Strong and Well as Ever.

Fred Smith, 225 Main St., Green Bay, Wis., says: "I suffered a long time with a very weak back. Foley Kidney Pills completely relieved me of all soreness and pain and I now am strong well as ever." Winter aggravates symptoms of kidney trouble; cold weather makes aching joints, sore muscles, and irregular bladder action more unbearable. Foley Kidney Pills help the kidneys eliminate pain-causing poisons. Sold everywhere.

War Upon Pain!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Solister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new."

Seven Year-Old Clifford Mercier

Read His Story

During a recent interview, Mr. Joseph Mercier, of 253 Walker street, Lowell, Mass., said to the writer: "My little boy, Clifford, seven years old has taken Father John's Medicine whenever he had a cold or cough, ever since he was two years old, and it has never failed to give good results. He used to cough badly at night and he does not do it when we give him Father John's Medicine. We believe that Father John's Medicine gives him increased weight and strength. We strongly recommend Father John's Medicine to mothers of children who are weak and run down."

A general survey of the New Testament will be one of the courses offered in the proposed teachers' institute for the first week in January. This will be a continuation and conclusion of the lectures given by Rev. Charles A. Boyd of Burlington which proved so popular last year, and for which there has been a strong demand. These will be given on three successive evenings, January 6th, 7th and 8th. They are open to teachers of adult classes but especially adapted to the general public. They will not be given unless a large number enroll. Will all interested therefore enroll not later than Sunday noon, December 5th with their pastor or the superintendent of their Sunday school.

The proposed teachers' institute for the first of January will not be held unless a sufficient number of Sunday school teachers enroll by noon Sunday, December 5th. The sessions will be held three evenings only, January 6th, 7th and 8th. Not everyone can afford the time and money necessary to gain instruction and inspiration at far famed Northfield, but an opportunity is now offered the Christian workers of Bennington to attend a miniature Northfield at home. Everyone interested is expected to enroll on Sunday with their pastor or Sunday school superintendent, both present teachers and young people between 17 and 25 who may become the teachers of the future as trained teachers of religion is one of the greatest needs of the church today.
