

The Oklahoma Miner.

Vol. 2

KREBS, OKLAHOMA, THURSDAY, MAY 29, 1913

Number 13

On to Gowen.

The business men of Hartshorne have taken the matter up with Choctaw Ry. & Lighting Co., for an extension of the interurban from Hartshorne to Gowen, a distance of some six miles. The line as proposed would go through Cambria, one of the best mining camps in the county and via Jones Academy. Gowen is a good little mining camp and is located in a splendid farming section.

In our opinion the extension would be a paying proposition from the start and it is very probable that the interurban people will give it due consideration.

Welcome to Our Bishop.

Right Rev. and Dear Bishop: Assuming for the moment the part of representative of the Confirmation class for whose spiritual welfare your Lordship has come, I salute and cordially welcome you, permit us to remind your Lordship of the early pioneer days when Krebs merited the title of the "Eldest Daughter" of the church in Oklahoma for even though time through the Apostolic labors of your Lordship, has changed its features by changing the Oklahoma Vicariate into a vast Diocese and Krebs has paled before the grandest of other parishes that have eclipsed her, nevertheless, the hearts of her children are as loyal devoted and true to their beloved Bishop as in the days of old.

My Lord, I am only echoing the grateful sentiments of the hearts of her children and the lasting gratitude of their par-

ents for your tender solicitude for the miners, also the promptness and generosity with which your Lordship responded to our appeals when we requested the restoration of our beloved pastor—the noble pioneer priest who has worked with such untiring zeal, devotedness and energy for the maintenance of church and school, thereby uplifting the condition of the children of the poor miners. Yes, the kind little priest who has often told us how much the Bishop loved little children, particularly the children of the poor.

It is our earnest wish dear Bishop, that your days may be prolonged in the service of the all-good God whom you have served so long and faithfully. May your Lordship's years be long and many and from sorrow's darkness free till your soul finds rest in Heaven, is the unanimous, sincere and earnest desire of your devoted children,
THE PUPILS OF ST. JOSEPH'S SCHOOL.

Killed by the Flyer.

The 5 year old son of Mr. and Mrs. John Jarrell of Chambers was killed Sunday afternoon by the Katy flyer at the Chambers crossing while following his father across the tracks.

The body was thrown a considerable distance and was badly mangled.

Funeral services were held at Chambers Monday afternoon, and the remains laid to rest in the cemetery at that place.

Misses Janet and Sadie Thompson left Friday night for Edmond, Oklahoma where they will attend the summer Normal for the next few months.

No Booze On East Side

Washington May 26—Federal laws against the introduction of liquor into Indian country were held by the supreme Monday to prohibit the introduction of liquor from neighboring states into Oklahoma counties occupied by Indians.

The decision was in the case of Bob Wright, indicted in the Federal court for introducing of liquor into Muskogee county, Oklahoma.

The indictment was upheld Monday, the lower court being reversed.

Laporte-Moncrief.

Seems as though these matrimonial surprises will never cease in Krebs. Last week Jno. Laport and Miss Esther Moncrief stole a march on their most intimate friends here and were married in Muskogee last Friday. The happy couple after making a short wedding tour arrived home Monday and have been receiving the best wishes of their host of Krebs friends.

Ed. Cochran Recommended

The many friends in Pittsburg county will be pleased to learn of the recommendation of E. E. M. Cochran of McAlester by Congressman Chas. Carter for the position of crop or cotton reporter for this county. This position comes to Mr. Cochran unsolicited on his part and only bespeaks the good will of his friends who where instrumental in the recommendation.

We can honestly state that the affairs connected with this position will be looked after in a though, businesslike manner. Congratulations, Ed.

At a meeting of the stockholders of the Krebs Opera House Co., last Sunday afternoon, Antonio Rich was elected manager for the next year.

McAlester

George Graf, the "daddy" of base ball in McAlester, will pull off a hot one at Recreation Park in McAlester next Sunday at 3:30 when his "Booster" team will meet the fast Hartshorne team with Grady on the firing line for Hartshorne. George says he has secured one of the best box artists in the country for this contest and guarantees all who attend a good game.

Another Robbery

The Star Bakery and Grocery of R. B. Howard was entered by a rear window about 11 o'clock yesterday morning and between \$65.00 and \$70.00 taken from the drawer while the clerk was absent. Bloodhounds were put on

the trail and went directly to the home of Arthur Gray, a colored porter. He was arrested last night but by some hook or crook he gave the officers the slip and made good his escape.

It is presumed that he is in the neighborhood of Alderson.

June Wedding.

Announcement is made this week of the approaching marriage of Sylvester J. Doyle, assistant cashier of the Bank of Krebs to Miss Lilly Malloy, the accomplished daughter of Pat Malloy of Alderson. The marriage will take place on the morning of June 18th at St. Joseph's church in this city.

In honor of the approaching event a miscellaneous shower was tendered Miss Malloy by Mrs. Wm. Nash of Alderson on Tuesday afternoon which was attended by a large number of Miss Malloy's friends. It was reported as a very swell society function and largely attended by friends along the interurban.

In advance, the Miner joins in extending congratulations.
