Daddy says they're good for me because there's mighty little to swallow, because they help my teeth and my "tummy." I like them because I taste candy first and when the candy's all melted away I can chew the gum. Daddy says he always keeps a box in the house.

How To Get Rid Of A Cold

Summer colds are serious. Read how C. E. Summers, Holdredge, Neb., got rid of his: "I contracted a severe cough and cold and could hardly sleep. I got a bottle of Foley's Honey and Tar and the very first dose relieved me. I took a second dose before going to bed and can truthfully say I did not cough all night. By using as directed the next two days my cough was entirely cured and I give Foley's Honey and Tar full credit for my speedy recovery." Foley's always soothes and heals. Children love it.
