

# The Value of Good Digestion

Is easy to figure if you know what your stomach is worth. Kodol keeps the stomach at par value, by insuring good digestion. Kodol cures Dyspepsia.

Kodol insures good digestion by absolutely duplicating Nature's normal process, in perfectly digesting all food taken into the stomach.

While Kodol is doing this, the stomach is resting—and becoming strong and healthy. A strong and healthy stomach guarantees a sound and active brain.

The man with a sound stomach—a stomach that is doing for the body just what Nature intended it to do—is the man who is always prepared for any emergency. He is "there with the goods."

The man with a sick stomach, is a man sick all over. When the stomach is irritated by undigested food, the blood and heart are directly affected. Then dizziness, vertigo and fainting spells, and even serious brain trouble develop. Kodol will prevent these.

Spurring the stomach and brain to special effort by "tonics" and "stimulants" doesn't cure anything, or accomplish any good. Neither does dieting. Indigestion and the serious ailments which it induces can be averted and corrected only by natural means.

Kodol supplies this natural means. It performs the stomach's work for it—just as the stomach should perform it—while the stomach takes a little rest, "for the stomach's sake."

**STAKE NOTES**  
THATCHER, ARIZONA,  
Dec. 28, 1908.

To the workers and pupils of the Religion Class of the St. Joseph Stake: During the recent visit of Apostle Clawson he recommended that we establish a dime day for the religion classes in the St. Joseph Stake, in order to obtain means necessary to pay the expenses of the class.

In compliance with the above recommendation we have thought proper to name Brother Karl G. Maeser's birthday as our dime day, namely, January 10th, and celebrating the Wednesday nearest to it, which will be January 13th.

It is suggested to the superintendents of the different wards that on that day you give the children a brief sketch of the life and labors of that great man, Karl G. Maeser, first general superintendent of the Religion Class and originator of the Six Steps.

JOHN BILBY,  
INEZ LEE,  
O. C. JONES,  
General Superintendents of St. Joseph Stake.
