

STATE ITEMS OF INTEREST CONDENSED.

A gigantic pumping project has just been launched by J W Walker and H L Chandler, two wealthy citizens of Phoenix and Mesa, respectively, who hope to put under cultivation 12,000 acres of fine, level land lying a few miles south of Mesa. It is planned to establish a number of pumping units, each unit to irrigate two sections and be under the exclusive control of the owners of the land. All the land included in the project has been homesteaded and the promoters expect to take their pay for the pumping plants in land, which they will sell to homesteaders. A number of homesteaders have signed contracts with them and the installation of the first unit should begin this fall.

Official notification has been received by the corporation commission that its order reducing the rates of the Pacific Gas and Electric company of Phoenix, has been suspended by a temporary injunction issued out of the federal court of San Francisco. The injunction was secured by attorneys for Augustus W Kiley, of New York, trustee for the holders of \$595,000 worth of P G & E bonds. Kelley's action was filed in the federal court at Phoenix, but transferred to San Francisco because there was no United States judge for this district.

Richard Stephens, who has been spending some weeks with his family in the Adam Slinger neighborhood, returned to Clifton the first part of the week much improved in health. He reports fishing fine, but states that fruit is going to waste. He saw the farmers turn their hogs in the orchards to eat the finest looking apples pears and peaches that he ever saw for the simple reason that the roads are in such shape that the farmers could not haul the fruit to market. The roadway is impassable owing to the high water in the river, along the bed of which the highway is laid out.

The schools of Bisbee will open on the first Tuesday in September, this being immediately after Labor day, a holiday, which comes on the first Monday in the month.

William Tippette, the 17-year-old son of Mr and Mrs Plam Tippette, and grandson of Mr and Mrs James Freestone, of Safford, was struck by lightning Sunday afternoon, August 23, and instantly killed. The Tippette boy, in company with the Hagan boys, one a son and the other a nephew of John Hagan, were on a horse hunting trip near Parks Springs, New Mexico. The two Hagan boys were knocked from their horses and rendered unconscious.

The July output of the Calumet & Arizona company amounted to 1900 tons, an increase of 250 tons over June but a decrease of 250 tons compared with May. For the seven months of 1913 the output reached 14,325 tons against 15,532 tons last year.

Guard Your Children Against Bowel Trouble

Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 331 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:

"Some time ago we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."

The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection. The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.

If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk. MILES MEDICAL CO., Elkhart, Ind.

Court Cases Filed

SUPERIOR COURT  
Judgment in suit—  
No. 391, Mary Crosby, Dr. Henry T Crosby, Cr. Decree of divorce.  
Suit No—  
496, Emma E Best vs Robert Best; action for divorce.  
Judgment in Suit—  
360, J Charles Edwards, Dr. Leora V Edwards, Cr. Decree of divorce.  
492, Viola V Hickson vs Emmett N Hickson; action for divorce.  
493, Nick Pupich vs Tony Dominovich; appeal from J P court.  
494, Gertrude Watts vs Edward Watts; action for divorce.  
Judgment in Suit—  
116, Ferdinand Westheimer & Sons, Drs, Ellen R Fisher, Cr.

PROBATE PROCEEDINGS  
Estate of—  
W T Menear; order appointing J P Connolly, W F Cowan and H W Williams, appraisers.  
Isiah J Jones; or appointing Birkel W Jones administrator.  
J M O'Connell; August 29, 1913 date of hearing petition.  
George Franklin Trezise; order to sell property.  
Angel Molino; hearing petition for letters of admn.

Mary E Davis; hearing petition for letters of admn.  
J M Prine; final discharge of administrator, and release of sureties.  
Charles M Harris; Sept 12, date for hearing petition for letters of admn.  
Wm H Taylor; decree of distribution.  
John Prindville; order appointing September 5, as day for hearing petition for order to sell personal property.  
G B Richardson; order appointing G W Walker, Otto C Duffner & J W Howell, appraisers.

Albert Hodge; Sept 12, day for hearing petition for letters of administration.

Arizona Federal Judge takes Oath of Office

On his 45th birthday, William H. Sawtelle of Tucson, first regularly appointed federal judge for Arizona, assumed his new duties today at Phoenix.

Shortly before court was opened the judge was presented with a beautiful bouquet of roses by the Arizona Bar association. As he entered the courtroom, the first thing he did was to thank the association for the remembrance, stating that he greatly appreciated it.  
Judge Sawtelle then asked Allen B. Jaynes, clerk of the court, to record his oath and commission upon the minutes and to send a certified copy of the oath to Washington. The judge took the oath at Tucson yesterday before United States Commissioner Jas. R. Dunsenath.  
The judge's commission was received Monday. It was dated at Washington, August 18, 1913, and is signed by President Woodrow Wilson and Attorney General J. C. McKey.

Governor Hunt is Out of the State

To attend the annual conference of western governors, to be held at Colorado Springs from today till Saturday evening, Governor George Hunt has left Phoenix. In all probability he will return Sunday or Monday.  
Governor Hunt carried with him an article he had prepared, which will be incorporated in the proceedings of the conference. Last year he sent a paper which was included in the record, though he was not able to attend in person.

This is the first time during his administration that Governor Hunt has been out of the state, with the exception of an hour or two last summer, when he crossed the Colorado into California. Secretary of State Sidney F. Osborn is acting governor.

To Place Historic Press on Exhibition

The historic printing press recently received by the Arizona Historical society from William Hatlich, former editor of the Prospector, will be set up in the near future under the direction of John E Magee. M. Magee stated yesterday that he would have the matter attended to by the time of the Southern Arizona fair in order that visitors to the fair will have an opportunity to inspect the famous press.  
The entire weight of the machine is 1832 pounds and one piece weighs 800 pounds. It will require at least six men to set the press up. It is one of the well known Washington presses and is numbered 25. Probably one corner of the society's rooms on West Congress street will be set apart for the press.—Tucson Star.

Is Strong Believer In Old Tombstone

George W. McFarlin veteran printer and newspaper editor, a number of years a familiar figure throughout Arizona but the last several years located at Tombstone, is in town for a few days.  
Mr. McFarlin will return to Tombstone from here. It is the mining camp above all others in his esteem and he expects to see the time when it will be returned to the producing column and make of itself one of the foremost mining centers in the country.  
In this belief he is by no means alone but the careful study Mr. McFarlin has given Tombstone mining conditions in recent years and the close contact he has enjoyed with the work that has been done, entitles his opinion to exceptional consideration.—Review

Night Control Not yet Settled

"Douglas and Bisbee had better cease quarreling about the route of the El Paso-Phoenix auto race. Their controversy is doing the race no good. Anyway it has already been settled that the race is to come through Bisbee and Tombstone, not through Hereford"  
This statement was made today by J. S. Morrison the local Hepmobi's agent, at Phoenix who has just returned from El Paso. He says that the disagreement between Bisbee and Douglas is more serious than is realized here.  
Douglas wants the night control to be established at that place and wants to cut Bisbee and Tombstone off the route entirely, sending the cars through by way of Hereford. To this Bisbee and Tombstone are making earnest objection. Bisbee has ambitions to be the night control.  
"When that meeting was held in George Purdy Bullard's office to make preliminary plans for the El Paso race it was agreed that the route should be through Bisbee and Tombstone," Morrison said today. "It was also agreed that the night control should go to the southern Arizona city raising the largest amount of money for the purse. Bisbee has raised \$1000 and I understand that Douglas has \$800 or \$700 promised. Tucson agrees to get busy soon."

"El Paso is taking no interest in the controversy. The El Paso people are going to control the race to the state line and after that they are not interested.  
"The charge has been made that if the cars are sent by way of Bisbee and Tombstone they will have to be hauled across the San Pedro river at Fairbank. This is not true, for the state bridge now being built at that point will then be completed. Governor Hunt has told me that before the race the Tombstone-Bisbee road will be in first class condition"

To Enlarge El Paso Smelter

The El Paso smelter is to install another copper reverberatory furnace at a cost of \$250,000. Every effort at the smelting works is now being made toward increased capacity of the copper plant, owing to the increased amount of ore of that kind which is being treated there.  
Plans have already been made for the new furnace which is to be installed immediately, the amount of ore being received from Arizona and New Mexico mines having greatly increased during the past few months. It is also expected that, with a clearing of the situation in Mexico, mining on a large scale will be resumed there and much of the ore will be shipped to the El Paso smelter.  
During the past year the smelter company expended \$300,000 improving its copper plant and the \$250,000 additional now to be spent will make it one of the largest copper smelters in the world. No considerable amount is being expended on the lead-silver department, because of the small amount of ore of that kind which is now being received from Mexico.

Doings In the Superior Court

In the superior court today the following two divorce cases were passed upon, besides several probate proceedings:  
Florence Cole vs Hiram Cole; judgment for plaintiff.  
Alanda Armenta vs Eufraico Armenta judgment for plaintiff.

Wilson Warns All Americans in Mexico

A Washington dispatch says— President Wilson has warned all Americans to leave Mexico at once. At the same time the American embassy and all consular representatives throughout the southern republic were instructed "to notify all officials, civil and military," in Mexico that they would be held strictly responsible for harm or injury done to Americans or their property.  
Secretary Bryan dispatched long telegrams to the embassy and all consular representatives quoting from the president's address before congress.  
In the message the consuls were instructed to give every aid possible to departing Americans, furnishing transportation and other pecuniary assistance to the needy.  
They were informed that a sufficient number of ships would be provided to carry away those in the seacoast towns.  
Foreign governments will be notified of the action of the United States so that they may give similar advice, but the American consuls will help all foreigners in any emergency.  
Within a day or two an announcement is expected of the mobilization of a large number of American troops along the southern frontier to enforce neutrality in the traffic of arms and munitions of war.  
President Wilson was in touch with Assistant Secretary Breckenridge of the war department today. It is believed not only is the president preparing to strengthen the border patrol but desires the strictest vigilance by troops already watching the international boundary.

Petition Supervisors to Call Election

A petition is being circulated and numerous signed asking the board of supervisors of Graham county to order an election in the incorporated town of Safford on the wet and dry question.  
Quite a number have signed the petition who are known to have voted at the previous election to dry the town, under the belief that to close the saloons would stop the sale of liquor. But disgusted with the systematic boot-legging that has been carried on, they are convinced that a well regulated saloon is better than the condition that has prevailed ever since the town went dry.

Border Patrol is Doubled

The border control maintained by the Ninth cavalry to the east and west of Douglas was yesterday doubled, following the reported announcement that the United States would attempt to preserve strict neutrality towards both factions in Mexico. No additional territory has been given the Ninth regiment stationed at Douglas, but in future at least twice the number of men will be detailed along the international line, in effort to check the reported smuggling operations of the constitutionalists.

Will Bring up Mine Taxation in Buffalo

One of the important matters to be taken up before the seventh annual conference on state and local taxation which meets in Buffalo during the month of October is that of mine taxation, a question that has convulsed Arizona for some time also. C. M. Zander, chairman of the Arizona tax commission is chairman of the committee on mine taxation of the conference and has prepared a report upon the subject for submission to the conference, to which he is again a delegate.  
During the mine taxation while the legislature was in session Mr. Zander evinced his favor toward a tax bill for mines that provided for taxing the property by the method in use in Michigan. However, the legislature used a different plan for arriving at the value of the mine, one that was recommended by a majority of the tax commission. One of the leaders in this movement was P. J. Miller formerly chairman of the commission, who is also a delegate from Arizona to the convention.  
However in order that both sides of the question might be discussed by the conference Chairman Zander in his report on mine taxation mentions both systems of valuation as being used, thus putting the matter squarely up to the conference. The third member of the Arizona delegation to the Buffalo conference is Bernard Coniff, a mine owner of Crown King. With this representation all sides of the question can be presented from this state. Governor Hunt made out the list of delegates before leaving for Colorado, and they were announced yesterday.

Parcel Post Extension Meeting With Approval

A Washington dispatch says— Postmaster General Burleson and his aides are hearing from every source that the country is approving the extension of the parcel post service which effective August 15. It is well understood this order is the forerunner of other changes calculated to extend the scope of the service, and that the postmaster general is looking to the time when parcels up to 100 pounds can be carried. However, there is no doubt the interstate commerce commission approves of the gradual broadening of the scope of the size of packages which can be carried.

Corp'n. Commission Modifies Order

An order issued some weeks ago by the state corporation commission, permitting the Southern Pacific Railroad company to issue \$10,000,000 worth of trust certificates for the purpose of purchasing new equipment, was modified today.  
As the order originally stood it permitted the sale of the certificates for five per cent less than their face value, the five per cent representing commission and discount. About half the certificates were sold on those but owing to the present condition of the money market the company could not dispose of the remainder. A modification of the order was therefore issued and six per cent is now allowed for discount and commission.

Kries-Newbury Nuptials Yesterday

Yesterday afternoon, at the cozy residence of Mr and Mrs James Lamb, on Bruce St., the wedding of Miss Mary Kries to Mr P W Newbury, was solemnized, Rev C W Duncan, of the local Congregational church, officiating.  
None but the immediate relatives and friends of the family were present: the popular young couple wishing to steal a march on their many friends, both here and in Courtland.  
The bride is the accomplished daughter of Mr and Mrs Matthew Kries, of Courtland, the family having long been residents of Tombstone before moving to Courtland, about a year ago, and has a host of friends in the old camp.  
The groom is a popular young man of Courtland and holds a responsible position with the Great Western Copper Co. at that place. Mr Newbury has been a resident of Courtland ever since its inception and has many friends and acquaintances there.  
After the ceremony last evening, an elaborate wedding supper was served at the Lamb residence after which the merry wedding party motored to Courtland, where the happy young couple will make their future home.

Sulphur Spring Valley Notes

Manager W. A. Bates of the store of C. M. Rosend, with Mrs. Bates, drove out in the valley Sunday. Mrs. Bates' mother Mrs. Kneaster returned and will spend the week with them.  
Roscoe, Clay, Wirt and sister Miss Pauline Burnest reached their valley home, last week, coming from Ky, Arizona where Clay and Roscoe have been employed, but they will now establish themselves on their homesteads, in the valley.  
R L Grantham of Courtland and Ed Powell of Douglas, with their families are spending a vacation in the Chiricahua mountains, going out Thursday and will remain for about two weeks.  
A. C. Bean and T. J. Clark and families returned last week to their homes in the Chiricahua mountains, after visiting several days in Douglas.

From Thursday's Daily

Master Raymond Jones, of Tucson, is in the city and will spend two weeks visiting with his aunt, Mrs Jas Sand rs.  
Lem Stallings and Parker Woodman are in from the Commonwealth Extension property at Pearce today.  
The following probate matters were passed upon in the Superior court before Judge Lockwood today: Est G R Richardson; G W Walker, O C Duffy and J W Howle appointed appraisers. Estate of Alfred Hody; order appointing Friday, Sept 12, day of hearing petition for letters.  
Joseph McPherson, local transfer and fuel man, received a car of Gallup coal, which was unloaded yesterday.  
Miss Clara Barton, sister of County Stenographer Mary Barton, left today for her home in Los Angeles after a month's pleasant visit in this city.  
County treasurer C W Hicks left this afternoon for Bisbee, where he goes to attend the funeral of William Johnson of that city.  
John Rainey returned to Tombstone today from the county road camp, where he has been for the past few months. Mr Rainey sustained injuries to his right foot and is in the city to receive medical treatment for the injured member.  
Miss Emily Axtell leaves Monday for Leavenworth, Kansas, where she goes on an extended visit with relatives.  
Mrs George R Davey and daughters the Misses Edna and Jeanette, will leave Monday for El Paso, where they go to join Mr Davey, who is now conductor on the Tucson El Paso run of the E P & S W.  
Mrs K Rafferty returned home today from Los Angeles, where she has been on a visit with relatives for the past three months.  
S H Adam, is registered at the Arcade Hotel today from Phoenix.

From Friday's Daily

H K Springer is in the city today from the Kendall ranch in South Pass.  
C. McGohtlen, of Los Angeles and Mr and Mrs. M. N. Noyor Douglas, are registered at the Arlington today.  
Deputy Sheriff Bob Reed of Fairbank is a visitor in the county seat today.  
Sheriff H C Wheeler, County Attorney W G Gilmore and County Chamberlain Percy Bowden went to Gila today on official business.  
Judge F M Doan of Douglas, arrived in the city this morning on court matter.  
Attorney Lynnan H Hays is in the county seat today from Willcox on legal business.  
Miss May Thiel was an outgoing singer for B. B. last evening on a visit with friends.  
Mr and Mrs Joe Cima left for Toronto, Italy, last evening, where they go on an extended visit. A large crowd of friends were at the depot, and they were accompanied to Fairbank by Mr and Mrs A. Giacomo. Mr Giacomo will conduct the affairs of Mr Cima during his absence, having power of attorney. He will be assisted by Barney Andriano.  
Mayor John S Williams of Bisbee came in yesterday on business. Mr Williams is one of Tombstone's oldest pioneers, and he takes pleasure in making frequent visits to his old home. He left this morning for Bowie to look over the stone quarry at that place.  
An auto party composed of Mrs Will Brown, Mrs Hines, Mrs Eads of Los Angeles, with Elvin Brown at the wheel of the new Studebaker car, motored over from Courtland today on a visit with friends.

Arizona Rifle Men Take Fourth Place

Fourth place in the regimental shoot at Camp Perry, Ohio, held yesterday as part of the national rifle matches, was taken by the Arizona team, according to telegram received today at the office of the governor from Adjutant General Charles W Harris at Phoenix.  
Forty states had teams competing in the regimental shoot. Arizona's showing is regarded as wonderful, considering the fact that every other state has many more national guardsmen to draw from.  
In every event so far held the Arizona team has been within the money. It has taken no first prizes but for consistent shooting the Arizona boys are making a wonderful record.  
The big match, in which all the teams take part, is to be held tomorrow. The Arizonians are confident that they will be among the leaders

Notice of Application for Survey and Withdrawal

Under Acts of Congress Approved August 18, 1894, and June 20, 1910  
(Application for Survey No. 10)  
United States Land Office at Phoenix, Arizona.  
Notice is hereby given that application, dated June 13, 1913, signed by the Governor of Arizona, the chairman of the State Land Commission and the Attorney General of Arizona, was made to the Commissioner of the General Land Office, Washington, D. C., for the survey and withdrawal, pursuant to the provisions and by authority of the Act of Congress approved June 20, 1910 (36 Stat., 568) and other Acts and parts of Acts made applicable thereto, of the lands embraced in the following townships in Cochise county, Arizona, viz:  
T. 12 N., R. 22 E. & 23 E., T. 13 S., R. 22 E., T. 14 S., R. 22 E., T. 15 S., R. 22 E., T. 16 S., R. 22 E., all that outside of Private Land Grant; T. 15 N., R. 22 E., all that outside of Private Land Grant; T. 15 N., R. 22 E., all that outside of Private Land Grant; T. 15 N., R. 22 E., all that outside of Private Land Grant; T. 15 N., R. 22 E., all that outside of Private Land Grant.  
Notice is therefore given that all unsurveyed lands in the said townships have been withdrawn and reserved from and after June 20, 1913, the date of receipt by the Commissioner of the General Land Office of the aforesaid joint application for survey and withdrawal, which said withdrawal will continue until the expiration of sixty days from the date of filing in the U. S. Land Office at Phoenix, Arizona, of the official plat of the survey of said townships, during which time the State of Arizona will have the exclusive right to select, through its legally constituted authorities, any of the lands embraced within the said townships which are not included in any adverse claim.  
Dated Phoenix, Arizona, August 19, 1913  
THOMAS F. WREED, Register.  
JOHN J. HIRSH, Receiver.
