at the Schieffelin under the new management was well attended last night. A good program was presented and a large and appreciative audience voiced their sentiments of approval by liberal applause.

Miss Emily Mulhern scored a success in a most pleasing rendition of two illustrated songs, "My Own United States" and "Are You Sincere," and was most heartily encored. Miss Hazel Yoho gave several excellent selections on the piano to the applause of the audience. The management expect to have several special feature lectures for the next show on Sunday and the service made to reach the highest standard.

entire county. The grand jury in a last report especially complimented these gentlemen on the efficient management of the place after making a careful investigation, and the people generally were unanimously of the opinion that the praise was worthily bestowed.

For Insurance of A.O.U.W. Members

It was practically decided at the session of the executive committee of the A. O. U. W. lodges of Arizona and New Mexico, Saturday, at Tucson, to accept the proposition of the Fraternal Mystic Circle to rewrite all of the insurance carried by the A. O. U. W. risks at the same rates now being paid the members.

Although the matter is not yet finally settled, the officials of the Equitable Life Insurance company of Texas gave up the fight and left for San Antonio. They had made the A. O. U. W. members a proposition similar to that of the Fraternal Mystic Circle, but the executive committee of the A. O. U. W. decided that the proposition of the Mystic Circle was more liberal. The latter organization retains the fraternal features of the older organization, and this appeared to the members of the latter.

The executive committee of the A. O. U. W. will recommend to the lodges of the two territories that they accept the proposition of the Fraternal Mystic Circle on the condition that the present rates of insurance being paid by the members of the A. O. U. W. will be preserved in the other organization.
