ORGANIZATION.

The Territorial Democratic Central Committee is being reorganized and made ready for the campaign.

For the Democratic Nomination As Delegate to Congress.

Granville H. Oury.

FROM THE SAN DIEGO SUN we learn that Sheriff Paul's requisition was all right, but that the Earps were taken away from him by disguised cowboys and hung.

It is rumored that the Democracy of a section of the Territory is to take up cudgels in favor of a resigned Federal official.

The Republican Central Committee did some good things. A resolution was passed endorsing the party paper of the county, and it was determined to have one man in each city ward and country precinct.

The new Independent paper of Tombstone, according to its prospectus, belong to neither political party, but proposes a crusade against the reputations of various individuals.

The Republicans of Cochise county are kicking against the apportionment made by the Prescott bosses, to the Territorial Convention.

The Democratic County Central Committee should shortly issue an address to the Democracy of Cochise county.

ALONG the main line of the Huachuca company's pipe, is a fine grass country. Stockmen could procure water for cattle troughs from the company, and the ranges to be had cannot be surpassed.

INTERNATIONAL relations with Mexico, have just resulted in saving one man's neck. The air is full of possibilities, and it behooves desperadoes to keep their hands out of their hip pockets.

A FEW country Republicans and a large number of city ones, met last night and called themselves a County Central Committee.

JOHN R. FARREL was elected yesterday, a member of the Republican County Central Committee.

AFTER all, Dibble is the Republican king-pin, in point of ability, and a clever gentleman.

THE oration delivered by Judge Dibble on the Fourth of July was a disappointment to his friends. Something keen, original and above commonplace, was expected, and disappointment was visible on every countenance ere he had well begun.

JUDGING from the railroad speech of last year, and Dibble's school-boy parody on good taste and common sense, of this, it would seem as though the Fourth of July, in Tombstone, is put to use merely as a whetstone upon which to sharpen private and political axes.

A NEWSPAPER fever has seized Tombstone. Democratic, Republican and Independent papers are already in the field, and making a livelihood, which fact speaks volumes for the intelligence of the people of Cochise county.

WE have hitherto had an abiding faith in the political judgment of H. C. Dibble, Republican aspirant for Congress. Since the oration we are forced to admit that he would not make a successful leader of even a ward faction.

THE merchants of Calabasas went on a drunk, a few days ago, and made a raid upon the Chinese portion of that exceedingly mixed community.

CANDIDATES for office, subject to nomination, would do well to advertise their desires. Political aspirants should not hide their lights under a bushel, but face the music manfully.

THE editor of the EPITAPH returned last evening from a trip to the headwaters of the Huachuca company's works, bringing back with him the clever representative of the Republican, who was his companion.

THE address of the Republican party to the voters of Cochise county, reads like a wail of lamentation and a piteous appeal for aid.

THE census of Pima county shows a population of nearly 17,000 souls. Evidently Tucson breeds more active census takers than does Tombstone.

THE delegates to the Territorial Democratic convention from Apache county, are instructed to vote for Oury.
