### A GOOD FRIEND

A good friend stands by you when in need. Bennington people tell how Doan's Kidney Pills have stood the test. Mr. McGuire endorsed Doan's over ten years ago and again confirms the story. Could you ask for more convincing testimony?

P. J. McGuire, 211 Maple St., Bennington, says: "I suffered from dull, heavy pains in my back. If I stooped over, sharp pains caught me and on damp days or if I caught cold, the trouble was worse. Mornings I felt tired and sore all over. I learned of Doan's Kidney Pills and tried them. They removed the pains in my back and I was cured of all the other annoyances." (Statement given December 16, 1905.)

On August 24, 1916 Mr. McGuire added: "I can still say a good word for Doan's Kidney Pills. I have had no occasion to use them recently."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McGuire has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

### HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

Darling, who will be glad of any other similar work to do.

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.
