The death of Mrs. Mary Lahany Myers which occurred last Thursday afternoon, removes from the town of South Shafts bury one of its well known pioneers. For fifty-three years she has continuously lived in the family home opposite the school house. Born in Sligo, Ireland, she came to Castleton, Vermont, when but three years old and made her home with her uncle, the late James McKeon of that town, until she was thirteen, when she came to South Shafts bury with the late Dr. Bowen in whose family she lived until she married at the age of sixteen. By an interesting coincidence, her son Fred Myers now lives in the house built by Dr. Bowen and occupied by his family while Mrs. Myers lived with them. Mrs. Myers had a fund of interesting incidents of the early days of the town and was fond of relating them. There are many in town who have pleasant recollections of some of these amusing stories. Mrs. Myers was a home lover and seldom went beyond the confines. A fine sense of honor and honesty characterized her and those who, in a business way came in contact with her, were wont to say, "Mrs. Myers is as honest as the sun." With her great big heart she welcomed her friends at all times with genuine hospitality. She is survived by her husband, Antonio Myers; one son, Fred Myers; three daughters, Mrs. William Hamilton and Mrs. Frances McGuire of Bennington, Miss Alice Myers of South Shafts bury and a host of friends. Those who knew her best, loved her most. One of them.
