There is quite a curiosity in the show window of A Drysdale & Son on South street. It is three different sized fans handsomely cut out and decorated from a spruce log. The largest is about twenty inches across, the smallest about six or eight. They are all round and it is understood that they were all cut out with a jack knife by Jerry Coklin who works in the lumber camps on the Green mts and by him presented to deputy sheriff Godfrey who in turn donated them to Mr Drysdale. They are not thicker than a palm leaf fan and are attracting much attention.

Every one who has read Weston's book will want to see "Dave" swap horses on the stage and laugh at the old fellow's irresistible humor. All those who haven't read the book should come prepared to see the funniest thing in their lives. The part of Harum is taken by Edward H Frye, the well known impersonator.

The large team on the Bennington Standard Oil Co's wagon while standing in the yard at A G Parkerford's store became frightened at the screech of an engine and ran. The only path left them was between Parker's barn and carriage house where there is no driveway. The heavy wagon struck the stump of the elm recently felled and bounded about ten feet before striking the ground, then went down the steep declivity into Samuel Wright's garden and into D T Bates' meadow where they were stopped by A F Towne. Wondrous to relate nothing about the wagon or harness was injured. The wagon was in charge of driver Robert Mallory.

DANGER IN DELAY

Kidney Diseases are too Dangerous For Bennington People to Neglect.

The great danger of kidney trouble is that they get a firm hold before the suffering recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Bennington.

James Ewens, formerly painter of 306 West Main street, says: "I recommend Doan's Kidney Pills to everyone who has backache or kidney complaint. I suffered off and on for some time with aching in my back and through my kidneys. After a hard days work my back always felt particularly lame and sore and the secretions from the kidneys were irregular and very annoying. I procured Doan's Kidney Pills in 1897, used them for a time and they cured. My father-in-law has also used them since and
